Each Chargor hereby irrevocably appoints the UK Security Trustee or its nominees as proxy to exercise (as provided in or permitted by this Deed) all voting rights so long as the Group Shares belonging to it remain registered in its name.

- (c) Each Chargor will make registrations and pay all registration fees and taxes necessary to maintain the Intellectual Property in full force and effect and record its interest in that Intellectual Property where failure to do so is reasonably likely to have a Material Adverse Effect.

- (e) No Chargor will use or permit the Intellectual Property to be used in a way or take any step or omit to take any step in respect of that Intellectual Property which may materially and adversely affect the existence or value of the Intellectual Property or imperil the right of any Chargor to use such property where such use, permission to use or omission is reasonably likely to have a Material Adverse Effect.
- (f) No Chargor shall, without the prior written consent of the UK Security Trustee, permit any of its Intellectual Property which is registered or subject to an application for registration and which is necessary for the operations of the Group to be abandoned or cancelled, to lapse where failure to do so is reasonably likely to have a Material Adverse Effect.
- (g) Without prejudice to Clause 7.7(b), if any Intellectual Property which a Chargor believed was owned wholly within the Group (other than any Intellectual Property that is owned by a member of the Group that is party to the Guaranty and Security Agreement) is not owned only by one or more of the Chargors, the Company shall procure that such Intellectual Property is brought within the scope of the security created by this Deed by ensuring that such Intellectual Property is transferred to a Chargor or by requiring the owning entity or entities to enter into a Deed of Accession as provided for in Clause 15.2(*Further Subsidiaries*).

 - (viii) to purchase insurance or credit enhancements to insure a Receiver against risks of loss, collection or disposition of Intellectual Property or to provide to a Receiver a guaranteed return from the collection or disposition of Intellectual Property;
 - (ix) to the extent deemed appropriate by a Receiver, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist a Receiver in the collection or disposition of any of the Intellectual Property.
- (c) Each Chargor acknowledges that the purpose of this Clause 11.17 is to provide non-exhaustive indications of what actions or omissions by a Receiver would not be commercially unreasonable in a Receiver's exercise of remedies against the Intellectual Property and that other actions or omissions by a Receiver shall not be deemed commercially unreasonable

solely on account of not being indicated in this Clause 11.17. Without limitation of the foregoing, nothing contained in this Clause 11.17 shall be construed to grant any rights to any Chargor or to impose any duties on a Receiver that would not have been granted or imposed by this Deed or by applicable law in the absence of this Clause 11.17.

12. Application of Proceeds

Any monies received by the UK Security Trustee or any Receiver after this Deed has become enforceable shall be applied in the following order of priority (but without prejudice to the right of the UK Security Trustee to recover any shortfall from the Chargors):

- (a) in satisfaction of or provision for all costs and expenses incurred by the UK Security Trustee or any Receiver and of all remuneration properly due to any Receiver under this Deed;
- (b) in or towards payment of the Secured Obligations or such part of them as is then due and payable to the Secured Parties in accordance with the terms of the Credit Agreement; and
- (c) in payment of the surplus (if any) to any Chargor or other person entitled to it.

13. Expenses and Indemnity

Subject to section 10.3 (*Indemnification*) of the Credit Agreement, each Chargor shall, within three Business Days of demand, pay the amount of all costs and expenses (including legal fees and VAT) incurred in connection with the enforcement of, or the preservation of any rights or discretions, under this Deed by the UK Security Trustee, or any Receiver, attorney, manager, agent or other person appointed by the UK Security Trustee under this Deed (including the Nominee) or by statute, and keep each of them indemnified against any failure or delay in paying the same.

14. Delegation

14.1 General

The UK Security Trustee and any Receiver may, for the time being and from time to time, delegate by power of attorney or in any other manner (including under the hand of any manager of the UK Security Trustee) to any person any right, power or discretion exercisable by the UK Security Trustee or such Receiver (as the case may be) under this Deed. Any such delegation may be made upon the terms (including power to sub-delegate) and subject to any regulations which the UK Security Trustee or such Receiver (as the case may be) may think fit. Neither the UK Security Trustee nor any Receiver will be in any way liable or responsible to any Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any such delegate or sub-delegate who shall be entitled to all the indemnities to which his appointor is entitled under this Deed unless the UK Security Trustee acted with gross negligence or willful misconduct in the selection of such delegate.

