Notes to the financial statements for the year ended 31 March 2014

1. Accounting policies

The principal accounting policies applied in the preparation of financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

Basis of preparation

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) as approved by the International Accounting Standards Board (IASB), interpretations issued by the International Financial Reporting Interpretations Committee of the IASB that under European Regulations, are effective or available for early adoption at the Company's reporting date. The financial statements have been prepared under the historical cost convention.

In 2007, the Company adopted the following new or revised IFRS:

The amendments to IAS 1 "Capital Management" which requires that certain disclosures are made regarding the entity's objectives, policies and processes for managing capital.

Financial Instruments

Financial assets and liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Trade and other receivables

Trade and other receivables are measured at initial recognition at fair value, and are subsequently measured at amortised cost using the effective interest rate method. Appropriate allowances for estimated irrecoverable amounts are recognised in profit or loss when there is objective evidence that the asset is impaired. The allowance recognised is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the effective interest rate computed at initial recognition.

2. Profit from operations

No Directors were remunerated for their services to the Company. Directors' emoluments are borne by the ultimate UK parent company, Santander UK plc, and reimbursed by the pension scheme. No emoluments were paid by the Company to Directors during the year (2014: £nil).

The Company had no employees in the current or previous financial year.

3. Share capital

	2014 £	2013 £
Issued and fully paid:		
100 ordinary shares of £1 each	100	100

4. Related party transactions

There were no related party transactions during the year, or balances existing at the balance sheet date, with the Company's or parent company's key management personnel.

5. Parent undertaking and controlling party

The Company's immediate parent company is Santander UK plc, a company registered in England and Wales.

The Company's ultimate parent undertaking and controlling party is Banco Santander, S.A., a company incorporated in Spain. Banco Santander, S.A. is the parent undertaking of the largest group of undertakings for which group accounts are drawn up and of which the Company is a member. Santander UK plc is the parent undertaking of the smallest group of undertakings for which the group accounts are drawn up and of which the Company is a member.

Copies of all sets of group accounts, which include the results of the Company, are available from Secretariat, Santander UK plc, 2 Triton Square, Regent's Place, London, NW1 3AN.
