### Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with IFRSs as adopted by the EU and applicable law.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether they have been prepared in accordance with IFRSs as adopted by the EU; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## NOTES TO THE ACCOUNTS

### 1 General information

Event Assured Limited (the Company) is a company registered in England and Wales under the Companies Act 2006. The address of the registered office is provided on the company information page and the nature of the company's operations and principal activities are included within the report of the Directors.

### 2 Significant accounting policies

#### 2.1 Statement of compliance

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) and interpretations issued by the International Accounting Standards Board (IASB), as adopted by the European Union (EU) and in accordance with the provisions of the Companies Act 2006.

Since 2002, the standards adopted by the IASB have been referred to as 'International Financial Reporting Standards' (IFRSs). The standards from prior years continue to bear the title 'International Accounting Standards' (IASs). Insofar as a particular standard is not explicitly referred to, the two terms are used in these financial statements synonymously.

#### 2.2 Basis of preparation

The financial statements are prepared in Sterling. They are compiled on a going concern basis and prepared on a historical cost basis. The balance sheet of the Company is presented in order of increasing liquidity.

After making enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. The Company's cash resources are managed on a Group basis. Working capital forecasts have been prepared for the Group up to 31 December 2022, which demonstrate that the Group has sufficient resources to continue in operational existence for the foreseeable future.

There are no standards or interpretations published but not yet effective that are considered to have a material impact on the financial statements.

#### 2.3 Use of critical estimates

The preparation of Financial Statements typically requires the use of significant estimates, judgements and assumptions. The Directors do not consider there to be any significant estimates, judgements and assumption in the financial statements.
