1 Accounting policies

Company information

Jackson Crane Limited is a private company limited by shares incorporated in England and Wales. The registered office is 3-4 Bower Terrace, Tonbridge Road, Maidstone, Kent, ME16 8RY. The principal place of business is 39 Linton Road, Maidstone, Kent, ME15 0AG.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

These financial statements for the year ended 31 July 2017 are the first financial statements of Jackson Crane Limited prepared in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland. The date of transition to FRS 102 was 1 August 2015. The reported financial position and financial performance for the previous period are not affected by the transition to FRS 102.

1.2 Turnover

Turnover represents revenue earned for services provided to clients. Revenue is recognised as earned when, and to the extent that, the company obtains the right to consideration in exchange for its performance under those contracts. It is measured at the fair value of the right to consideration, which represents amounts chargeable to clients, including recoverable expenses, but excluding Value Added Tax. For incomplete contracts, an assessment is made of the extent to which revenue has been earned. This assessment takes into account the nature of the assignment, its stage of completion and relevant contract terms. Unbilled revenue is included in debtors, under "gross amounts due from contract customers".

1.3 Tangible fixed assets

Tangible fixed assets are measured at cost, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures, fittings & equipment	25% reducing balance
--------------------------------	----------------------

1.4 Cash at bank and in hand

Cash at bank and in hand are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.5 Financial instruments

The company has elected to apply the recognition and measurement provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments. Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.
