The directors present their report and the financial statements for the year ended 31 January 2014.

#### DIRECTORS' RESPONSIBILITIES STATEMENT

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF ABBNEY HOUSE LIMITED**

---

We have audited the financial statements of Abbey house Limited for the year ended 31 January 2014, set out on pages 5 to 10. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### **RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS**

As explained more fully in the Directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### **SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### **OPINION ON FINANCIAL STATEMENTS**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 January 2014 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006**

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 JANUARY 2014**

---

**11. CAPITAL RESERVE**

The purpose of the formation of the company was to purchase the freehold property 'Abbey House' on behalf of the existing leaseholders. The company raised funds by issuing contemporaneous leases of 999 years at a premium.

Not all of the existing leaseholders participated in the arrangement, but in fact a larger proportion than the directors originally believed would participate did take part.

At the outset 22.988% of leaseholders did not join the scheme. Subsequently a further 22.311% joined the scheme. As at 31 January 2014, 0.677% of leaseholders had not joined the scheme and therefore this proportion of the cost of the freehold property is shown on the Balance Sheet as the freehold value.

The remaining 99.323% is deemed to be of no value on account of the new 999 year leases.

The excess of the lease premiums received over the freehold cost is held as a capital reserve of the company. Subsequently, additional leaseholders have participated in the arrangement and their contributions have been added to the capital reserve to the extent that they exceed the freehold cost.
