Trustees' Annual Report For the year ended 30 May 2023

The Trustees are pleased to present their annual directors' report together with the financial statements of the charity for the year ended 30 May 2023, which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes. On 10th March 2023 the name of the charity was changed from The Ashley Foundation to Homeless Action.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

The principal objective of the charity throughout the year was the relief of poverty by the provision of accommodation to persons in need and providing support to clients to assist them with the wider issues of homelessness. This was achieved by the operation of 138 (2022 201) hostel rooms spread across 3 sites (2022: 6) in Blackpool, Sunderland, and Blackburn, and 82 (2022: 88) self-contained Move On flats across 19 sites (2022:20) in Blackpool and Sunderland. The properties are occupied under differing arrangements including owned and operated, leased and operated and operated on behalf of other parties via management agreements.

In the hostels, daily support is provided to the clients assisting them with daily living skills. The clients in the flats are supported to live independently.

During the Covid pandemic additional accommodation was provided in both Blackpool and Sunderland. The provision of accommodation in Sunderland via creative use of existing accommodation is on-going.

In September 2019 the Charity opened a Community Café & Hub in Blackpool to provide opportunities for clients to experience practical work experience. As a result of the COVID-19 restrictions this was only able to operate fully until March 2020. It then re-opened fully in in May 2021 and continues to provide valuable catering work experience and qualifications for our clients

In December 2022, the Charity began providing out of hours security support services to a facility operated by Blackpool Coastal Housing.

The Trustees are clear that the objectives and activities of The Ashley Foundation are carried out for public benefit. They have referred to the guidance contained in the Charity Commission general guidance on public benefit when reviewing the purpose and objectives and when planning the future activities. In particular, the Trustees will consider how planned activities will contribute to the aims and objectives they have set.

Achievements and performance

Provision of accommodation - During the year accommodation was provided for 253 homeless individuals in Blackpool (2022: 293), 167 in Sunderland (2022: 197) and 123 in Blackburn (2022: 230). Numbers reduced in Blackpool & Sunderland due to increased length of stay as a result of an increase in complex cases and a change in evictions policy together with the conscious decision to spend more time with residents in the hostel to improve their outcomes. The reduction in Blackburn is as a result of Canterbury House & Union House deciding not to renew their management agreements as the end of 2021-22.

There continues to be high demand for accommodation from the local authorities and high occupancy levels were achieved.

Partnership working – During the year we continued to work closely with our local authorities and other providers in Blackpool, Sunderland and Blackburn.

Hostel Developments – In agreement with Blackpool Council, we have purchased additional accommodation to enable us to expand Elm House and provide an additional 18 beds, including disabled facilities and additional recreation facilities for our residents. It is expected that this will be ready in Autumn 2023.

Trustees' Annual Report (Continued)
For the year ended 30 May 2023

Residents Support - During the year we have developed our support provision for our residents. Our aim is to work closely with all our residents to enable them to obtain employment, where appropriate, and to live independently. We have introduced classes in Maths, English, IT skills, budgeting and life skills, alongside recreational activities including gym, boxing, walking and handicrafts. To support our work, we were very fortunate to receive grant funding from the Know Your Neighbourhood fund via the Community Foundation, for a pilot to carry out this work. Due to the success of the pilot, we were successfully awarded a further grant in September 2023, again from the Know Your Neighbourhood National Fund for 2 years funding to continue with this work.

The aim of the grant is to reduce isolation. We are providing support through skills workshops including finance, IT, Life Skills, sports and leisure, volunteering and job training including construction and hair and beauty.

Minibus – We were very fortunate to receive support from Blackpool Council and the Know Your Neighbourhood Fund via the Community Foundation to purchase a small minibus to transport our residents to appointments and activities.

Financial review

The statements of financial activities are set out on page 10 of the financial statements.

Consolidated income for the year was £3,285,748 (2022: £3,656,249), and consolidated expenditure for the year was £3,027,107 (2022: £3,812,928).

The overall consolidated surplus for the year was £258,641 (2022: deficit of £156,679). The year over year reduction in the deficit is largely due to the impact of the acquisition of the Blackpool Hostels which resulted in the termination of the onerous Management Agreements entered into by the previous Trustees in December 2017

Reserves/Reserves policy

Total reserves as at 30 May 2023 are £3,038,291 (2022: £2,779,650), of which £3,030,576 (2022: £2,768,042) are held in general unrestricted reserves and £7,715 (2022: £11,608) are held in restricted reserves. Within the unrestricted reserves are designated funds totalling £142,026 (2022: £88,708). See note 24 for further details.

