Notice: about this report

This report has been prepared by the Joint Administrators and Supervisors of TXUEL and the subsidiaries listed in Appendix 1 (together "the Companies"), solely to comply with their statutory duties to report to creditors under Rule 2.30 and Rule 1.26(2) of the Insolvency Rules 1986. Its purpose is to provide creditors with an update on the progress of the Administrations of the Companies for the six months to 8 January 2013 and to provide an update on the CVAs for the period ended 8 January 2013, and for no other purpose. It is not suitable to be relied upon by any other person, or for any other purpose, or in any other context.

This report has not been prepared in contemplation of it being used, and is not suitable to be used, to inform any investment decision in relation to the debt of or any financial interest in TXUEL or any other company in the TXUEL Group.

Any estimated outcomes for creditors included in this Report are illustrative only and cannot be relied upon as guidance to the actual outcomes for creditors.

Any person who chooses to rely on this Report for any purpose or in any context other than under Rule 2.30 and/or Rule 1.26(2) of the Insolvency Rules 1986 does so at their own risk. To the fullest extent permitted by law, the Administrators/Liquidators and Supervisors assume no responsibility and accept no liability in respect of this Report to any such person.

The appointments of the Joint Administrators/Liquidators and Supervisors are personal to them and, to the fullest extent permitted by law, KPMG LLP assumes no responsibility and accepts no liability to any person in respect of this Report or the conduct of the administrations/liquidations or CVAs.

Please note that on 11 January 2013 an order was made in the High Court appointing John David Thomas Milsom as Joint Administrator in place of Richard John Hill, following Mr Hill's retirement from KPMG LLP. In accordance with the Order, creditors and members will be given notice of the Order by advertisement in the London Gazette on 22 January 2013.

Introduction and summary update

Introduction and summary update

Background

- This report covers the progress made in the Administrations and CVAs of those Companies listed in Appendix 1 for the six months since July 2012. The officeholders last updated creditors on key developments on 20 July 2012. A copy of that report can be found at www.txinfo.co.uk

Outstanding matters and recent developments

- As previously advised, TXUEG declared distributions in April 2008 and September 2009 to TEG, its sole shareholder, totalling £137 million (excluding interest). As TXUEG had paid 100 pence in the pound to all of its proven and admitted CVA creditors, it was unclear to the EY appointees of the Operating Companies how these distributions could be legally passed to TEG and as a result the funds were therefore placed in TXUEG's disputed claims account whilst the EY Administrators of TXUEG took further advice on the matter. In July 2011 the TXUEG Administrators sought the specific consent of the High Court to pay the above surplus funds to TEG, as sole shareholder of TXUEG. The High Court did not accept the legal arguments put forward by the EY Administrators, ruling that there were existing provisions and procedures under the UK Companies Act to validate and enable the surplus payment to TEG and that these should be adopted.
- Following representations from the Administrators of TXUEL to the EY Administrators of TXUEG they took further legal advice. They considered undertaking a capital reduction of TXUEG in order to facilitate the distribution of the funds to TEG. However, they were advised that the Operating Companies CVAs would require the approval of the High Court to amend the terms of the CVAs. Based on further advice received, the Administrators of the Operating Companies were advised to place TXUEG into compulsory liquidation in order that the appointed liquidators would be empowered to deal with the surplus funds due to TEG. The compulsory liquidation procedure under the UK Companies Act enables the lawful distribution of surplus funds to shareholders. The EY Administrators of TXUEG made three applications to court being an application to place TXUEG into liquidation, the release of the Administrators and for consent that the CVAs could be modified. Following a court hearing on 6 August 2012 the applications made by the EY Administrators of TXUEG were granted, following which £126.7 million was paid by TXUEG to TEG.

Realisations and Distributions to creditors

- Realisations by Holding Companies are largely derived from distributions made by TXUEG. The Holding Companies have to date received £470 million from TXUEG.
- As a result of TXUEG being placed into liquidation, and no additional claims being received by the liquidators of TXUEG following the expiry of the relevant notice periods, a payment of £122 million plus accrued interest of £4.7 million was paid to TEG in September 2012. TEG will also be due further funds from the final TXUEG liquidation distribution subject to the resolution of potential future industrial injury liabilities which TXU UK Limited may have in respect of asbestos related claims, the agreement of EY costs and tax clearance. It is unclear at present when the final TXUEG distribution may take place.

Introduction and summary update (cont.)

Realisations and Distributions to creditors (cont)

- Following receipt of the funds from TXUEG and the release of a further £10.7 million from reserves a sixth Holding Company distribution of £137.4 million was paid on 26 September 2012 which bought the amount distributed by the Supervisors of the Holding Companies to external (non-group) creditors to £807.9 million. In the CVA proposal the estimated total distribution to external (non-group) creditors was £569 million and therefore the Administrators and Supervisors have achieved a significant improvement on this estimate to date of £238.9 million, with further distributions of significant value still to be made.
- Details of the distributions paid to date and future estimated distributions assuming that TEG receives the surplus funds from TXUEG, are shown on page 9 of this report.

Creditors and distributions

Creditors and distributions

Creditors and distributions

- Claims received and agreed or rejected pursuant to the CVA, their values as at 19 November 2002 and 7 January 2005 and the amounts distributed in respect of such claims are set out in the table below. The differences in the values of claims as at 19 November 2002 and 7 January 2005 relate to movements in foreign currency exchange rates and capitalised interest. Some claims are set at 19 November 2002 values because of their particular nature.

We make the following observations in relation to the table above:

- The above estimated outcome is illustrative only and should not be relied upon as guidance as to the actual outcomes for creditors. Also, the EGO BV bonds may receive a total of 100p in the £ as a result of their claims at EGO BV, TXUEL and EH3. Similarly the Barcap claim may be paid in full as a result of its claims at EH3 and TXUEL.
- It is likely that there will be a number of future payments to creditors when funds are received by the Holding Companies from the Operating Companies and when the issues which remain to be dealt with within the TXUEL Group have been resolved.
- The Supervisors of the Operating Companies' CVAs continue to aim to conclude the majority of the outstanding issues as soon as practicable possible.
