**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017**

**1. STATUTORY INFORMATION**

Safety First Manufacturing Company Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

**2. STATEMENT OF COMPLIANCE**

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

**3. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements have been prepared under the historical cost convention.

These financial statements for the year ended 30 June 2017 are the first financial statements that comply with Financial Reporting Standard 102 Section 1A "Small Entities". The date of transition is 1 July 2016.

The transition to Financial Reporting Standard 102 Section 1A "Small entities" has not resulted in changes to any of the accounting policies in place.

There is no impact on opening equity or profit for the comparative period.

**Turnover**

Turnover represents invoiced sales of safety and protective clothing and associated safety products, net of value added tax. Turnover is recognised upon delivery of the products.

**Goodwill and intangible assets**

Goodwill, which represents the excess of cost of acquisitions of businesses over the value attributed to their net assets, is amortised through the profit and loss account by equal instalments over its estimated useful economic life of 5 years. Goodwill previously eliminated against reserves has not been reinstated and will only be charged to the profit and loss account on the subsequent disposal of any business to which it related.

The useful economic life has been re-amended from 20 years to 5 years and amortisation will be charged on a straight line basis on its brought forward balance over its useful economic life of 5 years.

Trade marks are amortised through the profit and loss account by equal instalments over their estimated useful economic life of 10 years.

**Intangible assets**

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Trademark are being amortised evenly over their estimated useful life of nil years.

Website is being amortised evenly over its estimated useful life of nil years.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Leasehold improvements	- Straight line over 10 years
Equipment	- 25% on reducing balance
Fixtures and fittings	- 15% on reducing balance
Office equipment & furniture	- 15% on reducing balance

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**NOTES TO THE FINANCIAL STATEMENTS - continued  
FOR THE YEAR ENDED 30 JUNE 2017**

**3. ACCOUNTING POLICIES - continued**

**Debtors**

Short term debtors are measured at transaction price, less any impairment.

**Creditors**

Short term creditors are measured at the transaction price.

**Taxation**

Current tax is recognised for the amount of income tax payable in respect of the taxable profit for the current or past reporting periods using the tax rates and laws that have been enacted or substantively enacted by the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date, except as otherwise indicated.

Deferred tax assets are only recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. If and when all conditions for retaining tax allowances for the cost of a fixed asset have been met, the deferred tax is reversed.

Deferred tax is calculated using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

The tax expense (income) is presented either in profit or loss, other comprehensive income or equity depending on the transaction that resulted in the tax expense (income).

**Foreign currencies**

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

**Property partnership investment**

Amounts in Property Partnership Investment are valued at cost less amounts written off in respect of a permanent diminution in value.

**Contributions to pension funds**

The company operates a defined contribution pension scheme. The amount charged to the profit and loss account in respect of pension costs is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

**Government grants**

Revenue based grants are included in other income for the period to which they relate.

**4. EMPLOYEES AND DIRECTORS**

The average number of employees during the year was 18 .