Reserves are defined as unrestricted funds that are freely available to spend on charitable purposes. Reserves should be held to service an unexpected need for funds, covering unforeseen day-to-day operational costs, a shortfall in income or to fulfil our obligations. Our reserves policy is designed to reflect the underlying risks facing the charity and to ensure that we have appropriate level of reserves to safeguard our operations and services to homeless people, in particular the opening and initial operating of new buildings. Accordingly, we aim as far as reasonably practicable, to maintain reserve funds of up to six months operational running costs. This policy is reviewed annually. Based on the general reserves of £0.753 million (net of funds represented by property and associated borrowing and designated funds), 3.1 months reserves are in place. The Trustees consider the level of reserves to be sufficient at the moment but continue to review and monitor this.

Going concern

Following a review of the financial position at the date of signing these accounts and projections for the following 12 months the Trustees consider that the charity is a going concern.

Trading subsidiary

The charity's wholly owned subsidiary, Shop 2023 (formerly known as Homeless Action C.I.C). ceased operating its charity shop in March 2020 as a result of the Covid-19 pandemic, and the lease which ended in August 2021 was not renewed. The Trustees are in the process of applying to Companies House to have the subsidiary company dissolved.

Structure, governance, and management

Governing document

The charity was incorporated in May 1997. The Ashley Foundation is a company limited by guarantee governed by its Memorandum and Articles of Association dated 7 May 1997, as amended by special resolutions dated 4 September 1997, 4 January 2000, 5 January 2012, and 11 June 2021.

Governance

Introduction

On 20 March 2020, the Charity Commission opened a statutory inquiry into the affairs of the charity and on 13th January 2023 – published its findings. The report can be found on the Charity Commission website.

In accordance with Articles 31 & 32 of the company's Articles of Association Mrs Elizabeth Warren and Mr Simon Robinson resigned as Directors in March 2023 and were unanimously re-elected for a further term of office.

Appointment of trustees

Other than in the exceptional circumstances outlined in the Chairty Commission Report, when new Trustees are required, positions will be advertised locally, and a formal selection process will take place. This will also involve the potential new trustee(s) visiting local hostels and flats and also attending a trustee meeting to gain an appreciation of the workings of the charity.

Trustee induction and training

Trustee induction involves visits to see the premises and to meet the management and staff teams, together with time spent with the Chief Executive and Senior Managers to better and more fully understand the activities of the charity.

Related parties

In addition to the trustees who served during the year, the Trustees consider the following individuals and organisations to be related parties for the purposes of disclosure of related party transactions: , Mrs W Swift and Shop 2023 C.I.C. (formerly Homeless Action C.I.C.).

Details of related party transactions required to be disclosed in accordance with the relevant legislation and guidance can be found in Note 23 on Page 26.

Fundraising standards

The charity does not carry out significant fundraising activities.

Reference and administrative details

Reference and administrative details are shown in the schedule of members of the board and professional advisers on page 1 of the financial statements.

Directors and Trustees

The directors of the charitable company (the charity) are its trustees for the purpose of charity law and throughout this report are collectively referred to as the trustees. The trustees who served the company during the period of the report were as follows:

Key management personnel: Principal staff

Chief Executive Officer: Mrs W Swift

Trustees' responsibilities

The trustees (who are also directors of Homeless Action for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements, the trustees are required to:

- · select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departure disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Insofar as the current trustees are aware, and subject to the findings of the Charity Commission investigation which commenced on 20 March 2020 into events and transactions during this and previous financial years:

- · there is no relevant audit information of which the charitable company's auditors is unaware; and
- the trustees have taken all steps they ought to have taken to make themselves aware of any relevant audit
 information and to establish that the auditor is aware of that information.

Independent Auditor's Report to the Members of The Ashley Foundation For the year ended 30 May 2023

Opinion

We have audited the financial statements of The Ashley Foundation for the year ended 30 May 2023 which comprise the Group Statement of Financial Activities, the Group and Parent Company Statement of Financial Position, the Cash Flow Statement and the Notes to the Financial Statements, including a Summary of Significant Accounting Policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the charitable company's affairs as at 30 May 2023 and
 of its incoming resources and application of resources, including its income and expenditure, for the year then
 ended:
- · have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Independent Auditor's Report to the Members of The Ashley Foundation [Continued] For the year ended 30 May 2023

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- · the group financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the Trustees' Report and from the requirement to prepare a Strategic Report.

