**NOTES TO THE ABBREVIATED ACCOUNTS  
FOR THE YEAR ENDED 31 JANUARY 2011**

**1 ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

**Income**

Income comprises service charges, ground rent and contributions receivable from members in the year

**Depreciation of freehold land**

The depreciation charge deducted from the purchase cost of the freehold land equates to the specific contributions receivable from members after deducting related bank interest and charges. The net book value equates to the current borrowing relating to the purchase of the freehold land.

**Maintenance reserve**

The maintenance reserve comprises sums set aside to carry forward as a provision against future costs. Such provision is considered prudent to enable the company to be able to meet those large items of expenditure which occur on a cyclical basis every few years.

**Profit and loss account**

It is considered that the activities of the company do not give rise to a profit. Any excess of service charges levied over current expenditure will be transferred to the maintenance reserve as will any excess of current expenditure over service charges levied.
