STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

We have audited the financial statements of ABB Combined Heat and Power Limited for the year ended 31 December 2015 which comprise the Statement of Profit and Loss, Statement of Other Comprehensive Income, the Statement of Changes in Equity, the Balance Sheet, and the related notes 1 to 16. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 101 "Reduced Disclosure Framework".

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Reports and Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2015 and of its profit for the year then ended;

- have been prepared in accordance with the requirements of the Companies Act 2006.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

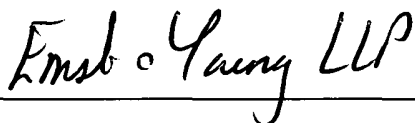

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Directors' Report has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have identified no material misstatements in the Directors' Report

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption in not preparing a Strategic Report and take advantage of the small companies' exemption in preparing the Director's Report

**NOTES TO THE FINANCIAL STATEMENTS
at 31 December 2015****1. AUTHORISATION OF FINANCIAL STATEMENTS AND STATEMENT OF COMPLIANCE WITH FRS 101**

The financial statements have been prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS101) and in accordance with applicable UK accounting standards.

The company's financial statements are presented in sterling.

The financial statements were approved for issue by the Board of Directors on 5 July 2016.

2. ACCOUNTING POLICIES**2.1 Basis of preparation**

The company transitioned from previously extant UK GAAP to FRS 101 for all periods presented.

There were no adjustments on transition.

The company has early adopted the provisions of SI 2015/ 980 in preparing its financial statements in accordance with FRS 101 Reduced Disclosure Framework.

The accounting policies which follow set out those policies which apply in preparing the financial statements for the year ended 31 December 2015.

The Company has taken advantage of the following disclosure exemptions under FRS 101, as the results are included in the consolidated accounts of ABB Ltd:

- (a) the requirements of paragraphs 6 and 21 of IFRS 1;
- (b) the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
 - (i) paragraph 79(a)(iv) of IAS 1;
- (c) the requirements of paragraphs 10(d), 10(f), 16, 38(a) - 38(d), 40(a) – 40(d), 111 and 134-136 of IAS 1 Presentation of Financial Statements;

NOTES TO THE FINANCIAL STATEMENTS
at 31 December 2015**2. ACCOUNTING POLICIES (continued)****2.2 Judgements and key sources of estimation uncertainty**

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

There were no judgements (apart from those involving estimates) that had a significant effect on amounts recognised in the financial statements.

2.3 Significant accounting policies***Revenue recognition***

Revenue is recognised on service agreements as it is invoiced.

Interest income

Revenue is recognised as interest accrues.

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.

Operating leases

Rentals paid under operating leases are charged to income on a straight line basis over the term of the lease.

Pensions

Pensions benefits are provided by a Group defined benefit scheme. Contributions to the scheme are charged to the profit and loss account as they are incurred, based on pensions costs across the Group as a whole.

Provisions

A provision is recognised when the Company has a legal or constructive obligation as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligations, and a reliable estimate can be made of the amount of the obligation. If the effect is material, expected future cash flows are discounted using a current pre-tax rate, that reflects, where appropriate, the risks specific to the liability.

NOTES TO THE FINANCIAL STATEMENTS

Turnover represents the amount derived from the provision of goods and services which fall within the company's ordinary activities stated net of value added tax. All turnover originates in the UK.
