directors have no interest in its surplus or assets and receive no remuneration for acting in that capacity. The governing documents of the charity setting out its constitution and covering appointment of trustees (directors) are as filed with the Charities Commission and Companies House. The trustees meet regularly and are otherwise readily accessible to each other and the public. The administrative details are as given above. The day to day management of the charity is delegated by the other trustees to the Company Secretary.

RISK MANAGEMENT

The trustees have conducted a review of the major risks to which the charity is exposed. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. These procedures are periodically reviewed to ensure that they continue to meet the needs of the charity and the regulatory frameworks within which the charity operates.

OBJECTIVES AND ACTIVITIES

The company's principal object is to advance the education of the public by assisting individuals and institutions to provide classes and courses of education within the context of an educational philosophy based upon the teachings of J Krishnamurti and other similar approaches and to promote and teach sustainable use of the environment.

In setting the objectives, and planning the activities, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

To this end the charity gives support for

- educational institutions that provide scholarships and education for some students who might not otherwise receive education,

- furtherance of knowledge generally about educational methods and their application and

- a botanical sanctuary that cultivates species, some rare, researches medicinal benefits and accumulates and makes information available beneficial to world wide health

ACHIEVEMENTS AND PERFORMANCE

The charity continued to support various institutions with grants.

FINANCIAL REVIEW

During the year the Charity received donations for specific purposes of £8,818 which were fully paid out. The balance of income was donations of £37,250 and investment income of £7,169. £37,160 was paid out to other charities and individuals, and governance costs amounted to £1,750. The surplus on unrestricted funds of £5,509 was added to reserves leaving a balance of £9,265 to carry forward. The grants paid out are as shown in note 7 to the accounts.

RESERVES POLICY

The trustees aim to maintain sufficient funds to cover the Charity's working capital requirements and to continue with its support of charitable activities. The policy and the level of reserves is reviewed periodically by the Trustees. The Trustees are satisfied with the current level.

PLANS FOR FUTURE PERIODS

The trustees will continue to support organisations and individuals in accordance with the Charity's objectives.
