In preparing these financial statements, the Directors are required to:

Tesco International Services Limited is incorporated and domiciled in the United Kingdom and registered in England and Wales.

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (“FRS 101”) and incorporating the amendments to Company law made by The Companies, Partnerships and Groups (Accounts and Reports) Regulations 2015 prior to their mandatory effective date of accounting periods beginning on or after 1 January 2016.

The Directors have taken advantage of the exemption under section 400 of the Companies Act 2006 not to prepare consolidated financial statements as it is a wholly owned subsidiary of Tesco PLC. The results of the Company are included in the consolidated financial statements of Tesco PLC which are available from Tesco House, Shire Park, Kestrel Way, Welwyn Garden City, AL7 1GA, United Kingdom.

2. ACCOUNTING POLICIES

Basis of preparation

These financial statements have been prepared in accordance with Financial Reporting Standard 101, *Reduced Disclosure Framework* (FRS 101) and the Companies Act 2006 (the Act). FRS 101 sets out a reduced disclosure framework for a ‘qualifying entity’ as defined in the standard which addresses the financial reporting requirements and disclosure exemptions in the individual financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of EU-adopted IFRS.

The Company is a qualifying entity for the purposes of FRS 101. Note 1 gives details of the Company’s parent and from where its consolidated financial statements prepared in accordance with IFRS may be obtained.

The disclosure exemptions adopted by the Company in accordance with FRS 101 are as follows:

- The requirements of paragraphs 10(d), 10(f), 39(c) and 134-136 of IAS1 Presentation of financial statements;
- The requirements of IAS 7 Statement of Cash Flows;
- The requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member;
- The requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors.

These financial statements are prepared on the going concern basis, under the historical cost convention and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom.

The principal accounting policies adopted by the Company are set out below. These policies have been consistently applied to all periods presented unless otherwise stated.

Receivables

Receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

Payables