15. Further Assurances

15.1 General

Each Chargor shall, at its own expense, execute and do all such acts, deeds and things (including payment of all stamp duties, stamp duty land tax and registration fees) the UK Security Trustee or a Receiver may reasonably require for:

- (a) fully and effectively creating, perfecting or protecting and/or registering the security intended to be created by this Deed or any standard security over any Charged Property; and
- (b) after the security constituted by this Deed has become enforceable, facilitating the realisation of any Charged Property or the exercise of any right, power or discretion exercisable, by the UK Security Trustee or any Receiver in respect of any Charged Property, including the

execution of any transfer, conveyance, assignment or assurance of any property whether to the UK Security Trustee or to its nominees, and the giving of any notice, order or direction and the making of any registration, which in any such case, the UK Security Trustee may think necessary or desirable.

15.2 Further Subsidiaries

- (a) Each Chargor undertakes to ensure that each company which is required to grant security or a guarantee pursuant to the terms of the Credit Agreement, and which becomes a Subsidiary (whether direct or indirect) of any Chargor after the date of this Deed shall, as soon as reasonably practicable upon being required to do so by the Agent execute a Deed of Accession and/or Guarantor Accession Letter (and such other security documents in relation to property located in any jurisdiction other than England and Wales required by the Loan Documents or the UK Security Trustee) and such company shall on the date which such Deed of Accession and/or Guarantor Accession Letter (as applicable) is executed by it become a party to this Deed in the capacity of a Chargor and/or Guarantor (as applicable) and this Deed shall be read and construed for all purposes as if such company had been an original party to this Deed as a Chargor and/or Guarantor (but for the avoidance of doubt the security created by such company shall be created on the date of the Deed of Accession).
- (b) The UK Security Trustee may specify any amendments or changes to the form or manner in which any such new Chargor gives such security provided it is no more onerous than the terms hereof.
- (c) The Company shall procure that all registrations or other steps necessary to perfect any security created by a Deed of Accession or other applicable security document are completed as soon as is practicable after its execution and in any event within any applicable time limit.
- (d) Each Chargor (other than the Company) by its execution of this Deed or any Deed of Accession, irrevocably appoints the Company to execute on its behalf any Deed of Accession without further reference to or the consent of such Chargor and such Chargor shall be bound by any such Deed of Accession as if it had itself executed such Deed of Accession.
- (e) Without limiting the other provisions of this Clause 15.2 (*Further Subsidiaries*), each Chargor and each Guarantor acknowledges that any Subsidiary which executes a Deed of Accession and/or a Guarantor Accession Letter will become bound by, and entitled to the benefit of all provisions of this Deed applicable as between the Chargors and the Guarantors themselves.

16. Power of Attorney

Each Chargor, for the duration of the Security Period, by way of security, irrevocably and severally appoints the UK Security Trustee, each Receiver and any of their delegates or sub-delegates to be its attorney and on its behalf and in its name or otherwise to execute and do all such acts, deeds and things which such Chargor is obliged to take under this Deed and generally, on its behalf and in its name, to exercise all or any of the powers, authorities and discretions conferred by or pursuant to this Deed on the UK Security Trustee or any Receiver. Each Chargor hereby ratifies and confirms and agrees to ratify and confirm whatever any attorney does or purports to do pursuant to its appointment under this clause.

17. Continuing Security

17.1 Additional Security

The security constituted by this Deed is in addition to and is not in any way prejudiced by any other security now or subsequently held by the UK Security Trustee for any of the Secured Obligations.

17.2 Continuing Security

The security constituted by this Deed is continuing and will extend to the ultimate balance of all the Secured Obligations, regardless of any intermediate payment or discharge in whole or in part.

