**Strategic report
for the year ended 31 March 2018**

Principal activities

The principal activity of the Company is to run-out its remaining debtors and creditors at which point it will become a dormant company.

Strategy and outlook

We are focused on collection of outstanding debtors relating to an old overseas contract as has been proved successful in previous years.

Principal risks and uncertainties

The management of the business and the execution of the Company's strategy are subject to a number of risks. Prime amongst these relate to debt collection.

Key performance indicators ("KPIs")

The board monitors progress of the Company's strategy using KPIs measuring past performance and to provide information for future planning. These include:

Financial: Revenue, operating results and operating cash flow – these indicate the volume of work done in the period, its profitability and the efficiency with which operating profits have been translated into cash.

Commercial: Reviews by region of debt collection against forecast outturn and cash management.

For further information on KPIs of the wider group, please refer to the annual report of Biwater Holdings Limited, the ultimate parent undertaking.

Going concern

The Group now has work in hand of over £1.3 billion from signed contracts that pending financial close, will dramatically affect the financial results of the Group going forward and increase our capabilities and presence across our core territories. There may be a requirement for additional funding whilst we await financial close on these signed contracts and further details on this are set out in Note 1 to the financial statements.

Future developments

The Company will continue to run-out its remaining debtors.

The Company reports turnover for the period of £Nil (year ended 31 March 2017: £Nil) and a loss before taxation of £4,624 (year ended 31 March 2017: loss of £40,789).

A loss has been transferred to reserves of £4,624 (year ended 31 March 2016: loss of £40,789).

Trading performance

During the year the company continued to run-out its debtors and creditors.

Dividends

The directors do not recommend the payment of a dividend (2017: £Nil).

Directors

The directors who served throughout the year and up to the date of signing the financial statements were Sir Adrian White and Mr J S Lamb.

Directors' indemnities

The Company maintains liability insurance for its directors and officers. Following shareholder approval in July 2005, the Company has also provided an indemnity for its directors and secretary, which is a qualifying third party indemnity provision for the purposes of the Companies Act 2006.

Accounting reference date

The Company's accounting reference date is the 30th March. As permitted by Section 390A of the 2006 Companies Act, the Directors have drawn up their accounts to the 31st March.

Independent auditors

The auditors, BDO LLP, have indicated their willingness to continue in office.

Statement of directors' responsibilities in respect of the report and the financial statements

The directors are responsible for preparing the strategic report, the directors' and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

Directors' report
for the year ended 31 March 2018 (continued)

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Statement as to disclosure of information to the auditors

So far as each director is aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the Company's auditors are unaware and each director has taken all the steps that he ought to have taken in his duty as a director in order to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

**Independent auditor's report
for the year ended 31 March 2018**

INDEPENDENT AUDITOR'S REPORT TO MEMBERS OF BIWATER INDUSTRIES LIMITED

Opinion

We have audited the financial statements of Biwater Industries Limited ("the Company") for the year ended 31 March 2018 which comprise the profit and loss account and statement of comprehensive income, the balance sheet, the statement of changes in equity and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 *Reduced Disclosure Framework* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2018 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty related to going concern

As set out in note 1, the timing of financial close of a number of signed contracts and therefore the ability to draw down related contracted amounts is uncertain. If a number of significant receipts on these signed contracts are not achieved as forecast, the Group may require additional funding. The board are considering a number of funding options with various third parties and have signed heads of terms with a reputable lender for a credit approved £2.5 million banking facility. In addition, the board are considering other options which would bring additional funding into the Group. However, until these projects and funding options commence, there is a material uncertainty which may cast significant doubt over the Group's and Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the Strategic report and the Director's report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and Directors' report have been prepared in accordance with applicable legal requirements.

**Independent auditor's report
for the year ended 31 March 2018 (continued)**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report and Director's report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion;

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Directors

As explained more fully in the Statement of Directors Responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1 Accounting policies

Biwater Industries Limited is a company incorporated in England under The Companies Act. The address of the registered office is given on the contents page and the nature of the Company's operations and its principle activities are set out in the Strategic report.

Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standard 100 *Application of Financial Reporting Requirements* and Financial Reporting Standard 101 *Reduced Disclosure Framework*. The principal accounting policies adopted in the preparation of the financial statements are set out below. The policies have been consistently applied to all the years presented, unless otherwise stated.

The financial statements have been prepared on a historical cost and going concern basis as described in the directors' report and as referred to in note 2. The presentation currency used is sterling and amounts have been presented in pounds (£'s).

Disclosure exemptions adopted

In preparing these financial statements the Company has taken advantage of all disclosure exemptions conferred by FRS 101. Therefore these financial statements do not include:

- certain comparative information as otherwise required by EU endorsed IFRS;
- certain disclosures regarding the company's capital;
- a statement of cash flows;
- the effect of future accounting standards not yet adopted;
- the disclosure of the remuneration of key management personnel; and
- disclosure of related party transactions with other wholly owned members of the group headed by Biwater Holdings Limited.

The financial statements contain information about Biwater Industries Limited.

Judgements and key areas of estimation uncertainty

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires the Company's directors to exercise judgment in applying the Company's accounting policies. The areas where significant judgments and estimates have been made in preparing the financial statements and their effect are disclosed in note 2.

Going Concern

In determining the appropriate basis of preparation of these financial statements, the Directors are required to consider whether the Group and the Company can continue in operational existence for the foreseeable future.

Based on the latest trading expectations and associated cash flow forecasts of the Group headed by Biwater Holdings Limited, the Directors have considered the cash requirements of the Group and the Company and believe that the Group and the Company will be able to continue in operations and meet its liabilities as they fall due for at least the next twelve months following approval of these financial statements. As such the financial statements have been prepared on a going concern basis.

The Directors recognise that inherent within international contracting are uncertainties around the timing and receipt of significant contract sums. The Directors have forecast future expected receipts in respect of a number of signed international long-term contracts over the forecast period of 12 months from the date of signing these financial statements using their considerable experience of the industry; although the timing of financial close of these signed contracts and therefore the ability to draw down related contracted amounts is uncertain. If a number of significant receipts on these signed contracts are not achieved as forecast, the Group may require additional funding.

**Notes forming part of the financial statements
for the year ended 31 March 2018**

1 Accounting policies (continued)

Going Concern (continued)

The board and the main shareholder are well advanced and confident in discussions in respect of a number of funding options with various third parties and have signed heads of terms with a reputable lender for a credit approved £2.5 million banking facility. In addition, the board are considering other options which would bring additional funding into the Group. Conversely, until these projects and funding options commence, there is a material uncertainty which may cast significant doubt over the Group's and Company's ability to continue as a going concern. The financial statements do not include the adjustments that would result if the Group and Company was unable to continue as a going concern.

Foreign currency

Transactions entered into by the Company in a currency other than the currency of the primary economic environment in which it operates (the 'functional currency') are recorded at the rates ruling when the transactions occur. Foreign currency monetary assets and liabilities are translated at the rates ruling at the reporting date. Exchange differences arising on the retranslation of unsettled monetary assets and liabilities are recognised immediately in profit or loss.

Financial instruments

Financial assets and financial liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Financial assets

The Company's financial assets comprise:

- Trade debtors

Trade debtors do not carry interest and are stated at face value as reduced by appropriate allowances for estimated recoverable amounts.

Financial liabilities

The Company's financial liabilities comprise:

- Amounts owed to group undertakings

Amounts owed to group undertakings are payable on demand.

2 Critical accounting estimates and judgements

The Company makes certain estimates and assumptions regarding the future. Estimates and judgements are continually evaluated based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. In the future, actual experience may differ from these estimates and assumptions.

The estimates and assumptions that have significant risk of causing a material adjustment to the carrying amount of the assets and liabilities within the next financial year is discussed below. In terms of the going concern the Company has reviewed its cash requirements and in conjunction with the Biwater Group cash position it is considered that the company has sufficient funds available to it for at least 12 months from the date of signing the financial statements.

**Notes forming part of the financial statements
