ANNUAL REPORT AND
FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2015

AVIS EUROPE INVESTMENTS LIMITED

STRATEGIC REPORT

The Directors present their Strategic Report for the Company for the year ended 31 December 2015.

Strategic Review and Future Developments

The Company is an intermediate holding company of the Avis Budget Group, Inc. group of companies.

The Company has continued to perform as expected throughout the year and has made a loss after taxation in the year of £50,125,000 (2014: £76,700,000). The Directors expect the Company to continue to transact business as an intermediate holding company in the coming year. The position of the Company at the year end is set out in the balance sheet and related notes on pages 6 to 15.

Given the straightforward nature of the business, the Directors are of the opinion that analysis using other key performance indicators is not required in order to understand the development, performance or position of the business.

Financial Risk Management Objectives and Policies

The Directors consider that there is limited exposure to financial risk, as the majority of the Company's financial exposure is to other companies in the Avis Budget EMEA Limited group. As such the Directors have not implemented a policy for the Company. Instead, the Company's financial risk management objectives and policies are aligned to those of the Avis Budget Group, Inc. group of companies, which are as disclosed in the consolidated financial statements of Avis Budget Group, Inc.

AVIS EUROPE INVESTMENTS LIMITED

DIRECTORS' REPORT

The Directors present their report and the audited Financial Statements of the Company for the year ended 31 December 2015.

Results and Dividends

The Company made a loss after taxation in the year of £50,125,000 (2014: £76,700,000). No interim dividend was paid during the year (2014: nil). The Directors do not recommend the payment of a final dividend (2014: nil).

Going Concern

The Directors expect the Company to continue to transact business as an intermediate holding company in the coming year. The Directors continue to adopt the going concern basis in preparing the Financial Statements. Further details regarding the adoption of the going concern basis can be found in the Statement of accounting policies in Note 3 of the Financial Statements.

Payments to Creditors

It is the Company's practice to agree terms of payment at the start of business with each supplier, to ensure that suppliers are aware of the terms of payment, and to pay in accordance with contractual and other legal obligations. The Company had no trade creditors at 31 December 2015 (2014: nil).

Directors

The Directors of the Company during the year and up to the date of signing the Financial Statements are set out below:

P L Ford (appointed 30 April 2015)
J E Spiers
J C G Turner (resigned 30 April 2015)

Directors' Responsibilities Statement

The Directors are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare Financial Statements for each financial year. Under that law the Directors have elected to prepare the Financial Statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these Financial Statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DIRECTORS' REPORT (continued)

Statement of Disclosure of Information to Auditor

Each of the persons who is a Director at the date of approval of this report confirms that:

- so far as the Director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- each Director has taken all the steps that ought to have been taken as Director in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006.

Auditor

Deloitte LLP will continue in office as permitted by Section 487 of the Companies Act 2006.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AVIS EUROPE INVESTMENTS LIMITED

We have audited the Financial Statements of Avis Europe Investments Limited for the year ended 31 December 2015 which comprise the statement of comprehensive income, the balance sheet, the statement of changes in equity and the related Notes on pages 8 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS102, The Financial Reporting Standard applicable in the UK and Republic of Ireland.

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the Directors are responsible for the preparation of the Financial Statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the Financial Statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the Financial Statements sufficient to give reasonable assurance that the Financial Statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Directors; and the overall presentation of the Financial Statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited Financial Statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on Financial Statements

In our opinion the Financial Statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2015 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year for which the Financial Statements are prepared is consistent with the Financial Statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the Financial Statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

AVIS EUROPE INVESTMENTS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 December 2015

1. General information

The Company is an intermediate holding company in the Avis Budget Group, Inc. group of companies. The Company is a private company limited by shares and is incorporated in England and Wales. The address of its registered office is 7 Welbeck Street, London W1G 9YE.

2. Statement of compliance

The Financial Statements have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland (FRS 102) and the Companies Act 2006.

3. Statement of accounting policies

A summary of the principal accounting policies, all of which have been applied consistently throughout the year, is set out below.

(a) Basis of Accounting

The Financial Statements have been prepared on the going concern basis, under the historical cost convention, as modified by the revaluation of land and buildings and certain financial assets and liabilities measured at fair value through the statement of comprehensive income. The Company is exempt under section 401 of the Companies Act 2006 from the requirement to present group financial statements as it is a wholly owned subsidiary undertaking of Avis Europe Investment Holdings Limited which is part of the group of companies owned by Avis Budget Group, Inc., a company incorporated in the United States of America, which itself prepares consolidated financial statements.