17.3 Reinstatement

If any payment by a Chargor or any discharge given by the UK Security Trustee (whether in respect of the obligations of any Loan Party or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:

- (a) the liability of each Chargor shall continue as if the payment, discharge, avoidance or reduction had not occurred; and
- (b) the UK Security Trustee shall be entitled to recover the value or amount of that security or payment from each Chargor, as if the payment, discharge, avoidance or reduction had not occurred.

17.4 Waiver of defences

The obligations of each Chargor under this Deed will not be affected by an act, omission, matter or thing which, but for this clause, would reduce, release or prejudice any of its obligations under this Deed (without limitation and whether or not known to it or the UK Security Trustee) including:

- (a) any time, waiver or consent granted to, or composition with, any Loan Party or other person;
- (b) the release of any other Loan Party or any other person under the terms of any composition or arrangement with any creditor of any Loan Party or any other person;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Loan Party or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Loan Party or any other person;
- (e) any amendment (however fundamental) or replacement of a Loan Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Loan Document or any other document or security; or
- (g) any insolvency or similar proceedings.

17.5 Immediate recourse

Each Chargor waives any right it may have of first requiring the UK Security Trustee to proceed against or enforce any other rights or security or claim payment from any person before enforcing the security constituted by this Deed. This waiver applies irrespective of any law or any provision of a Loan Document to the contrary.

17.6 Appropriations

Until all the end of the Security Period, the UK Security Trustee may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by the UK Security Trustee in respect the Secured Obligations, or apply and enforce the same in such manner and order as it sees fit (whether against the Secured Obligations or otherwise) and no Chargor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any monies received from any Chargor or on account of any Chargor's liability in respect of the Secured Obligations.

17.7 Deferral of Chargors' rights

Until the end of the Security Period and unless the UK Security Trustee otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Loan Documents:

- (a) to be indemnified by a Loan Party;
- (b) to claim any contribution from any other guarantor of any Loan Party's obligations under the Loan Documents; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any of the Secured Parties' or UK Security Trustee's rights under the Loan Documents or of any other guarantee or security taken pursuant to, or in connection with, the Loan Documents by the UK Security Trustee or any other Secured Party.

18. Guarantee and Indemnity

18.1 Guarantee and indemnity

Each Guarantor irrevocably and unconditionally jointly and severally:

- (a) guarantees to the UK Security Trustee punctual performance by each other Loan Party of all the Loan Party's obligations under the Loan Documents;
- (b) undertakes with the UK Security Trustee that whenever a Loan Party does not pay any amount when due under or in connection with any Loan Document, that Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and
- (c) agrees with the UK Security Trustee that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify the UK Security Trustee immediately on demand against any cost, loss or liability it incurs as a result of a Loan Party not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Loan Document on the date when it would have been due. The amount payable by a Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 18(*Guarantee and Indemnity*) if the amount claimed had been recoverable on the basis of a guarantee.

18.2 Continuing Guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Loan Party under the Loan Documents, regardless of any intermediate payment or discharge in whole or in part.

18.3 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Loan Party or any security for those obligations or otherwise) is made by UK Security Trustee in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in

insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Guarantor under this Clause 18 (*Guarantee and Indemnity*) will continue or be reinstated as if the discharge, release or arrangement had not occurred.

18.4 Waiver of defences

The obligations of each Guarantor under this Clause 18 (*Guarantee and Indemnity*) will not be affected by any act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Clause 18 (*Guarantee and Indemnity*) (without limitation and whether or not known to it or the UK Security Trustee) including:

- (a) any time, waiver or consent granted to, or composition with, any Loan Party or other person;
- (b) the release of any other Loan Party or any other person under the terms of any composition or arrangement with any creditor of any Loan Party;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Loan Party or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Loan Party or any other person;
- (e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Loan Document or any other document or security including any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Loan Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Loan Document or any other document or security;
- (g) any insolvency or similar proceedings; or
- (h) the exercise of, or refraining from the exercise of, any rights against any Loan Party or any Charged Property.

