NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS

1 ACCOUNTING POLICIES

The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities. A summary of the more important accounting policies is set out below -

a) Accounting Convention

The Financial Statements have been prepared using the historical cost convention

b) Foreign Currency Translation

Issued share capital is translated into Italian Lira at the rate of exchange ruling on the date of issue

All other assets and liabilities denominated in foreign currencies are translated into Italian Lira at the rate of exchange ruling on the balance sheet date

Income received and expenditure incurred in foreign currencies is translated into Italian Lira at the rate of exchange ruling on the date the transaction took place

c) Investment

The investment is stated at cost. No consolidated financial statements have been prepared as to do so would cause undue cost and delay and would be of no material value to the members of the company

d) Group financial statements

The financial statements present information about the company as an individual undertaking and not about its group. In the director's opinion the company can take advantage of the exemptions relating to small and medium sized groups, provided by section 248 of the Companies Act 1985, not to prepare group financial statements

e) Going Concern

The financial statements have been prepared on a going concern basis subject to the continuing support of the loan creditor
