To the Registrar of Companies
(Address overleaf - Note 6)

For official use

Company number

03376625

Name of company

Luxfer Gas Cylinders Limited (the Company)

Date of creation of the charge

23 March 2009

Description of the instrument (if any) creating or evidencing the charge (note 2)

A supplemental debenture dated 23 March 2009 between (1) the Company and the companies set out in Schedule 1 to this Form 395 (each a **Chargor** and together the **Chargors**) and (2) Bank of America, N.A. as security trustee for the Finance Parties (the **Security Trustee**) (the **Supplemental Debenture**) supplementing a debenture dated 27 April 2006 between (1) the **Chargors** and (2) the **Security Trustee** (the **Debenture**).

Amount secured by the mortgage or charge

The liabilities of the **Chargors** to the Finance Parties under or pursuant to the Finance Documents except for any liabilities which, if secured by the Supplemental Debenture, would result in a contravention by the **Chargors** of section 151 of the Companies Act 1985 (the **Secured Liabilities**).

Note: Capitalised terms not defined on this page are defined in the M395 Continuation Sheet attached.

Notes

† delete as
appropriate

- 1 The original instrument (if any) creating or evidencing the charge, together with these prescribed particulars correctly completed must be delivered to the Registrar of Companies within 21 days after the date of creation of the charge (section 395). If the property is situated and the charge was created outside the United Kingdom delivery to the Registrar must be effected within 21 days after the date on which the instrument could in due course of post, and if dispatched with due diligence, have been received in the United Kingdom (section 398). A copy of the instrument creating the charge will be accepted where the property charged is situated and the charge was created outside the United Kingdom (section 398) and in such cases the copy must be verified to be a correct copy either by the company or by the person who has delivered or sent the copy to the Registrar. The verification must be signed by or on behalf of the person giving the verification and where this is given by a body corporate it must be signed by an officer of that body. A verified copy will also be accepted where section 398(4) applies (property situate in Scotland or Northern Ireland) and Form No. 398 is submitted.
- 2 A description of the instrument, eg "Trust Deed", "Debenture", "Mortgage", or "Legal charge", etc, as the case may be, should be given.
- 3 In this section there should be inserted the amount or rate per cent. of the commission, allowance or discount (if any) paid or made either directly or indirectly by the company to any person in consideration of his;
 - (a) subscribing or agreeing to subscribe, whether absolutely or conditionally, or
 - (b) procuring or agreeing to procure subscriptions, whether absolute or conditional,for any of the debentures included in this return. The rate of interest payable under the terms of the debentures should not be entered.
- 4 If any of the spaces in this form provide insufficient space the particulars must be entered on the prescribed continuation sheet.
- 5 A fee of £13 is payable to Companies House in respect of each register entry for a mortgage or charge. Cheques and Postal Orders must be made payable to **Companies House**.
- 6 The address of the Registrar of Companies is: Companies House, Crown Way, Cardiff CF14 3UZ

Luxfer Gas Cylinders Limited (the **Company**)

Short particulars of all the property mortgaged or charged (continued)

1 Creation of Security

Each Chargor as continuing security to secure the payment and discharge of the Secured Liabilities, mortgaged or (if or to the extent that the Supplemental Debenture does not take effect as a mortgage) charged by way of fixed charge all of its present and future right, title and interest in and to:

- (a) the Supplemental Specified Equipment; and
- (b) all spare parts and replacements for and all modifications and additions to the Supplemental Specified Equipment.

2 Nature of Security created

The Security created under the Supplemental Debenture was created:

- (a) as a continuing security to secure the payment and discharge of the Secured Liabilities;
- (b) (except in the case of assets which are the subject of a legal mortgage under the Supplemental Debenture) over all present and future assets of the kind described which are owned by the Chargors and, to the extent that it does not own those assets, shall extend to any right or interest which it may have in them;
- (c) in favour of the Security Trustee as trustee for the Finance Parties; and
- (d) with full title guarantee (except that the covenant set out in section 3(1) of the Law of Property (Miscellaneous Provisions) Act 1994 shall extend to all charges, incumbrances and rights, even if the Chargors do not know and could not reasonably be expected to know about them).

