#### 3 SUMMARY OF ADMINISTRATORS' PROPOSALS

- The Joint Administrators' proposals for the Company, which were circulated to the creditors on 29 April 2010, and subsequently approved, are summarised below
  - The Joint Administrators will pursue the objective of achieving a better result for the Company's creditors as a whole than would be likely if the Company were wound up
  - This objective will be achieved by the Joint Administrators continuing to manage the business of the Company whilst seeking to realise the Company's freehold and leasehold property interests
  - With the exception of the winding up petition, which by virtue of the Administration order has now been suspended during the course of the Administration, I am not aware of any other proceedings having been brought against the Company. However, if any such proceedings come to light I will continue the Company's defence to these proceedings, so far as I believe appropriate, bearing in mind the objective of selling the Company's assets and mindful of the need to balance the costs of continuing the defence as against the potential detriment to creditors of abandoning the defence if it appears that funds may be available to the creditors following the conclusion of the Administration.
  - It is proposed that the Administration will end by the Company going into creditors voluntary liquidation, or if there are no monies available for unsecured creditors, by the dissolution of the company. If the Company is placed into creditors voluntary liquidation

it is proposed that the Administrators in office at that date will be appointed Liquidators, any act in the liquidation to be done by any one or more of the liquidators. However, creditors may nominate a different liquidator or liquidators if nomination to that effect is received before the approval of these proposals.

#### 4 ASSETS AND LIABILITIES

- 4.1 The Company's assets comprise four freehold properties and one leasehold property. The Bank holds fixed charge security over all of these properties
- 4 2 Appendix 1 shows the receipts and payments account covering the period 8 March 2010 to 7 March 2012
- 4.3 Current valuations indicate that it is unlikely that the Bank's debt will be discharged in full Therefore I do not anticipate that there will be funds available for the unsecured creditors in this case
- 4.4 Given that floating charge realisations in this case are likely to be negligible I do not anticipate that there will be a prescribed part carve out for unsecured creditors

#### 5 CONDUCT OF THE ADMINISTRATION

- 5 1 On 23 September 2011, we sold the freehold property, the Pink Geranium, and it's adjacent land with sales proceeds totalling £540,000
- 5 2 On 23 September 2011, we also sold the freehold property at 3a The Parade with sales proceeds totalling £100,000
- Prior to the above sales completing we collected some limited rental income from leasehold tenants. Rental income totalled £18,646. I do not anticipate further rental income
- 5.4 With regard to the properties that are yet to be realised, I have the following updates

### 404/406 North End Road, Fulham - Freehold Property

- As previously reported, following my appointment the tenants of the commercial premises Kiwi Kitchens ceased to trade and we have completed a mutual surrender of the lease from the tenant. We continue to collect ground rent for the leasehold flats. To date, £450,000 has been received in respect of ground rent on the 6 leasehold flats.
- We have instructed our agents Fleurets to market the site. There have been some expressions of interest, most notably, we recently received an offer from a third party. Subsequent to this offer we were obliged to serve notices pursuant to S5A of the Landlord and Tenant Act 1987, giving the tenants the option of buying the freehold as they possessed long term leases, before any sale to a third party can be progressed. Subsequent to this, the potential purchaser reduced the initial offer to one that was regarded as too low by the Bank. We have since received a further offer and this is currently being considered.

## 37 to 39 Station Road, Melborne, South Cambridgeshire - Leasehold property

- 5 7 We hold the leasehold interest in this site, which is sub-let to a third party
- We have instructed Savills as agents to market this site. We have received an offer for the leasehold, which we have accepted, in principle and are seeking to progress a sale.

#### 6 ADMINISTRATORS' REMUNERATION AND DISBURSEMENTS

- 61 Our fees for acting as Joint Administrators have been fixed by reference to our time costs. The time costs for this Administration for the period from 8 March 2010 to 7 March 2012 are £186,052 18 representing 710 hours at an average of £262 per hour. Category 2 disbursements incurred in this period total £396 87
- 62 Following approval of our remuneration from the fixed charge holder, £50,000 have been paid to date in respect of Joint Administrators fees and £393 12 have been paid with regard to disbursements
- 6.3 Should you have any queries please do not hesitate to contact my colleague Tom Walls on 020 7865 2811

Yours faithfully

for and on behalf of Castleway Ventures Limited

David Dunckley

Joint Administrator,

The affairs, business and property of Castleway Ventures Limited are being managed by David Dunckley and Ian Carr, appointed as joint administrators of the Company on 8 March 2010
