TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 30 SEPTEMBER 2013

Organisational structure and decision making

The board of trustees' main responsibility is to administer the trust. The board meets quarterly to discuss performance of the trading company and other trust related matters. Ad hoc sub-committees are set up to deal with urgent matters as and when they arise. A chief executive is appointed by the trustees to manage the day to day operations of the trust and trading company. To facilitate effective operations, the chief executive has delegated powers, set up by the trustees, for operational matters including finance, personnel, health and safety, marketing and other commercial matters. A remuneration committee was formed in 2008. The committee comprises Clir K Allsop and Mr A Camilleri (director of the trading company).

Two trustees, Clir Allsop and Mr McCosh are also directors of Making it! Enterprises Limited, a subsidiary of the trust whose principal activity is the letting of serviced office accommodation, managing The Stovin Bradford Conference Suite and the Making it! Discovery Centre which is a tourist attraction, family and educational resource based around the process of how things are made. There are four directors of the trading company who are not directors of the trust, namely Mrs Walters, Mr Camilleri, Clir Bell and Mr Goad.

Risk management

The trustees have assessed the major risks to which the company and the group is exposed, in particular those related to the operations and finances of the company and the group, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks. A chief executive is appointed by the trustees to manage the day to day operations of the trust and trading company. To facilitate effective operations, the chief executive has delegated powers, set up by the trustees, for operational matters including finance, personnel, health and safety, marketing and other commercial matters.

The trust operates a risk management strategy which is reviewed annually with the assistance of a consultant. There is a system in place for training all staff on risk assessment, management and procedures. This ensures that risks are kept to an absolute minimum. Emergency procedures are in place and are tested to meet legal requirements. Business interruption insurance is in place to safeguard income streams. The trust is mindful that the systems in place can only provide reasonable but not absolute assurance that major risks have been adequately identified and managed. A risk assessment was undertaken by Hiscox Insurance in January 2011 resulting in a clean bill of health and no recommendations to improve procedures.

Liability insurance

During the year the trust purchased trustees' liability insurance at a cost of £819 (2012 £789)

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 30 SEPTEMBER 2013

OBJECTIVES AND ACTIVITIES

Policies and objectives

The aims and objectives for which the trust has been established are the advancement of education and running of an interactive discovery centre through the provision of a tourist attraction. The beneficiaries of these aims are school children and families.

In furtherance of these aims and objectives, Making it! Enterprises Limited was incorporated on 1 October 1997 as a wholly owned subsidiary of the trust. In the accounting period, the principal activities have been operating the Making it! Discovery Centre for family and educational visitors, the letting of office space and managing conference facilities.

The trust, through its educational galleries, is able to enhance curriculum activities within local and regional schools in the areas of design and technology, maths and English as well as encouraging local community groups to engage in family related activities

The income of the trust shall be applied solely towards the promotion of all or any of the objects of the trust in accordance with clause 4 of the memorandum of association

The trust shall not engage in any substantial permanent trading activity in raising funds for the objects

No member shall have any personal claim on any property of the trust and no portion thereof shall be paid directly or indirectly to the members

No trustee shall be appointed to any office paid by salary or fees, or receive any remuneration or other benefit from the trust

Strategies for achieving objectives

The trustees have paid due regard to the Charity Commission's guidance on public benefit in deciding what activities the trust should undertake. Through this guidance, trustees have reported that the main beneficiaries of public benefit are defined as school children and family groups visiting the Making it galleries. There are no restrictions on who can benefit from the activities provided by the trust

During the financial year 2012/2013, the trustees gave consideration to ensuring that no beneficiaries from the educational sector or general public were excluded from accessing the facilities through poverty or any other restriction. Trustees have also given consideration to the discounts and types of assistance available to beneficiaries. To this end, 9% of family visitors to the centre were admitted on a free of charge basis by way of issuing family vouchers through local schools and various publications and web-based activities. Also, of the 6,098 children visiting the centre on an educational/ other group visit, 75% received no funding whilst 23% received 100% funding (an increase of 109% over the previous year), and 2% received differing amounts of funding

The criteria for school children receiving a free or subsidised visit is based on the school being situated in an area of depravation, usually based on the percentage of free school meals received at a school

During the financial year ending September 2013, trustees will analyse which opportunities and discounts offered have been most successful and build on this approach to ensure that they continue to maintain the excellent reputation that the trust has with the public and educational sector in offering an "inclusive" approach

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 30 SEPTEMBER 2013

Activities for achieving objectives

The main objective for the coming year is to continue to offer a facility to the education sector which is relevant to the curriculum by way of maintaining the suitability of the interactive galleries and ensuring their relevance for this purpose. Build on the successful launch of our Education Outreach Service to schools. We will continue to offer the facilities to family groups during the school holidays.