3 Existing Debenture

3.1 For the purposes of the Supplemental Debenture and the Debenture and with effect from the date of the Supplemental Debenture:

- (a) the Supplemental Specified Equipment shall form part of the Specified Equipment and the Security Assets;
- (b) any references in the Debenture to the Security Interests created by or pursuant to the Debenture shall be deemed to include the Security Interests created by or pursuant to the Supplemental Debenture; and
- (c) the Supplemental Debenture shall be read as one with the Debenture so that all references to 'the Deed' and similar expressions shall include references to the Supplemental Debenture.

3.2 The Debenture shall continue in full force and effect as supplemented by the Supplemental Debenture.

4 Definitions

In this Form 395:

Accession Agreement means an agreement substantially in the form set out in the Facility Agreement pursuant to which a Lender or an Affiliate of a Lender accedes to the Facility Agreement in its capacity as a Hedging Party as contemplated by the provisions of the Facility Agreement.

Act means the Law of Property Act 1925.

Additional Finance Documents means any document evidencing or recording any arrangements between any Finance Party and any Obligor in respect of the following transactions: (a) credit cards and cardless e-payables services, (b) credit card processing services, (c) debit cards, (d) purchase cards, (e) any cash management, treasury or related services (including the Automated Clearing House processing of electronic fund transfers through the direct Federal Reserve Fedline system, controlled disbursement, automated clearinghouse transactions, return items, overdrafts and interstate depository network services), (f) cash management, including controlled disbursement, accounts or services, or (g) any daylight overdraft or other daylight exposures.

Advance means the principal amount of each advance made or to be made under the Facility as from time to time reduced by repayment or payment under the Facility Agreement.

Affiliate means, with respect to any person, any other person directly or indirectly controlling, controlled by, or under direct or indirect common control with, such person.

Agents means collectively the Facility Agent and the Security Trustee; and **Agent** shall be a reference to either of them as the context may require.

Amendment and Restatement Deed means the deed dated 5 March 2009 between, amongst others, the Chargors and the Security Trustee relating to a facility agreement dated 26 April 2006.

Borrower has the meaning given to it in the Facility Agreement.

Encumbrance means any mortgage, charge (fixed or floating), pledge, lien, hypothecation, right of set-off, security trust, assignment by way of security, retention of title, or any other security interest whatsoever, howsoever created or arising or any other agreement or arrangement (including any sale and leaseback transaction) entered into for the purposes of conferring security and any agreement to enter into, create or establish any of the foregoing.

Equipment means (except to the extent that they form part of the Chargors stock in trade) any present and future plant, equipment, machinery, computers and computer hardware and software (whether owned or licensed), vehicles, tools, furniture and fixtures and all attachments, accessories owned by the Chargors and property (other than Fixtures) now or in future relating to it or used in connection with it and replacements and substitutions for it wherever located.

Facility means the Facility to be made available by the Lenders pursuant to Clause 2.1 (*Grant of the Facility*) of the Facility Agreement.

Facility Agent means Bank of America, N.A.

M395 Continuation Sheet

Company number

Luxfer Gas Cylinders Limited (the Company)

Facility Agreement means the Sterling £45,000,000 facility agreement dated 26 April 2006 between, amongst others, the Chargors and the Security Trustee (as amended and restated pursuant to the Amendment and Restatement Deed).

Fee Letter means the letter from the Facility Agent to Luxfer Group Limited dated on or about the date of the Amendment and Restatement Deed and accepted by Luxfer Group Limited setting out details, among other things, of fees payable in connection with the Facility, as referred to in Clause 10 (*Commissions and Fees*) of the Facility Agreement.

Finance Documents means the Facility Agreement, the Subordination Deed, each Security Document, the Hedging Agreements (if any), each Accession Agreement, the Fee Letter, the Additional Finance Documents, the Amendment and Restatement Deed and any other document designated as a Finance Document by the Facility Agent and Luxfer Group Limited.

Finance Parties means the Facility Agent, the Security Trustee, each Lender, each Issuer and each Hedging Party and any Affiliate of any of those parties which is the holder of any Obligations.

Fixtures means all fixtures and fittings (including those of trade) and fixed plant and machinery on the Mortgaged Property.

Group means PLC and its Subsidiaries from time to time; and **Group Company** and **member of the Group** shall mean any one of them.

Guarantor has the meaning given to it in the Facility Agreement.

