Wembley National Stadium Limited

Strategic report

Strategic report

The directors, in preparing this Strategic report, have complied with s414C 'contents of Strategic report' of the Companies Act 2006.

Principal activity

The principal activity of Wembley National Stadium Limited ("WNSL") is an events business, facilitating events on behalf of event owners across a wide variety of sporting and entertainment activities.

Wembley Stadium has long-term staging agreements with a number of event owners, including Football Association Limited ("The FA"), The Football League, The Rugby Football League and The National Football League ("NFL"). These events form the spine of Wembley's event calendar.

Wembley also has strong relationships with a number of other event owners, regularly hosting events on behalf of various music promoters, and other sporting bodies.

Review of business and future prospects

During the current season WNSL generated turnover of £104.1m (2016: £104.4m) and increased operating profit by £0.5m from £12.0m in 2015/16 to £12.5m 2016/17. Operating profit and Turnover are the two main KPI's of WNSL. The movement in turnover is due to a reduction in events hosted during the year (2017: 32; 2016: 36) offset by increases in sales of Club Wembley hospitality products. Operating profit increased due to reductions in remuneration costs recognised in 2015/16 as a result of the restructure which occurred within that season.

Hosting the most high profile, showpiece events is critical to maintaining Wembley's position as one of the world's leading stadia. The 2016/17 season continued on the success of previous seasons by hosting a wide range of events including the final and semi-finals of the Emirates FA Cup and finals of other FA competitions, a number of England Senior Men's internationals, the RFL Challenge Cup final, three UEFA Champions League and one Europa League fixture for Tottenham Hotspur, two NFL games, the world heavyweight championship bout between Joshua and Klitschko and a number of world renowned artists as part of the Wembley summer concert season.

As we look forward to the 2017/18 season, we are pleased to host Tottenham Hotspur for their entire home Premier League and UEFA Champions League fixtures.

During the 2017/18 season we will launch a new Club Wembley product offering. Club Wembley is now split into the north and south view. The north view is similar to the previous Club Wembley product and offers licence holder's premium hospitality, with the south view offering licence holders access to premium bars and catering. This new product offering presents a financial risk to the organisation which has been discussed further in principal risks and uncertainties.

Wembley Stadium remains fully accessible, and we pride ourselves on being able to offer every visitor an unrivalled event-day experience. There is an accessible entrance at every set of turnstiles for wheelchair users, semi-ambulant visitors and those accompanied by assistance dogs and we have more than 310 wheelchair spaces across all levels. Wembley also provides a full 90-minute commentary service, including information and emergency announcements, to ensure that blind and partially sighted football fans are able to enjoy their match day experience fully and safely. Off the pitch, we continue to work closely with Level Playing Field (LPF) to improve the accessibility, customer service and overall experience of live events for disabled fans.

Liquidity and financing

WNSL activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. All revenue is generated in Sterling and therefore is not impacted by changes in foreign currency exchange rates.

WNSL principal financial assets are bank balances and cash, trade and other receivables.

WNSL credit risk is primarily attributable to its trade receivables. The amounts presented in the statement of financial position are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

WNSL has a net current liabilities position of £124.9m (2016 £131.6m) and is reliant on its parent company The FA to provide it with financial resources when required in order to enable WNSL to meet its obligations as they fall due, therefore creating a liquidity risk.

At 31 July 2017 The FA had access to £143.7m of undrawn debt facilities and has sufficient ability to provide WNSL with this financial support. Alongside this the directors of The FA have concluded that The FA remains a going concern.

Wembley National Stadium Limited

Strategic report

Principal risks and uncertainties

There are a number of potential risks and uncertainties which could have a significant impact on the Company's long-term performance.

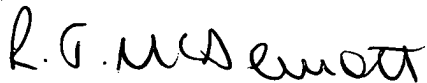

The FA Group's management team actively review existing risks across the Group and identify new risks on a quarterly basis. Suitable controls are put in place and action plans are established to mitigate risks. The risk management process is overseen by the Group Audit Committee, as described in the Directors' report.

Club Wembley revenue represented 16% of the Group's turnover in the year. Club Wembley box and premium seats had been contracted for an average of eight and ten years respectively. The majority of these licences expired in July 2017.

The renewal of these box and seat licences for the current season and future seasons presents a commercial risk to the organisation. The renewals of box licences remain consistent from prior seasons and sales of seat licences remains a focus for management.

These principal risks and uncertainties have been disclosed in full within Wembley National Stadium Limited parent (Football Association Limited) consolidated financial statements.

Directors' report

The directors present their report and the audited financial statements for the year ended 31 July 2017.

As permitted under section 414C(11) of the Companies Act 2006, the disclosures required by regulations made under section 416(4) in relation to financial risk management objectives and policies have been included in the Strategic report and form part of this report by cross-reference.

Going concern

The directors have considered the principal risks and uncertainties as disclosed within its Parent Company accounts and have taken account of them in their forecasts, and concluded that there is a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Further, The FA has provided written confirmation to the directors of WNSL of its intention to provide any financial support that is necessary to enable WNSL to meet its obligations as they fall due, for a period of 12 months from the date of signing the report and financial statements. Accordingly, the directors continue to adopt the going concern basis in preparing this report and financial statements.

Further details regarding the adoption of the going concern basis can be found in the statement of accounting policies in the financial statements.

Dividends

The directors do not recommend the payment of a dividend for the period (2016: £nil).

