Report of the Council of Management

The Council of Management, who are trustees for the purpose of charity law, and directors for the purpose of Company law, present their report and the accounts for the year ended 31 December 2002.

The Barrow & Districts Society for the Blind Limited is a charitable Company limited by guarantee and a registered charity governed by its Memorandum and Articles of Association. Charity number 1051674 and Company number 3133015.

Council of Management's Responsibility for the Financial Statements

Company law requires the Council of Management, as directors, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Council of Management are required to:

- · select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue to operate;

The Council of Management, as directors, are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985 and the Statement of Recommended Practice, Accounting by Charities. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Council of Management

The Company's board of directors is known as the Council of Management. As set out in the Articles of Association, the Council shall have power at any time to appoint any person to be a member of the Council up to the maximum number fixed in the Articles. Any member of the Council so appointed shall hold office only until the next following AGM and shall then be eligible for re-election but shall not be taken into account in determining the members of the Council who are to retire by rotation at such meeting. The Council's members are as follows:

Mrs M Bargh
Mrs B M Crellin
Mrs N Geere
Mr G M James
Mrs M Noall
Mr W D Noall DFM, FRICS (Ret)
Mrs A C Parkinson

Mr J A Quinn
Mr J M Rennie
Mrs D Rowley
Mrs P J M Smith
Mr A S Todd FCIB
Mrs H Tyson MBE
Mr G E Hartshorn (appointed 25 October 2002, died January 2003)
Mr G Postlethwaite (appointed 28 February 2003)

Company objectives

The object of the Company is the provision of high quality services and support to the Registered Blind and Partially Sighted in Barrow in Furness and the surrounding districts To achieve this the Company has four well defined areas of operation, fundraising, the retail shop, residential care and social work support.

(A company limited by guarantee)

Report of the Council of Management

The Society has been tending to the needs of the Blind and Partially Sighted throughout Furness and South Lakeland since its inception in 1923.

A five year expansion and programme of improvements at Ostley House was completed in early 2002 with the formal opening of The Nan Tait Suite, together with the new reception and reconfiguration of the drive. The benefits are apparent for all to see. No further large scale programme of capital expenditure has been approved.

Our residential home is registered to accommodate 38 and has facilities for day and respite care. The Society would wish to maintain high quality accommodation and keep the staff to residents' ratio at an above average level, thus ensuring the continuation of a first class service.

All five bungalows in Ostley Gardens, our sheltered accommodation, are occupied providing a safe environment for the tenants within the grounds of Ostley House.

In Barrow and Millom we operate Social Clubs and in Barrow and Ulverston the Society runs Craft Classes. Social outings are a popular feature of the Society's activities.

Our retail shop in Barrow is the hub of our activities. It is from here that we produce our fortnightly talking newspaper, producing 220 compact cassette recordings per issue in our studio. The shop is an important part of our fundraising and is the point of contact for the Society.

Our fundraising activities are legendary and besides flag days and envelope collections we promote shows starring such acts as Andy Prior, BBC Big Band, Black Dyke Band and Brighouse & Rastrick Band.

We are agents for the Talking Book Service and the Wireless for the Blind Fund which provides, on free loan, a radio set for those who have lost their sight.

Finally and most importantly our Social Work Team are there to help and support any of the 650 Blind and Partially Sighted people who require help with daily living skills such as form filling, supply of aids and apparatus and teaching Braille for those who request it. This is an area of activity that will be expanded as and when surplus funds become available.

Developments, Activities and Achievements During the Year

All aspects of the Company (organisation) have been inspected by the Charity Commission and the National Care Standards Commission on separate visits made in September. We were complimented on the level of service provided, however their comments have resulted in a full appraisal and documentation of policies and procedures. This work will be completed by June 2003. Documents prepared include:

An updated Business Plan
Policy on Financial Management and Internal Controls
A comprehensive Employee Guide
Terms of Reference for all management committees.

A major review was undertaken of staff sick pay and pension schemes. New provisions were implemented in the Autumn of 2002.

(A company limited by guarantee)

Report of the Council of Management

In November 2002 Mrs M A Taylor retired as Manager of Ostley House. The retirement enabled us to restructure and strengthen the management team.

The level of service provided by our Social Work Team has been improved with the introduction of a monthly meeting in Grange over Sands. All other activities have been maintained.

We have continued to raise funds through the promotion of shows at the Coronation Hall and Forum 28. All our traditional sources of income have continued showing a welcome increase following the Foot and mouth epidemic in 2001.

Financial Activities and Affairs

The Company generated a surplus of £105,826 during the year before a diminution in value of freehold buildings of £278,272 which produced an overall deficit of £172,446. The Company's assets are adequate and available to fulfil the obligations of the Company.

