**Dear Sirs** 

Aardvark Media Limited - In Administration ("the Company") Company Number: 03182500 High Court of Justice No. 6425 of 2013

Andrew Pear and Michael Solomons of BM Advisory of 82 St John Street, London, EC1M 4JN were appointed Joint Administrators of the Company on 30 September 2013, following an application by the director. The Notice of Appointment was filed in the High Court of Justice under reference number 6425 of 2013.

The Joint Administrators have exercised and will continue to exercise all of their functions jointly and severally as stated in the Notice of Appointment.

The purpose of this report is to seek an extension of the Administration for 26 months, in order to provide sufficient time to realise the outstanding deferred consideration and pay a distribution to the secured creditor. This report is also to provide creditors with an account of the progress of the Administration, for the period 30 March 2014 to 25 August 2014, in accordance with Rule 2.47 of the Insolvency Rules 1986 A copy of Form 2 24B is attached to this report.

This report should be read in conjunction with my earlier reports to creditors dated 7 October 2013, 22 November 2013 and 22 April 2014

#### STATUTORY INFORMATION

Attached at Appendix 1, is the statutory details of the Company as filed at Companies House.

#### **PROGRESS OF THE ADMINISTRATION**

The purpose of the Administration was to achieve a better result for the creditors as a whole than would be likely if the Company was placed directly into Liquidation. This has been achieved through the sale of the business and assets of the Company as a going concern which completed on 30 September 2013, for the sum of £130,000.

Under the terms of the Sale and Purchase Agreement, £15,000 was received upon completion of the sale, with the remaining balance payable on a deferred basis over three years with £2,500 payable per month for the first year, £3,750 per month for the second year and £3,333 per month for the third year

Restructuring and insolvency services are provided through BM Advisory LLP and our partners are licensed in the United Kingdom to act as insolvency practitioners by the Association of Chartered Certified Accountants. Partners and staff acting as administrators and administrative receivers act as agents of the company over which they are appointed and contract without personal liability. BM Advisory LLP is a limited liability partnership registered in England and Wales (number OC360944). Registered office 82 St John Street, London EC1M 4JN, England

Since the date of my last report, I have collected 3 months deferred consideration totalling £7,500, resulting in 7 months deferred consideration received in total. This has allowed for a distribution to the secured charge holder, HSBC Bank plc ("HSBC"), in the sum of £17,610. The purchaser is currently 3 months in arrears but has put forward a proposal to bring these payments up to date within the next 2 months and remain up to date for the remainder of the agreement.

#### JOINT ADMINISTRATORS' RECEIPTS AND PAYMENTS ACCOUNT

Attached at **Appendix 2**, is the Joint Administrators' Receipts and Payments Account, for the period 30 March 2014 to 25 August 2014, detailing a balance on hand of £1,273.

#### **LIABILITIES**

#### SECURED CREDITORS

HSBC holds a debenture created on 24 February 2013 and registered on 9 March 2013, incorporating fixed and floating charges over the undertaking and all property and assets, present and future of the Company

The amount owing to HSBC at the date of my appointment was £87,301. The sum of £17,610 has been paid to date and it is anticipated that the full amount will be settled, subject to the deferred consideration being paid in full.

#### PREFERENTIAL CREDITORS

Under the terms of the sale agreement, all employees of the Company were transferred to the purchaser under the Transfer of Undertakings (Protection of Employment) Regulations 2006

No other preferential claims have been received to date.

#### **UNSECURED CREDITORS**

### **Trade and Expense Creditors**

The Company's accounting records indicate that the Company has 25 trade and expense creditors totalling £74,379. To date, I have received claims of £12,558.

### **HM Revenue & Customs**

The Company's accounting records indicate that HMRC are owed a total of £170,435 in respect of unpaid PAYE/NIC contributions and £39,405 in respect of unpaid VAT HMRC has submitted a claim of £188,929.

#### **DIVIDEND PROSPECTS**

A dividend payment to unsecured creditors is unlikely in this matter due to insufficient asset realisations.

#### PRESCRIBED PART

The Prescribed Part Fund is created out of the Company's net floating charge property pursuant to Section 176A of the Act, as long as the floating charge was registered later than 15 September 2003

The Company granted a fixed and floating charge to HSBC Bank plc on 24 February 2000, being before the required date and as a result, the prescribed part provisions do not apply

#### JOINT ADMINISTRTORS' INVESTIGATIONS

Under the insolvency legislation, the Administrators have a duty to consider the conduct of those persons who have been directors of the Company, shadow directors or de facto directors at any time within three years preceding the Administration and consider whether any civil proceedings should be taken.

