- 1 Members of the company with at least 10% of the total voting rights of all the members having the right to vote at general meetings of the company, or any member with the permission of the court, may apply to the court for one or more of the orders in paragraph 6 on the grounds that
  - (a) the remuneration charged by the liquidator,
  - (b) the basis fixed for the liquidator's remuneration under Rule 4 148A, or
  - (c) expenses incurred by the liquidator,is or are, in all the circumstances, excessive or, in the case of an application under sub-paragraph (b), inappropriate
- 2 An application must be made no later than 8 weeks (or 4 weeks when the liquidator has resigned in accordance with Rule 4 142) after receipt by the applicant of the report or account which first reports the charging of the remuneration or the incurring of the expenses in question ('the relevant report') The court may extend these periods as it see fit
- 3 The court may, if it thinks that no sufficient cause is shown for a reduction, dismiss the application, but it must not do so unless the applicant has had the opportunity to attend the court for a hearing of which the applicant has been given at least 5 business days' notice but which is without notice to any other party
- 4 If the application is not dismissed under paragraph 3, the court must fix a venue for it to be heard and give notice to the applicant accordingly
- 5 The applicant must at least 14 days before the hearing send to the liquidator a notice stating the venue and accompanied by a copy of the application and of any evidence which the applicant intends to adduce in support of it
- 6 If the court considers the application to be well-founded, it must make one or more of the following orders
  - (a) an order reducing the amount of remuneration which the liquidator was entitled to charge,
  - (b) an order fixing the basis of remuneration at a reduced rate or amount,
  - (c) an order changing the basis of remuneration,

- 7 Unless the court orders otherwise, the costs of the application must be paid by the applicant and are not payable as an expense of the liquidation