Fixed Assets

Significant changes in fixed assets are set out in note 17 to the accounts.

The Council of Management have conducted an impairment review in respect of its freehold property on the basis of professional advice received from an independent valuer Howard Whitaker FRICS. The property has been written down in the accounts by £278,272.

Movements in investments are disclosed in note 18 to the accounts.

Investment Policy

The Council of Management has considered the most appropriate policy for investing funds and has found that the continued use of short term deposits and income from investments donated to the Company now requires a degree of modification.

Following the addition of a formal investment policy, the Company appointed Benson McGarvey Limited as Independent Financial Advisers and Gerrard Limited as Fund Managers as at 1 January 2001.

A proportion of the Company's short term funds has been placed under management in order to maximise the return that can be achieved whilst remaining within the boundaries as stipulated for the investment of funds on behalf of a charitable Company.

Reserves Policy

As at 1 September 2000 the Society had free reserves of approximately £450,000 invested in bank accounts and short term deposits.

Taking into account cash flow trends and known capital expenditure projects, the trustees and directors estimated £250,000 cash plus stocks and shares held by the Society could be transferred to a Discretionary Investment Managed Fund with Gerrard Limited as the Fund Manager. This resulted in a fund value in excess of £350,000, leaving instant or short term access to cash of £150,000.

The Society's business plan for 2001/2004 attached a cash projection to all projects identified at that time and the trustees and directors were of the opinion that cash deposits of between £100,000 and £150,000 would sustain day to day Society operations, leaving a realistic contingency margin.

(A company limited by guarantee)

Report of the Council of Management

The Society's investment policy to generate minimum income and maximum growth during the first five years with funds under management demands a minimum of £100,000 cash to be available. This will cover seasonal cash flow variations, the financing of small capital expenditure projects and repairs/renewals policy.

The Society's 2003 Cash and Reserves Position

During the year 2003 trustees and directors forecast a net income in excess of £50,000. Net current assets as at 31 December 2002 were £160,839 that included cash of £132,701.

Expenditure outlined in our 2003/2005 business plan is at a level that can be sustained out of cash reserves and ongoing income generation.

The trustees and directors are of the opinion that there are sufficient free reserves available for the year and do not anticipate disturbing funds under management.

Grants Payable Policy

Grants payable by the Company are paid on a non-selective basis to all clients registered with the Company as funds of the Company allow. In addition requests are considered on the basis of special needs.

Risk Management

The Council of Management has conducted its own review of the major risks to which the Company is exposed and systems have been established to mitigate those risks. The Company has a register with all identified risks which is regularly monitored and assessed to evaluate identified risks and identify new risks. An overall policy document is in the process of being prepared.

Future Strategy

Following the final phase of building work at Ostley House there will be a period of relative consolidation.

Surplus funds will continue to be used to help improve standards of care and service provided to Registered Blind and Partially Sighted people throughout Furness and South Lakeland.

Connected Charities and Branches

There were no connected charities or branches during the year ended 31 December 2002.

Auditors

A resolution to re-appoint the Company's auditors, R F Miller & Co, will be proposed at the Annual General Meeting.

Approved by the Council of Management on 29 August 2003 and signed on their behalf by:

Mr W D Noall DFM, FRICS (Ret)

Chairman

Independent Auditors Report to the trustees of

The Barrow & Districts Society for the Blind Limited (A company limited by guarantee)

We have audited the financial statements of the Barrow & Districts Society for the Blind Limited for the year ended 31 December 2002 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. These financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Council of Management's Responsibility for the financial statements the Council, who are also the directors of the Barrow & Districts Society for the Blind Limited for the purposes of company law, are responsible for the preparation of financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Report of the Council of Management is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We have read the Report of the Council of Management and considered its implications for our report. We are not aware of any apparent misstatements within it.

Basis of opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charitable company's circumstances, consistently applied and adequately disclosed.

Independent Auditors Report to the trustees of

The Barrow & Districts Society for the Blind Limited (A company limited by guarantee)

We planned and performed our audit so as to obtain all information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the charitable company's state of affairs as at 31 December 2002, and of its outgoing resources and application of resources, including its income and expenditure, in the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the Accounts

for the year ended 31 December 2002

1. Accounting Policies

Status

The company was incorporated on 1 December 1995 and received charitable status in December 1995. The company is limited by the guarantee of its members. At 31 December 2002 there were 14 members. The liability of each member in the event of the company being wound up is restricted to £1.

Basis of Accounting

The statement of accounts have been prepared under the historical cost convention as modified by the inclusion of fixed asset investments at market value and in accordance with the provisions of the Companies Act 1985. In preparing the financial statements the company follows best practice as laid down in the Statement of Recommended Practice "Accounting and Reporting by Charities" (SORP 2000) issued in October 2000.