(b) Going Concern

As at the date of signing the Financial Statements, the Company is an intermediate holding company. The remaining liabilities of the Company at this date constitute balances with other group undertakings. The Directors have received confirmation that Avis Europe Investment Holdings Limited will continue to provide adequate resources to enable the business to continue to meet its liabilities as they fall due for the foreseeable future. For this reason, and despite the loss in the year, the Directors have adopted the going concern basis in preparing the Financial Statements.

(c) Cash Flow Statement

The Company is included in the consolidated financial statements of Avis Budget Group, Inc., which are publicly available, and therefore has elected to utilise the exemption provided in section 1.12 of FRS 102, and not produce a cash flow statement.

(d) Investments

Investments are shown at cost less provision for any impairment where the recoverable amount is less than cost. Investments are initially stated at cost, being their purchase cost together with any incidental expenses of acquisitions. The carrying values of investments are reviewed at each year end if events or changes in circumstances indicate the carrying value may not be recoverable. Any impairment of investments is charged to the statement of comprehensive income in the year in which it arises. The reversal of any impairment loss is recognised where the recoverable amount increases because of a change in economic circumstances or in the expected use of the investment. The amount of any reversal recognised is restricted to increasing the value of the investment to the carrying value that would be recognised had the original impairment not occurred.

(e) Foreign Currency

The Company's functional currency is Sterling. Foreign currency assets and liabilities are translated at the rates of exchange ruling at the year end. Transactions during the year are recorded at rates of exchange in effect when the transaction occurs. Profits and losses on exchange are dealt with in the statement of comprehensive income.

AVIS EUROPE INVESTMENTS LIMITED

NOTES TO THE FINANCIAL STATEMENTS (continued)

for the year ended 31 December 2015

3. Statement of accounting policies (continued)

(f) Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. A deferred tax asset is only recognised when there are expected to be suitable future taxable profits within the tax group against which to reverse the underlying timing differences.

(g) Dividends

Final dividends to the Company's shareholders are recognised as a liability in the Financial Statements in the period in which the dividends are approved by the Company's shareholders. Interim dividends are recognised when paid.

(h) Financial instruments

Financial assets

The classification of financial assets is determined at initial recognition depending on the purpose for which they were acquired. Any impairment is recognised in the statement of comprehensive income as it arises.

Trade and other receivables

Trade and other receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

Cash and short term deposits

Cash comprises cash in hand, demand deposits and bank overdrafts. Cash equivalents include short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within "borrowings" in "current liabilities" in the balance sheet.

Impairment of financial assets

At each balance sheet date the Company assesses whether there is objective evidence that a financial asset or a group of financial assets is impaired. A provision for impairment of trade receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows. The carrying amount is reduced through the use of an allowance account, and the amount is recognised in the statement of comprehensive income. When a trade receivable is uncollectible, it is written off against the allowance account for trade receivables, with any subsequent recoveries credited to administrative expenses.

Financial liabilities

Financial liabilities (including borrowings) are recognised initially at fair value, net of transaction costs. They are subsequently held at amortised cost unless part of a fair value hedge. Any difference between the amount on initial recognition and redemption value is recognised in the statement of comprehensive income using the effective interest method. Short term liabilities (including trade and other payables) are measured at original invoice amount.

Inter-company loans

Inter-company loans are measured at amortised cost using the effective interest method as reduced by appropriate allowances for estimated irrecoverable amounts.

Other payables

Other payables are measured at amortised cost using the effective interest method.

NOTES TO THE FINANCIAL STATEMENTS (continued)

for the year ended 31 December 2015

4. Critical accounting judgements and key sources of estimation uncertainty

The Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis.

Impairment of investments

In determining value in use, the Directors calculate the present value of the estimated future cash flows expected to arise based on management's latest long term plans, with extrapolation thereafter. In addition, a market approach is adopted whereby a comparison is made to similar business interests that have been sold. No impairment provision has been recognised as a consequence of this review as at 31 December 2015.

5. Directors' emoluments and employees

The Directors received no emoluments in respect of their services to the Company during the year (2014: nil).

The average monthly number of Directors during the year was 2 (2014: 2). There were no other employees during the year (2014: nil).

6. Auditor's remuneration

The auditor's remuneration is borne by Avis Budget Services Limited, a subsidiary undertaking. The fee payable to the Company's auditor for the audit of the Company's Financial Statements for the year ended 31 December 2015 was £1,000 (2014: £1,000).

