STRATEGIC REPORT FOR THE YEAR ENDED 31 MARCH 2015

The directors present their strategic report for the year ended 31 March 2015.

REVIEW OF BUSINESS

The directors are pleased to report an encouraging year.

The company seeks to maintain long term profitability by retaining its existing client base. The directors believe the company is well placed to take advantage of opportunities that may result from the present economic environment and will continue to pursue a strategy of offering support services to the financial services industry.

The key performance indicators of the company are the level of profit and cashflow, as shown in the financial statements.

PRINCIPAL RISKS AND UNCERTAINTIES

The directors endeavour to create and sustain commercial advantage by providing a consistently high level of service to clients coupled with prudent management and a sound business model.

The directors operate a system of constant review over strategic, operational, financial and compliance risks. They focus on the factors that could limit or prevent the achievement of company objectives and actively consider and develop strategies to mitigate exposure and build resilience and sustainability. The challenging market conditions are the principal risk of the company. There is also the risk that the company is dependent on a small key group of employees, which creates an element of key man risk.

FINANCIAL INSTRUMENTS

The company seeks to operate within its agreed overdraft facility with the bank. The company has not entered into any hedging arrangements in respect of risks relating to trade debtors or accrued income as its invoicing arrangements are made in sterling.

The company is exposed to interest rate risk on its borrowing with the bank, however due to the low level of its borrowing, any risk is not material to the company.

The company is currently reliant on overdraft facilities from the bank and therefore has a cashflow and liquidity risk. The bank is currently satisfied with the company's financial performance and the directors do not think there is any risk of the facilities being withdrawn.

ON BEHALF OF THE BOARD:

C D Jillings - Director

Date: 11 December 2015

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2015

The directors present their report with the financial statements of the company for the year ended 31 March 2015.

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of a business and management consultancy service and providing investment research information.

DIVIDENDS

No dividends will be distributed for the year ended 31 March 2015.

DIRECTORS

The directors shown below have held office during the whole of the period from 1 April 2014 to the date of this report.

C D Jillings Mrs S J Pope

DISCLOSURE IN THE STRATEGIC REPORT

There are matters disclosed in the strategic report regarding financial instruments that would normally be included in the Directors report.

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2015

AUDITORS

The auditors, Lewis Brownlee (Chichester) Ltd, will be proposed for re-appointment at the forthcoming Annual General Meeting.

ON BEHALF OF THE BOARD:

C D Jillings - Director

Date: 11 December 2015

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF ICM INVESTMENT RESEARCH LTD

We have audited the financial statements of ICM Investment Research Ltd for the year ended 31 March 2015 on pages six to fifteen. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Strategic Report and the Report of the Directors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2015 and of its profit for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2015

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and are in accordance with applicable accounting standards.

Turnover

Turnover represents income earned from the company's consultancy activities, excluding value added tax.

Intangible fixed assets

Intangible fixed assets are the costs of developing a software system. Amortisation is charged at 25% of cost on a straight line basis. The intangible assets were written off over four years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Leasehold property

- 20% on cost

Fixtures and fittings Motor vehicles Office equipment 25% on reducing balance25% on reducing balance

- 25% on reducing balance

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Operating leases

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.

2. TURNOVER

The turnover and profit before taxation are attributable to the one principal activity of the company.

An analysis of turnover by geographical market is given below:

	United Kingdom Rest of the world	2015 £ 279,000 2,294,000	2014 £ 219,000 1,720,000
		2,573,000	1,939,000