To actively market vacant office space to maintain income streams from the serviced office accommodation within Chadburn House

Trustees will also focus on securing charitable grants to subsidise school visits to the Making it! Discovery Centre—The strategies employed to achieve the trust's objectives in this area are to maintain an accurate database of schools within the catchment area, actively market and promote the facilities and follow up positive leads

Trustees will promote the benefits of charitable grants to outside charitable organisations. Grants are important to the long-term future of the trust to meet its overall objectives of providing an up to date educational resource on a subsidised basis to local and regional school children to enhance their curriculum activities. The trust will subsidise or fully fund school visits where the school can demonstrate that the children would not otherwise afford to visit the centre for educational purposes.

Volunteers play an important part in the success of the trust and at the same time, training and confidence building is gained by the volunteer. The trust has a volunteer policy and is proud of its achievements in this area

ACHIEVEMENTS AND PERFORMANCE

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Review of activities

Rental levels of serviced office units during the year dipped to 65%. Licence fees remain competitive with other facilities in the near vicinity

The Making it! Discovery Centre (since opening Phase II in April 2002) has been host to 70,339 children who visited the galleries to enhance their curriculum lessons in design and technology. A total of 144,421 visitors have been to Making it! since April 2002

Visitor numbers for the financial year to 30 September 2013 were 1% above budgeted expectations. Admissions income for the financial year was 8% below budget and 11% above the previous year. The increase was mainly due to increased income from educational groups.

The trading company is a member of Experience Nottinghamshire which assists in advertising/marketing our tourism facilities to the wider audience

Additional activities undertaken at the visitor centre during the year have included themed events for children during school holidays and themed birthday parties. Brewhouse Crafts was launched for 2013 offering vintage and modern workshops for adults and children

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 30 SEPTEMBER 2013

Making It[†] has continued to deliver workshops offsite to satisfy bespoke requirements

Investment policy and performance

The trustees have investment powers under the memorandum and articles of association to distribute educational grants to schools as they see fit. The chief executive has delegated powers to distribute these funds on behalf of the trust up to a maximum of £500 for any one cause.

Factors relevant to achieve objectives

A business plan is prepared each year and this is agreed and signed by trustees as the working document for the year's performance. Progress is monitored at quarterly trustee meetings

Profitability for Chadburn House was above budget but 26% below the same period last year. Profitability for the Discovery Centre was 46% below budget and 63% below last year.

FINANCIAL REVIEW

Reserves policy

The trust needs reserves to enable it to meet both its on-going commitments in respect of its general charitable activities and to meet its future operating requirements. The level of unrestricted funds in the trust at 30 September 2013 amounted to £388,631 (2012 £409,165). The level of restricted funds in the trust at 30 September 2013 amounted to £1,540,278 (2012 £1,578,301). The level of total reserves is judged appropriate for the present situation and needs of the Trust. The trustees will review this position and policy on an annual basis.

Principal funding

The principal funding sources were rental of serviced office accommodation, admissions, café bar, conference facilities and off-site activities

Plans for the future

Future developments

To retain an interest in working alongside potential developers of the adjacent redundant brewery site/buildings to maximise benefits for the trust

The trust will continue to subsidise school visits to Making it! funded from our charitable grants from other organisations

Introduce enhanced visitor offerings in the Discovery Centre during school holiday periods by way of seasonal fairs. Redevelop and re-launch the cafe bar to increase footfall outside of our normal trading hours.

TRUSTEES' RESPONSIBILITY STATEMENT

The trustees (who are also directors of The Making It Industrial Heritage Trust Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently,
- observe the methods and principles in the Charities SORP,
- make judgments and accounting estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable group will continue in operation

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company and the group's transactions and disclose with reasonable accuracy at any time the financial position of the charitable group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

- so far as that trustee is aware, there is no relevant audit information of which the charitable group's auditor
 is unaware, and
- that trustee has taken all the steps that ought to have been taken as a trustee in order to be aware of any relevant audit information and to establish that the charitable group's auditor is aware of that information

This report was approved by the trustees on 20/3/44 and signed on their behalf by
