1 Executive Summary

I was appointed Joint Liquidator of the Company together with Mark Firmin and Brian Green by the members of the Company on 15 May 2013. Our appointment was ratified by the creditors of the Company at a meeting of creditors held at The Hilton Hotel, 1 William Street, Glasgow on 24 May 2013.

In accordance with Section 104A of the Insolvency Act 1986, I set out below my annual report on the progress of the Liquidation. This report covers the 12 month period from 15 May 2013 to 14 May 2014.

Full details of the progress of the Liquidation are detailed below with all the relevant statutory information included by way of Appendices.

Joint Liquidator – Howard Smith

2 Progress to Date

2.1 Background

As previously reported, immediately following their appointment, the Joint Liquidators made an application to Court to seek relief to exercise certain powers to enable the disposal of the Company’s business and assets, prior to the meeting of the Company’s creditors

Following the making of the order by the Court, the Joint Liquidators concluded a sale of the business and certain assets of the Company to HSML and transferred certain land relating to the active coaling sites at Netherton and Duncanziemere to the Hivecons, two newly formed subsidiaries of the Company. In order to maintain operations at Netherton and Duncanziemere the directors of the Hivecons entered into a service agreement with HSML, who have assumed full operational responsibility at both sites. As part of the sale, 237 of the Company’s employees transferred to HSML.

The consideration payable in respect of the business and assets was £6,429,800 and this was apportioned as follows

	£
Motor Vehicles and Fixtures	50,000
Stock	46,000
Properties	615,800
Fixed Plant	650,000
Encumbered Plant and Equipment	1,313,650
Unencumbered Plant and Equipment	1,454,350
Contracts and Trade debts	1,299,998
Coal Stocks	1,000,000
All other Assets	1
Goodwill	1
Total consideration	<u>£6,429,800</u>

The Hivecons were set up to enable the land associated with the ongoing coaling operations at Netherton and Duncanziemere to be transferred into them. This land could not be immediately transferred to HSML, without certain planning permissions and consents being granted, due to the significant restoration liabilities attached to the land.

The assets transferred into the Hivecons for a total consideration of £588,200 (apportioned in respect of land of £438,200 and cash of £150,000). This is currently represented as an intercompany loan to the Hivecons.

On receipt of the requisite planning consents and permissions, HSML will acquire the shares in the Hivecons for £1, at which point the intercompany debt will be settled and the Company will receive £588,200 in respect of the assets transferred

In addition, assets relating specifically to the Glenmuckloch site were transferred to a special purpose vehicle owned by Buccleuch Estates Limited. The consideration for these assets was £1

2.2 Strategy

The majority of the business and assets had transferred to HSML as a result of the above transaction. Accordingly, the Joint Liquidators are seeking to realise the remaining assets, including the recovery of the loans due from the Hivecons

2.3 Communication

Following their appointment, the Joint Liquidators wrote to all known creditors on 15 May 2013 advising them of their appointment and attaching details of the sale of the business and assets. Shortly thereafter, on 29 May 2013, the Joint Liquidators wrote to all known creditors enclosing a copy of the Directors’ report which had been presented at the meeting of creditors on 24 May 2013

2.4 Assets

2.4.1 Sale of business and assets

As detailed in Section 2.1, a sum of £6,429,800 was realised as a result of the sale of the business and assets

2.4.2 Pre-appointment funds held by solicitors

Prior to the Joint Liquidators’ appointment, the Company had deposited funds with their solicitors to pay their ongoing pre-appointment legal costs. An amount of £336,020 has been received, which represents the balance of the funds held by the Company’s pre-appointment solicitors

2.4.3 Cash at bank

At the date of the appointment of the Joint Liquidators the Company had cash at bank of £6,443,118. This was recovered in full following the Joint Liquidators’ appointment

2.4.4 Rates refunds

In September 2013, the Joint Liquidators instructed a specialist surveyor to undertake a number of business rates revaluation appeals in respect of the Company’s former sites

As a result, a total of £198,031 has been received in the period

2.4.5 Third party funds

A total of £1,825,348 has been received in the period in respect of amounts which were due to HSML under the sale of business and assets detailed in Section 2.1. These funds have been transferred to HSML in the period.

