14/16 Mansfield Road Limited

Director's report for the year ended 31 January 2011

The director presents his annual report and the unaudited financial statements of the company for the year ended 31 January 2011

The director's report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies

Principal activities

The company's principal activity is the management of the freehold of 14/16 Mansfield Road

Results

The company did not make a profit or loss for the financial year

Directors

The directors who held office during the year and up to the date of approval of these financial statements were as follows

T Cooke (resigned 24 March 2010)
P Woolfall (appointed 24 March 2010)

Statement of director's responsibilities

The director is responsible for preparing the director's report and the financial statements in accordance with applicable law and regulations

Company law requires the director to prepare financial statements for each financial year. Under that law, the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

Notes to the financial statements for the year ended 31 January 2011

1 Principal accounting policies

These financial statements have been prepared in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom. A summary of the more important accounting policies, which have been applied consistently unless otherwise stated, is set out below.

Basis of accounting

The financial statements are prepared in accordance with the historical cost convention.

Turnover

Turnover comprises the recharge of expenses incurred to the shareholders and is recognised on an accrued basis.

Property costs

Property costs are recognised on an accruals basis.

Fixed assets and depreciation

Fixed assets are stated at cost less accumulated depreciation. Freehold land is not depreciated.

Cashflow statement

The company has taken advantage of the exemption available for small companies in Financial Reporting Standard 1 (Revised 1996) 'Cashflow Statements', and not prepared a cashflow statement.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

A net deferred tax asset is recognised as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits against which to recover carried forward tax losses and from which the future reversal of underlying timing differences can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on an undiscounted basis.

2 Director's emoluments

The director did not receive or waive any remuneration from the company in the year ended 31 January 2011 (2010: None).

3 Employee information

Apart from the director, the company had no employees during the year (2010: None).
