NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 OCTOBER 2014

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company is reliant upon the financial support of its directors in order to meet its liabilities as they fall due. The directors have indicated that this support will continue for the foreseeable future and, as a result, have continued to adopt the going concern basis in preparing the financial statements.

1.2 Turnover

Turnover represents amounts receivable for services provided net of VAT.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Plant and machinery 10% Straight Line
Fixtures, fittings & equipment 20% Straight Line
Motor vehicles 25% Straight Line

No depreciation has been charged on leasehold land and buildings because the directors believe that after taking account of their estimated residual value and useful life any charge to depreciation would be immaterial.

1.4 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.5 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

1.6 Deferred taxation

The accounting policy in respect of deferred taxation reflects the requirements of the Financial Reporting Standard for Smaller Entities (effective April 2008). Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred taxation balance has not been discounted.

1.7 Group accounts

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertakings comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 398 of the Companies Act 2006 not to prepare group accounts.