2.5 Liabilities

2.5.1 Secured creditors

Hargreaves Surface Mining Limited

As previously reported, HSML purchased the secured debt of the Company from Becap on 1 March 2013 and hold a first ranking fixed and floating charge over the Company's assets. At the date of appointment, HSML were owed £13,123,343.

During the period the Joint Liquidators have made distributions totalling £9,929,800 to HSML under their security.

Euler Hermes (UK) Limited

As part of the Company's restoration obligations, bonds were provided to cover the costs of restoration should the Company be unable to meet its obligations. As security agent to the bond providers, Euler Hermes has a second ranking fixed and floating charge over the Company's assets. As there will be insufficient funds to enable a distribution to Euler Hermes under their security, they have agreed to release their security and the amount owed to Euler Hermes will rank as an unsecured claim in the liquidation.

2.5.2 Preferential creditors

As previously mentioned, 237 employees transferred to HSML as part of the sale of business and assets and therefore the Joint Liquidators do not currently anticipate any preferential claims in the liquidation.

2.5.3 Unsecured creditors

The Directors' statement of affairs estimated that unsecured creditors totalled £98,053,959, which comprises mainly of the amounts due to the bond providers, a large intercompany balance owed to ATH Resources and the outstanding restoration liabilities.

The Insolvency Act 1986 (Prescribed Part) Order 2003 is applicable in this case as HSML's security post dates 15 September 2003. The Prescribed Part is calculated as a percentage of the Company's net property. The Company's net property is the net amount available to the floating charge holder(s) after the payment of costs and preferential creditors and is currently estimated to be approximately £10,233,066.

In this instance, it is estimated that a maximum Prescribed Part fund of £600,000 (before the costs of agreeing creditor claims and making the distribution) will be available for the benefit of unsecured creditors.

Accordingly, the Joint Liquidators will be writing to all known creditors in due course to request details of any claim that they have against the Company

2 6 Expenses for the period

The receipts and payments for the period are set out in the attached Receipts and Payments Account (see Appendix 2)

Creditors voted in favour of the following resolutions in relation to the Joint Liquidators' remuneration, by creditor resolution

- “In the event that a liquidation committee is not formed, that the remuneration of the Joint Liquidators be drawn on the basis of time properly spent by the Joint Liquidators and their staff in attending to matters arising in the liquidation at KPMG LLP standard charge-out rates for the nature of this work”, and

The above disbursements were incurred in the period of this report. A total of £1,581.64 has been drawn to date.

Where funds permit the officeholder will look to recover both category 1 and category 2 disbursements from the estate. For the avoidance of doubt, such expenses are defined within SIP 9 as follows:

Category 1 disbursements These are costs where there is specific expenditure directly referable both to the appointment in question and a payment to an independent third party. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses, and equivalent costs reimbursed to the officeholder or his or her staff.

Category 2 disbursements These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage.

Any disbursements paid from the estate are disclosed within the attached summary of disbursements.

The only Category 2 disbursements that KPMG Restructuring currently charges is mileage, this is calculated as follows:

Mileage claims fall into three categories:

Use of privately-owned vehicle or car cash alternative – 45p per mile

Use of company car – 60p per mile

Use of partner’s car – 60p per mile

Creditors are reminded that the basis on which fees have been reported was agreed by the majority of creditors, as detailed in Section 2.6

However to determine if the quantum of the fees to be taken is reasonable the analysis included at Appendix 3 should be reviewed and any additional information can be requested by any secured creditor or any unsecured creditor(s) with at least 5% in value of the unsecured debt in accordance with rule 4.49E Insolvency Rules 1986. This request must be made within 21 days receipt of the report. The full text of that rule can be provided on request.

In addition creditors are reminded that the quantum can be challenged by unsecured creditor(s) with at least 10% in value excluding that creditors claim by making an application to court in accordance with rule 4.131 Insolvency Rules 1986. The full text of this rule can also be provided on request.