18.5 Guarantor intent

Without prejudice to the generality of Clause 17.4 (*Waiver of defences*), each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Loan Documents and/or any facility or amount made available under any of the Loan Documents for the purposes of or in connection with any of the following:

- (a) business acquisitions of any nature;
- (b) increasing working capital;
- (c) enabling investor distributions to be made;
- (d) carrying out restructurings;
- (e) refinancing existing facilities;
- (f) refinancing any other indebtedness;

- (g) making facilities available to new borrowers;
- (h) any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and
- (i) any fees, costs and/or expenses associated with any of the foregoing.

18.6 Immediate recourse

Each Guarantor waives any right it may have of first requiring the UK Security Trustee (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Clause 18 (*Guarantee and Indemnity*). This waiver applies irrespective of any law or any provision of a Loan Document to the contrary.

18.7 Appropriations

Until all amounts which may be or become payable by the Loan Party under or in connection with the Loan Documents have been irrevocably paid in full, the UK Security Trustee (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by the UK Security Trustee (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Guarantor or on account of any Guarantor's liability under this Clause 18 (*Guarantee and Indemnity*).

18.8 Deferral of Guarantor's rights

Until all amounts which may be or become payable by each Loan Party under or in connection with the Loan Documents have been irrevocably paid in full and unless the UK Security Trustee otherwise directs, no Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Loan Documents or by reason of any amount being payable, or liability arising, under this Clause 18 (*Guarantee and Indemnity*):

- (a) to receive or claim payment from or be indemnified by a Loan Party;
- (b) to claim any contribution from any other guarantor of, or provider of any Security Interest in respect of, any Loan Party's obligations under the Loan Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Loan Documents or of any other guarantee or security taken pursuant to, or in connection with, the Loan Documents by the Secured Parties;
- (d) to bring legal or other proceedings for an order requiring any Loan Party to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under Clause 17 (*Guarantee and Indemnity*) of this Deed;
- (e) to exercise any right of set-off against any Loan Party; and/or
- (f) to claim or prove as a creditor of any Loan Party in competition with the Secured Parties (or any of them).

18.9 Additional Security

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by the UK Security Trustee.

18.10 Guarantee in favour of the Bank Product Providers

For the purposes of this Clause 18 (*Guarantee and indemnity*), the definition of Loan Documents shall be deemed to include any Bank Product Agreement.

19. Miscellaneous

19.1 Covenant to pay

Each Chargor shall pay or discharge the Secured Obligations in the manner provided for in the Credit Agreement and in any other document creating or evidencing the Secured Obligations and/or otherwise as agreed from time to time.

19.2 The Land Registry

In respect of the Mortgaged Property each Chargor undertakes to make or procure that there is made due application to the Chief Land Registrar (at the same time as registering each legal mortgage in Clause 3.1(a)):

- (a) for a restriction in the following terms to be entered on the Register of Title relating to any Mortgaged Property registered at The Land Registry in its name and against which this Deed may be noted:

“No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [] 2020 in favour of Wells Fargo Bank, National Association referred to in the charges register.”; and

- (b) to enter into an obligation to make further advances on the register of title relating to it.

19.3 New Accounts

If the UK Security Trustee receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent charge or other interest affecting any Charged Property and/or the proceeds of sale of any Charged Property, the UK Security Trustee may open a new account for any Chargor. If the UK Security Trustee does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice. As from that time all payments made to the UK Security Trustee will be credited or be treated as having been credited to the new account and will not operate to reduce any amount for which this Deed is security and, furthermore, the UK Security Trustee shall be under no obligation to advance any monies or provide or continue to provide any credit facility to any Borrower.

19.4 Tacking

The UK Security Trustee covenants with each Chargor that it shall perform its obligations under any document creating or evidencing the Secured Obligations (including any obligation to make available further advances).

