NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2016

1. **STATUTORY INFORMATION**

Abbeygrove Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements include the results of the company's operations all of which are continuing. The financial statements have been prepared on a going concern basis. This may not be appropriate because at 31 July 2016 the company's current liabilities exceeded its current assets by £3,209 and total liabilities of the company were £5,757. The company is reliant upon the continued support of its directors, bank and creditors, but there is no evidence to suggest that this will not continue and that further funds will not be provided as necessary to enable the company to continue as a going concern.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.