 - (i) any unsecured creditor, or
 - (ii) any member of the company in a members’ voluntary winding up, makes a request in writing to the liquidator for further information about remuneration or expenses set out in the progress report in accordance with Rule 4 49B(1)(e) or (f) (including by virtue of Rule 4 49C(5)) or in a draft report under Rule 4 49D, the liquidator must, within 14 days of receipt of the request, comply with paragraph (3) except to the extent that the request is in respect of matter in a draft report under Rule 4 49D or a progress report required by Rule 4 108 which (in either case) was previously included in a progress report not required by Rule 4 108
- (2) The period referred to in paragraph 1(a) and (b) is –
 - (a) 7 business days of receipt (by the last of them in the case of an application by more than one member) of the progress report where it is required by Rule 4 108, and
 - (b) 21 days of receipt (by the last of them in the case of an application by more than one member) of the report or draft in any other case
- (3) The liquidator complies with this paragraph by either –
 - (a) providing all of the information asked for, or

(b) so far as the liquidator considers that –

- (i) the time or cost of preparation of the information would be excessive, or
- (ii) disclosure of the information would be prejudicial to the conduct of the liquidation or might reasonably be expected to lead to violence against any person, or
- (iii) the liquidator is subject to an obligation of confidentiality in respect of the information,

giving reasons for not providing all of the information

(4) Any creditor, and any member of the company in a members’ voluntary winding up, who need not be the same as the creditors or members who asked for the information, may apply to the court within 21 days of –

- (a) the giving by the liquidator of reasons for not providing all the information asked for, or
- (b) the expiry of the 14 days provided for in paragraph (1),

and the court may make such order as it thinks just

(5) Without prejudice to the generality of paragraph (4), the order of the court under that paragraph may extend the period of 8 weeks or, as the case may be, 4 weeks provided for in Rule 4 131(1B) or 4 148C(2) by such further period as the court thinks just

(6) This Rule does not apply where the liquidator is the official receiver

4.131 Creditors’ claim that remuneration is [or other expenses are] excessive

(1) Any secured creditor, or any unsecured creditor with either the concurrence of at least 10% in value of the creditors (including that creditor) or the permission of the court, may apply to the court for one or more of the orders in paragraph (4)

(1A) Application may be made on the grounds that-

- (a) the remuneration charged by the liquidator,
- (b) the basis fixed for the liquidator’s remuneration under Rule 4 127, or
- (c) expenses incurred by the liquidator,

is or are, in all the circumstances, excessive or, in the case of application under sub-paragraph (b), inappropriate

(1B) The application must, subject to any order of the court under Rule 4 49E(5), be made no later than 8 weeks (or, in a case failing within Rule 4 108, 4 weeks) after receipt by the applicant of the progress report, or the draft report under Rule 4 49D, which first reports the charging of the remuneration or the incurring of the expenses in question (“the relevant report”)

(2) The court may, if it thinks that no sufficient cause is shown for a reduction, dismiss the application, but it shall not do so unless the applicant has had opportunity to attend the court for a hearing, of which he has been given at least 5 business days’ notice but which is without notice to any other party

If the application is not dismissed under this paragraph, the court shall fix a venue for it to be heard, and give notice to the applicant accordingly

(3) The applicant shall, at least 14 days before the hearing, send to the liquidator a notice stating the venue and accompanied by a copy of the application, and of any evidence which the applicant intends to adduce in support of it

(4) If the court considers the application to be well-founded, it must make one or more of the following orders –

(a) an order reducing the amount of remuneration which the liquidator was entitled to charge,

(b) an order fixing the basis of remuneration at a reduced rate or amount,

(c) an order changing the basis of remuneration,

(d) an order that some or all of the remuneration or expenses in question be treated as not being expenses of the liquidation,

(e) an order that the liquidator or the liquidator’s personal representative pay to the company the amount of the excess of remuneration or expenses or such part of the excess as the court may specify,

and may make any other order that it thinks just, but an order under subparagraph (b) or (c) may be made only in respect of periods after the period covered by the relevant report

(5) Unless the court orders otherwise, the costs of the application shall be paid by the applicant and are not payable as an expense of the liquidation