19.5 Separate Charges

This Deed shall, in relation to each Chargor, be read and construed as if it were a separate Deed relating to such Chargor to the intent that if any Security Interest created by any other Chargor in this

Deed shall be invalid or liable to be set aside for any reason, this shall not affect any Security Interest created under this Deed by such first Chargor.

19.6 Invalidity

If, at any time, any provision of this Deed is or becomes invalid, illegal or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

19.7 Payments

- (a) Subject to paragraph (b) below, all payments to be made by a Chargor or Guarantor under this Deed shall be made without (and free and clear of, and without any deduction for or on account of) any set-off or counterclaim, or (except to the extent compelled by law) any deduction or withholding for or on account of tax.
- (b) If a Chargor or Guarantor is compelled by law to make any deduction or withholding from any sum payable under this Deed, the sum so payable by the Chargor or Guarantor shall be increased so as to result in the receipt by the UK Security Trustee of a net amount equal to the full amount expressed to be payable under this Deed.
- (c) Subject to section 10.3 (*Indemnification*) of the Credit Agreement, each Chargor shall pay and shall, within three Business Days of demand, indemnify the UK Security Trustee against any cost, loss or liability the UK Security Trustee incurs in relation to all stamp duty, registration and other similar taxes payable in respect of this Deed.

20. Release

Upon the expiry of the Security Period (but not otherwise), the UK Security Trustee shall, at the request and cost of the Chargors, take whatever action is necessary to release the Charged Property from the security constituted by this Deed and/or reassign the benefit of the Charged Property to the Chargors. If the UK Security Trustee is of the opinion that any payment made in or towards the discharge of any of the Secured Obligations is capable of being avoided or set aside under any law applicable to liquidation, administration, receivership or insolvency, then the UK Security Trustee may defer taking the action contemplated by this Clause 20 for such period as it may deem appropriate. The Chargors shall, within three Business Days of demand by the UK Security Trustee, reimburse the Secured Parties for the amount of all costs and expenses (including legal fees) reasonably incurred by any Secured Party in responding to, evaluating, negotiating or complying with that request.

21. Rights and Remedies

The rights of the UK Security Trustee under this Deed are cumulative, may be exercised as often as considered appropriate and are in addition to the general law. Such rights (whether arising hereunder or under the general law) shall not be capable of being waived or varied otherwise than by an express waiver or variation in writing and, in particular, any failure to exercise or delay in exercising any of such rights shall not operate as a waiver or variation of that or any other such right, any defective or partial exercise of any such rights shall not preclude any other or further exercise of that or any other such right, and no act or course of conduct or negotiation by the UK Security Trustee or on its behalf shall in any way preclude it from exercising any such right or constitute a suspension or any variation of any such right.

22. Notices

Any notice or other communication to be made or given under this Deed shall be made or given, and shall be deemed to have been received, in accordance with the provisions of section 11 (*Notices*) of the Credit Agreement. The notice details of the Company and the UK Security Trustee shall be as set

out in section 11 (*Notices*) of the Credit Agreement. The notices details of each of the Chargors and Guarantors (other than the Company) shall be as set out in the execution pages to this Deed.

23. Counterparts

This Deed may be executed in any number of counterparts and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

24. Governing Law

This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by and shall be construed in accordance with English law.

25. Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) (a **Dispute**).
- (b) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) This Clause 25 is for the benefit of the UK Security Trustee only. As a result, the UK Security Trustee shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the UK Security Trustee may take concurrent proceedings in any number of jurisdictions.

26. Service of Process

Without prejudice to any other mode of service allowed under any relevant law, each Chargor (other than a Chargor incorporated in England and Wales):

- (a) irrevocably appoints Diversis Capital UK Limited as its agent for service of process in relation to any proceedings before the English courts in connection with this Deed; and
- (b) agrees that failure by a process agent to notify the relevant Chargor of the process will not invalidate the proceedings concerned.

For the benefit of the UK Security Trustee, Diversis Capital UK Limited expressly agrees and consents to its irrevocable appointment as process agent pursuant to this Clause 26.

This Deed has been entered into as a deed on the date stated at the beginning of this Deed.
