STATEMENT OF DIRECTORS' RESPONSIBILITIES

FOR THE PERIOD 1 September 1998 to 31 August 1999

Company law requires the Directors to prepare financial statements for each financial year, which give a true and fair view of the company's state of affairs at the end of the year and of its profit or loss for that year.

In preparing those financial statements the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to assume that the Company will continue in the business.

The Directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE PERIOD 1 September 19987 to 31 August 1999

1. Accounting Policies

Accounting basis

The financial statements are prepared under the historical cost convention.

Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off evenly the cost, less the estimated residual value, of each asset over its expected useful life as follows:-

Plant and Machinery - 20% on straight line basis
Office Equipment - 25% on straight line basis
Motor Vehicles - 25% on straight line basis

Stocks

The Company holds no stocks for resale and is unlikely to do so.

Hire Purchase and Leasing Contracts

Assets financed by hire purchase contracts and finance leases are capitalised. The obligation to make future repayments and rentals is recognised and included in creditors net of finance charges allocated to future periods.

Assets capitalised are depreciated in accordance with the policy explained above.

The finance charges relating to such contracts are charged in the profit and loss account as calculated using the sum of digits method. Rentals paid under operating leases are charged to the profit and loss account as incurred.
