**NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 30 JUNE 2013**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of safety and protective clothing and associated safety products, net of value added tax. Turnover is recognised upon delivery of the products.

Goodwill and intangible assets

Goodwill, which represents the excess of cost of acquisitions of businesses over the value attributed to their net assets, is amortised through the profit and loss account by equal instalments over its estimated useful economic life of 20 years. Goodwill previously eliminated against reserves has not been reinstated and will only be charged to the profit and loss account on the subsequent disposal of any business to which it related.

Trade marks are amortised through the profit and loss account by equal instalments over their estimated useful economic life of 10 years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Leasehold improvements	- Straight line over 10 years
Equipment	- 25% on reducing balance
Fixtures and fittings	- 15% on reducing balance
Office equipment & furniture	- 15% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset.

Deferred tax assets and liabilities are not discounted.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at

the operating result.

Property partnership investment

Amounts in Property Partnership Investment are valued at cost less amounts written off in respect of a permanent diminution in value.
