Notes to the Abbreviated Accounts
for the Period Ended 30th June 2014

1. Accounting policies

Basis of measurement and preparation of accounts

These accounts have been prepared under the historical cost convention.

Turnover policy

The turnover and profit before taxation are attributable to the Principal activity of the company, all of which arises in the United Kingdom. No turnover was produced as the company did not trade.

Tangible fixed assets depreciation policy

Depreciation is provided at the following annual rates in order to write-off each asset over it's estimated useful life. Equipment 0% straight line.

Intangible fixed assets amortisation policy

Intangible fixed assets (including purchased goodwill and patents) are amortised at rates calculated to write off the assets on a straight basis over their estimated useful economic lives, not to exceed twenty years. Impairment of intangible assets is only reviewed where circumstances indicate that the carrying value of an asset may not be fully recoverable.

Valuation information and policy

Stocks and work-in-progress are valued at the lower of cost and net realisable value, after making due allowances for obsolete and slow moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.
