Statement of accounting policies

The following accounting policies have been applied consistently in the company's financial statements.

Basis of preparation

The company is a private limited company, incorporated and domiciled in the United Kingdom.

The financial statements are presented in sterling. They are prepared on a going concern basis and under the historical cost convention. The principal accounting policies applied in the preparation of these financial statements are set out below, and, unless otherwise stated, these policies have been consistently applied to all the periods presented.

These financial statements have been prepared in accordance with United Kingdom Accounting Standards, in particular, Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (FRS 102) and, the Companies Act 2006 (the Act).

The principle disclosure exemptions adopted by the company in accordance with FRS 102 are as follows:

- Statement of cash flows;
- Certain financial instrument disclosures;
- Disclosure of key management personnel compensation;
- Disclosures in respect of related party transactions entered into between fellow group companies (the company has no other related party transactions); and
- Roll-forward reconciliations in respect of share capital.

The preparation of financial statements in conformity with FRS 102 requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates.
