### **Notes to the Abbreviated Financial Statements for the year ended 31 December 2010**

#### **1. Accounting policies**

The principal policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same financial statements. The financial statements have been prepared in accordance with the special provisions of the Companies Act 2006 relating to small companies and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

##### **1.1. Accounting convention**

The accounts have been prepared under the historical cost convention.

##### **1.2. Turnover**

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

##### **1.3. Tangible fixed assets and depreciation**

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Plant and machinery	-	25% Reducing balance basis
Fixtures, fittings and equipment	-	25% Reducing balance basis
Motor vehicles	-	25% Reducing balance basis

##### **1.4. Stock**

Stock is valued at the lower of cost and net realisable value.

##### **1.5. Deferred taxation**

Provision is made for deferred taxation in full using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes. At present the liability is not considered material to the accounts.
