TRUSTEES ANNUAL REPORT *(continued)*

YEAR ENDED 31st MARCH 2014

STRUCTURE, GOVERNANCE AND MANAGEMENT

A G Educational Trust is a company limited by guarantee incorporated under the Companies Act 1985. It is also a registered charity. The company has no share capital and the members and directors have no interest in its surplus or assets and receive no remuneration for acting in that capacity. The Charity will recruit suitable trustees when necessary and their induction and training will be supervised by the other trustees. The governing documents of the charity setting out its constitution and covering appointment of trustees (directors) are as filed with the Charities Commission and Companies House. The trustees meet regularly and are otherwise readily accessible to each other and the public. The administrative details are as given above. The day to day management of the charity is delegated by the other trustees to the Company Secretary.

RISK MANAGEMENT

The trustees have conducted a review of the major risks to which the charity is exposed. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. These procedures are periodically reviewed to ensure that they continue to meet the needs of the charity and the regulatory frameworks within which the charity operates.

OBJECTIVES AND ACTIVITIES

The company's principal object is to advance the education of the public by assisting individuals and institutions to provide classes and courses of education within the context of an educational philosophy based upon the teachings of J Krishnamurti and other similar approaches and to promote and teach sustainable use of the environment.

In setting the objectives, and planning the activities, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

To this end the charity gives support for:

educational institutions that provide scholarships and education for some students who might not otherwise receive education;

furtherance of knowledge generally about educational methods and their application and

ACHIEVEMENTS AND PERFORMANCE

The charity continued to support various institutions and individuals with grants and loans. In particular the Charity supported Krishnamurti Foundation Trust with an interest free loan of £300,000 to assist in the completion of their student accommodation, secured on the freehold land and buildings, as well as a donation for bursaries. This loan was made possible by the receipt of a loan from a New Zealand charitable organisation of £200,000 under the same security, interest and repayment details.

FINANCIAL REVIEW

The income consisted of donations of £15,000 and investment income of £6,537. £31,705 was paid out to other charities and individuals, and governance costs amounted to £5,008. The deficit on unrestricted funds of £15,176 was deducted from reserves leaving a balance of £102,622 to carry forward. The grants paid out are as shown in note 7 to the accounts.

RESERVES POLICY

The trustees aim to maintain sufficient funds to cover the Charity's working capital requirements and to continue with its support of charitable activities. The policy and the level of reserves is reviewed periodically by the Trustees. The Trustees are satisfied with the current level.

**INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF A G
EDUCATIONAL TRUST**

YEAR ENDED 31st MARCH 2014

I report on the accounts of the company for the year ended 31st March 2014 which are set out on pages 5 to 12.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The trustees (who are also the directors of A G Educational Trust for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the company is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the company and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

For the year ended 31st March 2014 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Trustees' responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime and with the Financial Reporting Standard for Smaller Entities (effective April 2008).

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31st MARCH 2014

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, except for investments which are included at market value and the revaluation of certain fixed assets, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), and the requirements of the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005).

Incoming resources

Donations and investment income are recognised on a cash basis. Legacies are recognised on an accruals basis when it is known with some certainty the amount likely to be received. Otherwise they are included on a cash basis.

Investments

Investments are shown on the balance sheet at the market value at the year end. Unrealised gains and losses, as well as realised gains and losses arising through disposals in the year, are taken through the statement of financial activities.

Fund accounting

Unrestricted funds are those funds received for use in furtherance of the general objects of the charity. Restricted funds are those funds where the donor has specified their use for a particular purpose or funds raised following a specific fundraising appeal.

Resources expended

Charitable activities comprise all expenditure directly relating to the objects of the charity, specifically donations made to provide charitable assistance to charities and other good causes on a cash basis. Expenditure is recognised on an accruals basis. Governance costs are those costs relating to compliance with constitutional and statutory requirements.

Fixed assets

All fixed assets are initially recorded at cost or the valuation of a donated asset.

Programme related investments

Programme related investments are included in the balance sheet at the amount invested less any impairments (in the case of equity and loans) and any amounts repaid (in the case of loans). Impairments are charged to resources expended on charitable activities in the Statement of Financial Activities. Similarly, a loan subsequently converted into a grant is charged to charitable activities.

Where a gain is made on disposal of a programme related investment, then the gain is either set off against any prior impairment loss or included as a gain on disposal of fixed assets for the charity's own use and recorded under other incoming resources in the Statement of Financial Activities.
