Directors' report for the year ended 31 December 2007

The Directors have pleasure in submitting their annual report and the audited financial statements for the year ended 31 December 2007

Principal activities

The Company participates in a partnership, "The Particol Partnership", with Interlates Limited, a wholly owned subsidiary of Ciba Specialty Chemicals Holdings Inc., for the exploitation of patent rights to paper chemical technology

Directors

The directors of the Company at 31 December 2007 are shown on page 1 Each of them served on the Board during the whole of the year under review. Subsequent Board changes saw the resignation of P. Coates and the appointment of P Otway J Clifford served as company secretary for the whole year under review.

None of the directors who held office at the end of the financial year had any disclosable interest in the shares of the Company.

Review of business and future developments

The Company's business consisted of its participation in The Particol Partnership and includes the lease and / or sale of generators to the paper making industry.

Of the four generators transferred from the Particol Partnership to Eka Chemicals (AC) Limited, three are currently in operation. No new generators have been added during the year

As the Particol Partnership no longer has any revenue streams, Eka Chemicals (AC)'s interest in it has been written down accordingly with all future revenues, for Eka Chemicals (AC)'s generators accruing direct to the Company.

During the year Eka Chemicals (AC) received its share of the cash allocation bought about by the restructuring of The Particol Partnership in 2006

The directors believe Eka Chemicals (AC) Limited to be a going concern, as set out within Note 1. Accounting policies on page 9.

Directors' report (continued)

Results and dividend

The profit for the year after taxation amounted to £272,536 (2006 loss £487,624) The directors do not recommend the payment of a dividend (2006 £nil)

Disclosure of information to auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditors are unaware. Each director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information

Auditors

In accordance with Section 487(2) of the Companies Act 2006, there is no requirement to appoint auditors annually and therefore KPMG LLP will continue in office

By order of the board

J Clifford Secretary

Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the company for the period.

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that its financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Closing shareholders' funds/(deficit)	57,699	(214,837)

Notes to the financial statements for the year ended 31 December 2007

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

The directors have presented the financial statements on a going concern basis. It is their opinion that the immediate holding company, Eka Chemicals Limited, will provide funding necessary to support the continued development of the company. This opinion is based on the continued funding of the Company since the balance sheet date. Confirmation has been received from Akzo Nobel Chemicals NV of their intention to continue funding Eka Chemicals (AC) Limited.

If the Company were unable to continue to trade, adjustments would have to be made to reduce the value of assets to their recoverable amounts, to provide for any further liabilities that might arise and to reclassify fixed assets and long term liabilities as current assets and current liabilities. The financial statements at 31 December 2007 would be materially affected by changes in future funding arrangements

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the profit and loss account.

Investments

Investments are stated at cost less any provision for a permanent diminution in value.

Cash flow statement

Under Financial Reporting Standard 1, Cash Flow Statements, Eka Chemicals (AC) Limited is exempt from the requirement to prepare a cashflow statement on the grounds that the ultimate parent undertaking, Akzo Nobel NV, includes the Company in its own consolidated financial statements.

Notes to the financial statements (continued)

1 Accounting policies (continued)

Turnover

The Company's turnover is generated through royalties receivable. Turnover represents the amounts invoiced to other group companies excluding value added tax. Turnover is recognised at the point of invoice

Deferred taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19, Deferred Taxation

Related party transactions

The Company is controlled by Eka Chemicals Limited

As the Company is a 90% or more owned subsidiary of Akzo Nobel NV, a company whose accounts are publicly available, advantage has been taken of the exemption in FRS 8, Related Party Disclosure, relating to the disclosure of material, related party transactions, and has therefore not disclosed transactions or balances with entities which form part of the group. The consolidated financial statements of Akzo Nobel NV, within which this Company is included, can be obtained from the address given in note 12.

The Company participates in a cash pooling arrangement with certain other group companies. This arrangement allows the Company to draw upon or credit amounts to a separately designated facility within a cash pool account in the name of Akzo Nobel Coatings (BLD) Limited. The Company operates the facility as if it were the Company's own bank account, however, the Company has no legal title. Accordingly, the amounts have therefore been included within amounts owed by group undertakings rather than cash at bank. All parties to the arrangement are jointly and severally liable to the bank for any overdraft thereon. At 31 December 2007 the overdraft was £1,200,000 (2006. £1,640,000). Included within amounts owed by group undertakings is £72,353 (2006. £1) in respect of the Company's share of the account.

The amounts owed to group undertakings do not require any further write down during the year following the directors' impairment review of the investment