I undertook an initial investigation into the Company's affairs to establish whether there were any potential asset recoveries or conduct matters that justified further investigation, taking into account public interest and the potential recoveries and costs involved. I concluded that there were no matters that justified further investigation

Within six months of my appointment as Administrator, I was required to submit a confidential report to the Secretary of State to include any matters which came to my attention during the course of my work, which may have indicated that the conduct of any past or present director would make them unfit to be concerned with the management of the Company I confirm that my report was submitted

#### **PRE-ADMINISTRATION COSTS**

Pre-Administration costs are defined as the remuneration, charges and expenses incurred by the Administrator before the Company entered into Administration, but with a view to it doing so.

BM Advisory's pre-administration costs amount to £15,344, which remain outstanding These costs primarily relate to.

#### **BM ADVISORY**

#### STATEMENT OF POLICY ON FEES IN INSOLVENCY PROCEEDINGS

#### Introduction

This statement has been prepared in accordance with guidelines set out in Statement of Insolvency Practice 9 issued by the Association of Business Recovery Professionals (R3) as at 1 August 2005

The following information applies to all appointments of partners, directors, consultants or staff of BM Advisory, to act as any of the following -

Liquidator, Receiver, Administrator or Administrative Receiver of a Limited Company or Limited Liability Partnership Trustee in Bankruotcy

Supervisor of an Individual, Company or Partnership Voluntary Arrangement

Administrator under the Insolvent Estates Order

When acting as Nominee, the provisions of the Insolvency Act 1986 require that the amount of the fees payable to the Office Holder be specified within the Debtor's proposals. Such fees will nevertheless be fixed to take account of the Office Holder's expected time costs arising as referred to below

#### Policy on fees

Unless otherwise fixed in accordance with the Insolvency Act 1986, an Office Holder's fees are charged by reference to time costs, as incurred, charged at the firm's usual rates applicable at the time the work is carried out. Rates may be varied from time to time, at the sole discretion of BM Advisory, and such changes will be notified in retrospect with each report to Creditors. It is the policy of BM Advisory to use as junior grade of staff as compatible with the efficient conduct of the matter in order to ensure costs are kept to a minimum.

#### As at 1st March 2014 the rates applicable are

Grade	£
Partner 1	430
Partner 2	380
Associate Director	360
Senior Manager	340
Manager	310
Assistant Manager	285
Senior Administrator	240
Administrator 1	185
Administrator 2	155
Junior Administrator	125
Cashier	115
Support staff	85

Rates vary between individuals, reflecting experience and qualification. For certain more complex tasks, BM Advisory may seek to apply a higher rate in respect of work undertaken, but subject to prior authorisation in accordance with the Act

For further Information on the manner in which an Office Holder's fees may be fixed, please refer to the attached guidance notes in relation to fees

#### Disbursements

Disbursements are categorised as either Category 1 or Category 2

Category 1 expenses are directly referable to an invoice from a third party, which is either in the name of the case or BM Advisory, in the case of the latter, the invoice makes reference to, and therefore can be directly attributed to, the case. These disbursements are recoverable in full from the case without the prior approval of creditors either by a direct payment from the case or, where BM Advisory has made payment on behalf of the case, by a recharge of the amount invoiced by the third party. Examples of category 1 disbursements are statutory advertising, external meeting room hire, external storage and specific bond insurance.

Category 2 expenses are incurred by BM Advisory and recharged to the case, they are not attributed to the case by a third party invoice and/or they may include a profit element. These disbursements are recoverable in full from the case, subject to the basis of the disbursement charge being approved by creditors in advance. Examples of Category 2 disbursements are photocopying, internal room hire and internal storage.

It is proposed that the following Category 2 disbursements are recovered by BM Advisory

Meeting room hire	Up to £200
Creditor portal (per report)	£10
Postage	£0 44 - £1 24
Mileage (per mile)	£0 45
Photocopies (per sheet)	£0 15
Storage (per box per month)	£0 35

The costs recharged are based upon the actual cost of the materials used or the costs which would have been incurred if that service had been sourced externally