Hedging Agreement means any agreement entered into by an Obligor with a Hedging Party for the purpose of hedging (i) interest rate or foreign exchange risk in relation to the Facility (ii) metal price and foreign exchange risk in relation to its ordinary trading activities and/or (iii) interest rate exposures linked to the interest payment obligations of PLC under the PLC Notes.

Hedging Party means the Original Hedging Party and any other Lender or any Affiliate of a Lender as the counterparty of any Obligor under a Hedging Agreement.

Issuer means:

- (a) the Original Issuer; or
- (b) any Lender that hereafter becomes an Issuer with the approval of the Facility Agent and Luxfer Group Limited by agreeing pursuant to an agreement with and in form and substance satisfactory to the Facility Agent and Luxfer Group Limited to be bound by the terms of the Facility Agreement applicable to Issuers.

Land has the same meaning as it has in section 205(1) of the Act.

Lender means:

- (a) the Original Lender to the extent of its participation in the Facility; and
- (b) any Transferee to whom rights and/or obligations are or have been assigned or transferred in accordance with Clause 26.2 (*Assignments and Transfers by Lenders*) of the Facility Agreement,

until, in each case, its entire participation in the Facility has been assigned or transferred in accordance with Clause 26.2 (*Assignments and Transfers by Lenders*) of the Facility Agreement; and such persons shall be collectively referred to as the **Lenders**.

Mortgaged Property means any interests in Land the subject of the Security created by the Debenture.

Obligations means the Advances and all other amounts, liabilities, obligations, covenants and duties owing by the Obligors (or any one or more of them) to a Finance Party or any Affiliate of any of them, of every type and description (whether by reason of an extension of credit, loan, guarantee, indemnification, foreign exchange or currency swap transaction, interest rate hedging transaction or otherwise), present or future, arising under the Facility Agreement, any other Finance Document and any Hedging Agreement with a Finance Party or its Affiliates (but not otherwise), whether direct or indirect (including those acquired by assignment), absolute or contingent, due or to become due, now existing or hereafter arising and however acquired and whether or not evidenced by any note, guarantee or other instrument or for the payment of money, and includes all fees, interest, charges, expenses, legal fees and disbursements and other sums chargeable to the Obligors (or any of them) under the Facility Agreement, any other Finance Document and any Hedging Agreement (but not otherwise).

Obligor means each of the Borrowers and each of the Guarantors; and **Obligors** shall mean all of them collectively.

Original Hedging Party means Bank of America, N.A.

Original Issuer means Bank of America, N.A.

Original Lender means Bank of America, N.A.

PLC means Luxfer Holdings PLC (registered in England and Wales with number 03690830).

PLC Notes means the £71,850,977 Floating Rate Senior Notes due 2012 issued by PLC on the terms set out in the indenture dated as of February 6, 2007 in the form approved by the Facility Agent..

Security means the Encumbrances created or expressed to be created pursuant to the Security Documents.

Security Assets means all of the assets of each Chargor which are the subject of any Security created or to be created by the Debenture.

Security Documents means each of the following documents:

- (a) the charges, pledges and assignments and other security documents in form and substance acceptable to the Security Trustee and the Facility Agent and delivered to the Facility Agent under Schedule 2 to the Facility Agreement or pursuant to the Amendment and Restatement Deed; and
- (b) any other documents entered into from time to time by any member of the Group providing for a guarantee or Encumbrance in favour of the Finance Parties (or any of them) in respect of the Obligations of the Obligors under the Finance Documents, and any other documents designated as Security Documents by the Facility Agent and/or the Security Trustee.

Security Interest means a mortgage, charge, pledge, lien or other security interest securing any obligation of any person, or any arrangement having similar effect.

Specified Equipment has the meaning given to in the Debenture.

Subordination Deed means the subordination deed dated 26 April 2006 made between the Obligors, the Agents and other members of the Group (including PLC).

Supplemental Specified Equipment means the Equipment specified in Schedule 2 to this Form 395.

Subsidiary means:

- (a) a subsidiary within the meaning of section 736 of the Companies Act 1985, as amended by section 144 of the Companies Act 1989; and
- (b) unless the context otherwise requires, a subsidiary undertaking within the meaning of section 21 of the Companies Act 1989.

Transferee means any bank, financial institution, trust fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets to whom a Lender transfers or assigns (or, as the context may require, seeks to transfer or assign) all or part of its rights, benefits and obligations under the Facility Agreement.
