CURTIS MEDICAL INVESTMENTS LIMITED

INDEPENDENT AUDITOR'S REPORT TO CURTIS MEDICAL INVESTMENTS LIMITED

UNDER SECTION 449 OF THE COMPANIES ACT 2006

We have examined the abbreviated accounts which comprise the Balance Sheet and the related notes, together with the accounts of Curtis Medical Investments Limited for the year ended 31st December 2010 prepared under Section 396 of the Companies Act 2006

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company for our work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITOR

The directors are responsible for preparing the abbreviated accounts in accordance with Section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

BASIS OF OPINION

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

OPINION

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the regulations made under that section.

CURTIS MEDICAL INVESTMENTS LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 31st DECEMBER 2010

1. ACCOUNTING POLICIES

Basis of accounting

The accounts have been prepared under the historical cost convention, modified to include the revaluation of certain fixed assets, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Compliance with SSAP 19 "Accounting for Investment Properties" requires a departure from the requirement of The Small Companies and Groups (Accounts and Directors' Report) Regulations 2008, relating to depreciation and amortisation and an explanation of this departure is given in the Investment Properties policy below

Turnover

Turnover represents the rents of properties and recharged expenses which are included on an accruals basis excluding value added tax on properties where option to tax has been granted by H M Revenue & Customs

Depreciation

Depreciation is calculated so as to write off the cost of an asset over the useful economic life of that asset as follows

Furniture, Fixtures and Fittings	- Over 5 years
Office Equipment	- Over 5 years

No depreciation is provided in the year of purchase with a full years charge in the year of disposal

Included in furniture, fixtures and fittings are four paintings which, in the opinion of the directors, are not depreciating assets

Investment properties

Investment properties are shown at their open market value. The surplus or deficit arising from the annual revaluation is transferred to the investment revaluation reserve unless a deficit, or its reversal, on an individual investment property is expected to be permanent, in which case it is recognised in the profit and loss account for the year

This is in accordance with the FRSSE which, unlike The Small Companies and Groups (Accounts and Directors' Report) Regulations 2008, does not require depreciation of investment properties. Investment properties are held for their investment potential and not for use by the company and so their current value is of prime importance. The departure from the provisions of the Act is required in order to give a true and fair view

Operating lease agreements

Payments made under operating leases are charged to the Profit and Loss Account on a straight line basis over the lease term

1. ACCOUNTING POLICIES *(continued)*

Deferred taxation

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different to those in which they are included in the company's accounts

Deferred tax is provided in full on timing differences which result in an obligation to pay more or (less) tax at a future date, using the tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws

No provision has been made for taxation which might arise on the disposal of the company's freehold investment properties or fixed asset investments at the market value at the balance sheet date

The deferred tax charge has not been discounted

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities

Income from investments

Investment income comprises dividends declared during the accounting period on listed and unlisted investments

Fixed asset investments

Fixed asset investments are stated at cost unless, in the opinion of the directors, there has been a permanent diminution in value, in which case an appropriate adjustment is made
