Omnibus Guarantee and Set Off Agreement for CPL Industries Group Limited

In response to your memo of today we have prepared the enclosed deed of accession to the existing OGSA.

Please note that:

- (a) considerations of section 151-4 Companies Act 1985 (financial assistance) remain applicable with regards to "PLCs" and companies that have "PLC subsidiaries". The following link can be used to obtain guidance (under "Companies Act 2006 – Financial Assistance") as to what action (if any) needs to be taken following the changes introduced by the Companies Act 2006;

<http://transinterchange.co.lloyds.co.uk/legal/>

- (b) it is necessary to check that each guarantor has the necessary powers to enter into the guarantee and set off arrangements, that the directors of the guarantor may freely exercise that power, and that all required checks as to the authority of the directors to issue powers of attorney have been made; and
- (c) that the Board Resolution/Secretary's Certificates of each company, approving the wording of the Deed and authorising its execution states it was agreed that entering into the Security was in the commercial interests of the company - see specimens attached, and satisfy yourselves as far as you can that it is in the company's commercial interest.

You should satisfy yourself that the bank has not been notified expressly or impliedly of the revocation of any power of attorney given in connection with the OGSA.

Please copy this letter and the enclosures to the relevant lending Office and refer to us for any further Deeds of Admission or Release.

In the case of a Deed of Admission, please also ensure that registration is attempted at Companies House against each company i.e. the existing and the new companies.

Regards,

Lindsay Marendaz,
Managers Assistant