Income

Donations and legacies are accounted for when received by the company. Other income is accounted for on an accruals basis as far as it is prudent to do so. Income includes income tax recoverable.

Expenditure

Expenditure is accounted for on an accruals basis and allocated to the various expense headings. Part of the Management and Administration costs are apportioned to the Shop and the House using the percentages of 20% to the Shop and 40% to the House.

Gifts in Kind

The company receives the benefit of work carried out by volunteers, and receives the use of facilities and equipment without charge.

Grants

Revenue grants are credited to the income and expenditure account as received, unless related to a specific period, when it is placed in a restricted fund until used. Grants for capital expenditure are recognised in full in the SOFA when receivable in accordance with the SORP. The grant is placed in a reserve with a transfer made on an annual basis equal to that of the depreciation on the capital item acquired.

Grants payable are made on an annual basis and are allocated to the income and expenditure account in the period to which the expenditure relates.

Tayation

As a registered charity the company benefits from rates relief and is generally exempt from corporation tax and capital gains tax, but not from VAT. Irrecoverable VAT is included in the cost of those items to which it relates.

Notes to the Accounts

for the year ended 31 December 2002

1. **Accounting Policies (Continued)**

Investments

Investments are stated at market value. Market value is the mid market price on the balance sheet date. Realised and unrealised gains and losses are taken to the income and expenditure account. Investment income has been taken into account on the basis of the due date of payment.

Depreciation

Depreciation of tangible fixed assets is provided at the following annual rates in order to write off each asset over its estimated useful life:

Fixtures, fittings and equipment 15-25% reducing balance

Where donations are received for specific equipment, the donation is included in income and depreciation is charged on the full amount.

No depreciation is provided on freehold land & buildings as in the opinion of the Council of Management the property is maintained in such a manner that its estimated residual value exceeds cost. An impairment review in accordance with FRS11 is carried out to ensure that the net realisable of the property is not lower than its carrying value.

Stocks

Stocks consist of provisions at Ostley House and gifts and crafts sold at the shop held for resale and are shown at the lower of cost and net realisable value after making due allowance for obsolete and slow moving items.

Capital Commitments

Commitments are disclosed where they are authorised by the year end date. The amount stated is to be financed through the use of general funds already held.

Pension Schemes

Retirement benefits to the employees of Barrow & Districts Society for the Blind Limited are provided by the Local Government Pension Scheme (LGPS). This is a defined benefit scheme and is externally funded. Contributions to the schemes are charged to the income and expenditure account in accordance with contributions due. The contributions are determined by qualified actuaries. This scheme ceased for new employees as of 1 November 2002. A group defined contribution pension scheme is now available to both new employees and existing employees not in the defined benefit scheme.

2. **Connected Charities and Branches**

There were no connected charities or branches during the year ended 31 December 2002.

Transactions with Trustees and Other Connected Persons 3.

There were no transactions with trustees or other connected persons during the year ended 31 December 2002, other than those disclosed in Note 19.

15. Diminution of Ostley House, Ostley Gardens and Cavendish Street

As stated in the accounting policy an impairment review was carried out in accordance with FRS11. A valuation was carried out in July 2003 by an independent valuer Howard M Whitaker, FRICS, and was based on the present open market value of the various properties.

Because of inherent uncertaintaies in valuing properties such as a residential home, Mr Whitaker has provided a range of values for Ostley House. The diminution in value reflects the mid point of his valuation. The charge in the accounts is £278,272 (2001 £Nil).

23. Pension Costs

Periodically, an actuary, using normal actuarial principles, conducts an actuarial review of the fund. The aim of the review is to specify the level of future contributions. Contributions are assessed in two parts. Firstly, a normal contribution is determined. This is the contribution, expressed as a percentage of the salary of a new staff member entering service, which would defray the cost of benefits payable in respect of that service. Currently, all staff pay six percent, whilst their employers pay the balance of the normal contribution. Secondly, a supplementary contribution is payable by employers if, as a result of the actuarial investigation, it is found that the accumulated liabilities of the account for benefits to past and present staff are not fully covered by normal contributions to be paid in and by the fund built up from past contributions. The current rate of the employer's contributions for Barrow & Districts Society for the Blind Limited is 13.4% of salary

The latest valuation of the Cumbria County Council Pension Fund was for the period 1 April 1998 to 31 March 2001 and disclosed that the fund's assets stood at £761 million and covered 94% of the total liabilities in line with Government requirements. Funding levels have been adjusted to aim towards 100% funding.

With effect from 1 November 2002 the scheme has been closed to new employees.

A new group defined contribution scheme is now available. There are currently no members.
