RECYCLED ROCK AND AGGREGATE LIMITED

DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps that are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

RECYCLED ROCK AND AGGREGATE LIMITED

REPORT OF THE AUDITORS TO THE MEMBERS OF RECYCLED ROCK AND AGGREGATE LIMITED

We have audited the financial statements on pages 6 to 14.

Respective Responsibilities of Directors and Auditors

The directors are responsible for preparing the directors' report and, as described on page 3, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

Basis of Audit Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 March 2000 and of its profit for the 12 months then ended and have been properly prepared in accordance with the Companies Act 1985.

RECYCLED ROCK AND AGGREGATE LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE 12 MONTHS ENDED 31 MARCH 2000

STATEMENT OF ACCOUNTING POLICIES

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies, which have been applied consistently, is set out below.

BASIS OF ACCOUNTING

The financial statements are prepared on the historical cost basis of accounting.

TURNOVER

Turnover represents the value of goods invoiced excluding value added tax.

DEFERRED TAXATION

Provision is made for deferred taxation using the liability method, to the extent that there is reasonable probability that tax will become payable as a result of the reversal of timing differences in the foreseeable future.

STOCKS

Stocks are valued at the lower of cost and net realisable value.

DEPRECIATION

Depreciation is calculated to write off the cost of fixed assets over the estimated term of their useful lives as follows:

Furniture & Office	3 years
Static Plant	10 years

RECYCLED ROCK AND AGGREGATE (SOUTHERN) LIMITED

Due to immateriality, this was not consolidated.

CASH FLOW STATEMENT

The company is exempt from the requirements of FRS1 to prepare a cashflow statement on the grounds of its size.