(Formerly known as The Ashley Foundation)

Independent Auditor's Report to the Members of The Ashley Foundation [Continued] - For the year ended 30 May 2023

Responsibilities of Trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Trustees are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Extent to which the audit was considered capable of detecting irregularities, including fraud

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

Identifying and assessing potential risks related to irregularities

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the sector, control environment and business performance;
- the organisation's own assessment of the risks that irregularities may occur either as a result of fraud or error;
- the results of our enquiries of management and members of the Board of Trustees of their own identification and assessment of the risks of irregularities;
- any matters we identified having obtained and reviewed the organisation's documentation of their policies and procedures relating to:
- identifying, evaluating and complying with laws and regulations and whether they were aware of any instances
 of non-compliance;
- detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud;
- the internal controls established to mitigate risks of fraud or non-compliance with laws and regulations; and
- the matters discussed among the audit engagement team regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

(Formerly known as The Ashley Foundation)

Independent Auditor's Report to the Members of The Ashley Foundation [Continued] For the year ended 30 May 2023

As a result of these procedures, we considered the opportunities and incentives that may exist within the company for fraud and identified the greatest potential for fraud in the following area:

The estimation of the housing benefit accrual. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory framework that the organisation operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the House in Multiple Occupation regulations, and the Selective Licensing schemes.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the company's ability to operate or to avoid a material penalty. These included Data Protection Regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Report Council's website at: www.frc.org.uk/auditor/sresponsibilities. This description forms part of our Auditor's Report.

Use of our Report

This Report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this Report, or for the opinions we have formed.

Notes to the Financial Statements For the year ended 30 May 2023

1. Company information

Homeless Action (Formerly known as The Ashley Foundation) is a private company limited by guarantee, domiciled and incorporated in England and Wales. The registered office is 81 Abingdon Street, Blackpool, Lancashire, FY1 1PP.

2. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

(a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 October 2019) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

Homeless Action meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant Accounting Policy note(s).

(b) Group financial statements

The financial statements consolidate the results of the charity and its wholly owned subsidiary Shop2023 CIC (Formerly known as Homeless Action CIC) on a line by line basis. A separate statement of financial activities and Income and Expenditure Account for the charity has not been presented because the charity has taken advantage of the exemption afforded by Section 408 of the Companies Act 2006.

(c) Going Concern

At the time of approving the financial statements the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

(d) Funds structure

- General funds are unrestricted funds, which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity.
- Restricted funds are funds subject to specific restrictive conditions imposed by the donor or by the
 purpose of the contract / monies received. The purpose and use of restricted funds is set out in note
 24 to the financial statements.
- Designated funds are funds which have been allocated or designated for specific purposes by the charity out of unrestricted funds.

2. Accounting policies (Continued)

(e) Income recognition

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

Income from donations and grants that provide core funding or are of a general nature is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received, and the amount can be measured reliably and is not deferred. Grants are deferred to future periods only when this is specified by the funder or other preconditions of the fund are not yet met.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably, and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is a treated as a contingent asset and disclosed if material.

Investment income is recognised on a receivable basis.

(f) Service agreements and management agreements

The charity has service agreements in place with other similar organisations. The income from these agreements is shown on a gross basis with expenditure included in Expenditure on Charitable Activities.

The charity has management agreements in place with Falcon Housing Association CIC to manage the provision of accommodation for the homeless in properties in Sunderland. Falcon is the leaseholder of these properties. The terms of the agreements result in the charity receiving income from Falcon equal to the amounts that Falcon receive as housing benefit from the council. This income is included in Income from Charitable Activities. Expenditure incurred in providing the service required under the terms of the agreements is included in Expenditure on Charitable Activities.

2. Accounting policies [Continued]

(g) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required, and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds are the direct and indirect costs of raising funds for charitable purposes, including applying for grants.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its
 activities and services for its beneficiaries. It includes both costs that can be allocated directly
 to such activities and those costs of an indirect nature necessary to support them.
- Support costs include costs of the preparation and examination of the statutory financial statements, the costs of Trustee meetings and the cost of any legal advice to Trustees on governance or constitutional matters.
- Other expenditure represents those items not falling into any other heading.

(h) Fixed assets

Individual fixed assets costing £2,000 or more are initially recorded at cost.

Depreciation is provided on all tangible fixed assets at the rates listed below so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life:

Freehold land and buildings 2% per annum on cost
Plant and machinery 10% per annum on cost
Office equipment 33.3% per annum on cost
Motor vehicles 16.7% per annum on cost

(i) Investments

Fixed asset investments are included at market value at the Balance Sheet date.

Realised gains and losses on investments are calculated as the difference between sales proceeds, and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

(j) Operating leases

Rentals payable under operating leases are charged in the Statement of Financial Activities on a straight-line basis over the lease term.

(k) Pensions

The charity operates an auto enrolment defined contribution scheme for all eligible employees in line with the current legislation.

(Formerly known as The Ashley Foundation)

2. Accounting policies (Continued)

(I) Debtors

Other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid after taking any discount due.

(m) Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments.

(n) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in a transfer of funds to a third party at the amount due to settle the obligation and can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discount due.

(o) Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

3. Legal status of the charity

The charity is a private company limited by guarantee and consequently does not have share capital. Each of the members is liable to contribute an amount not exceeding £10 towards the assets of the charity in the event of liquidation. The number of members at the year-end was seven (2022 - eight).

4. Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