NOTES TO THE FINANCIAL STATEMENTS (continued)

for the year ended 31 December 2015

8. Tax on loss on ordinary activities (continued)

(ii) Factors affecting the tax charge for the year

The standard rate of tax applied to reported profit on ordinary activities is 20.25% (2014: 21.5%). The applicable tax rate has changed following the substantive enactment of the Finance Act 2013.

The differences between the total tax charge shown above and the amount calculated by applying the standard rate of UK corporation tax to the loss before tax is as follows:

	2015 £000	2014 £000
Loss on ordinary activities before taxation	(50,125)	(76,700)
Loss on ordinary activities multiplied by the standard rate of corporation tax in the UK of 20.25% (2014: 21.5%)	(10,150)	(16,491)
Group relief surrendered for nil consideration	14,835	21,465
Non-taxable dividend	(4,685)	(4,974)
Total tax charge for the year	-	-

The Finance Act 2013 included legislation to reduce the main rate of corporation tax in the UK from 23% to 21%, with effect from 1 April 2014 and from 21% to 20%, with effect from 1 April 2015.

The Finance Bill (No.2) 2015 included legislation to reduce the main rate of corporation tax in the UK from 20% to 19%, with effect from 1 April 2017 and from 19% to 18%, with effect from 1 April 2020. These rates were substantively enacted on 26 October 2015. The 2016 Budget subsequently announced that the main rate of corporation tax would reduce to 17% with effect from 1 April 2020.

*Shares held directly by the Company

The Company owns 100% of the ordinary share capital of Cilva Holdings Limited and 100% of the preference share capital of Avis Europe Holdings Limited (from which the Company earned dividend income of £23,136,000 in the year (2014: £23,136,000). Cilva Holdings Limited and Avis Europe Holdings Limited are both intermediate holding companies of the Avis Budget EMEA Limited group, incorporated in England and Wales.

In accordance with the requirements of FRS 102, the Directors have undertaken an impairment review of the carrying value of its investments in subsidiary undertakings. No further provision has been recognised as a consequence of this review as at 31 December 2015 (2014: nil) based on a value in use calculation.

In determining value in use, the Directors calculate the present value of the estimated future cash flows expected to arise based on management's latest long term plans, with extrapolation thereafter. In addition, a market approach is adopted whereby a comparison is made to similar business interests that have been sold. The resultant value in use calculation at 31 December 2015 resulted in a value in use in excess of the opening carrying value of the fixed asset investment.

In the opinion of the Directors, the value of the Company's investments is not less than the amount at which they are stated in the balance sheet.

for the year ended 31 December 2015

13. Commitments and contingencies

In February 2015, the French Competition Authority issued a statement of objections alleging that several car rental companies, including the two of the Company's European subsidiaries, engaged with (i) twelve French airports, the majority of which are controlled by public administrative bodies or the French state, violated competition law through the distribution of company-specific statistics by airports to car rental companies operating at those airports; and (ii) two other international car rental companies in a concerted practice relating to train station surcharges. The Company believes that it has valid defences and intends to vigorously defend against the allegations, but it is currently unable to predict the outcome of the proceedings or range of reasonably possible losses, which may be material.

Certain of the Avis Budget EMEA Limited group companies are defendants in a number of claims and legal proceedings incidental to their operations. Based on information currently available it is not possible to assess the likelihood of these proceedings resulting in material fines but the Directors believe that they have valid defences in these matters and do not expect that any of these contingencies will have a material impact on the results or financial position of the Company.

14. Ultimate parent undertaking

The Company is a subsidiary undertaking of Avis Europe Investment Holdings Limited, which is part of the group of companies owned by Avis Budget EMEA Limited. Both these parent undertakings are registered in England and Wales. The smallest and largest parent undertaking to consolidate the Finance Statements of the Company is Avis Budget Group, Inc., which is incorporated in the United States of America and registered on NASDAQ. The financial statements of Avis Budget Group, Inc. are publicly available at www.avisbudgetgroup.com.

15. Related party transactions

The Company has taken advantage of the exemption within section 1.12 of FRS 102, for wholly owned subsidiary undertakings not to disclose transactions with other entities within the same group. The consolidated financial statements for Avis Budget Group, Inc., in which the Company is included, are publicly available at www.avisbudgetgroup.com.

16. Transition to FRS 102

This is the first year that the Company has presented its results under Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council. The last financial statements under previous UK GAAP were for the year ended 31 December 2014 and the date of transition to FRS 102 was therefore 1 January 2014. There were no changes to equity or profit as a consequence of adopting FRS 102.