Corporate governance

The Board

The main functions of the Board are to formulate the strategy, objectives and major policies of the Company. The Board did not meet formally during the reporting period, but met informally on a number of occasions. Statutory matters may be dealt with by way of a written resolution of the Board.

Where directors, in the furtherance of their duties, need to take independent professional advice they may do so at the Company's expense. They also have access to the advice and service of The FA Group's Company Secretary.

The directors of the Company during the period were as follows:

Name	Role	Date appointed/resigned
M Glenn	Executive Director	
J Harrington	Executive Director	Resigned on 2 June 2017
M Burrows	Executive Director	

The Company has made qualifying third party indemnity provisions for the benefit of its directors which were made during the period and remain in force at the date of this report.

Group Audit Committee

The Board is responsible for the Company's system of internal control and for reviewing its effectiveness at least annually. Such a system is designed to manage, rather than eliminate, the risk of failure to achieve business objectives and can only provide reasonable, and not absolute, assurance against material misstatement or loss.

The FA Board has established a Group Audit Committee (the "GAC") with a mandate to provide independent oversight on the following matters across The FA Group:

- governance, including risk management and internal control
- external audit arrangements
- internal audit arrangements
- the appropriateness of financial reporting
- compliance, whistleblowing and fraud

The GAC's remit includes all operations and activities undertaken by The FA Group, covering the consolidated Group and the individual entities: Football Association Limited, Wembley National Stadium Limited and National Football Centre Limited.

Wembley National Stadium Limited

Directors' report (continued)

During the year the GAC was comprised of an independent chairman, Ian Nunn, alongside Roger Devlin (independent non-executive board director) and four independent members, Mary Reilly, Vijay Vaghela, Tim Score and Jill Ainscough. Sadly Ian Nunn passed away during the current season. Consequently Tim Score was appointed as chairman on 17 October 2017. WNSL is grateful for the support and service Ian provided to the Company whilst Chairman of The GAC.

The independent chairman and independent members have no connections with The FA Group companies such as through a material business relationship or by representing a shareholder. As well as bringing independence and objectivity, these members are appointed onto the GAC in view of the skills, experience and professional qualifications they can bring to the role. The GAC typically meets four times per year, with one meeting including the review of the financial statements of the Group.

The GAC reviews reports from management, internal audit and external audit on the Group's (Football Association Limited and its subsidiaries) system of internal control and risk management, specifically those that support the integrity of the financial statements. The GAC also reviews and, where necessary, challenges the judgements of management in relation to the preparation of the financial statements.

The Remuneration Committee

The Remuneration Committee comprises Peter McCormick OBE (Chair), Roger Devlin, Jack Pearce and Greg Clarke. It is responsible for advising the Board on the pay and terms and conditions of the Chief Executive Officer, members of senior management and the Chair and non-executive directors of FA Group companies. In discharging its duties, the Remuneration Committee takes independent advice where appropriate. The remuneration policy is designed to attract, retain and motivate executive directors to deliver the business strategy. Remuneration arrangements for senior positions incorporate performance measures which link to the business plan and individual performance criteria.

Health and Safety Committee

The Health and Safety Committee is responsible for overseeing health and safety matters within The FA Group and to ensure that The FA is discharging its statutory and regulatory obligations. The Committee is chaired by Mervyn Leggett and comprises other members of The FA's executive.

Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the director has taken all the steps that he/she ought to have taken as a director to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP has indicated their willingness to be reappointed for another term and appropriate arrangements are being made for them to be deemed reappointed as auditor in the absence of an Annual General Meeting.

Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Wembley National Stadium Limited

Independent auditor's report to the members of Wembley National Stadium Limited

Report on the audit of the financial statements

Opinion

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 July 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of Wembley National Stadium Limited (the 'company') which comprise:

- the profit and loss account;
- the statement of financial position;
- the statement of changes in equity; and
- the related notes 1 to 18.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in respect of these matters.

Wembley National Stadium Limited

Independent auditor's report to the members of Wembley National Stadium Limited (Continued)

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

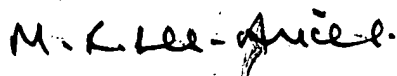

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Wembley National Stadium Limited

Notes to the financial statements (continued) Year ended 31 July 2017

1. Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and the preceding period.

a) General information and basis of accounting

Wembley National Stadium Limited is a company incorporated in the United Kingdom under the Companies Act. The address of the registered office is given on page 1. The nature of the Company's operations and its principal activities are set out in the Strategic report.

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional currency of the Company is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates. The Company's financial statements are therefore presented in pounds sterling.

The Company meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements. Exemptions have been taken in relation to financial instruments, presentation of a cash flow statement, intra-group transactions and remuneration of key management personnel.

The results of the Company are included in the consolidated accounts of its ultimate parent company, Football Association Limited.

b) Going concern

The business activities of Wembley National Stadium Limited ("WNSL" or the "Company"), together with the factors likely to affect its future development, performance and financial position are set out in the Strategic Report. At the period end, the Company has net current liabilities of £124.9m (2016: £131.7m). It has received a letter of support from Football Association Limited and therefore the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the directors continue to adopt the going concern basis in preparing the annual report and financial statements.

c) Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation and any provision for impairment. No depreciation is charged in respect of freehold land. Depreciation is provided on all other tangible fixed assets on a straight-line basis, at rates calculated to write off the cost of those assets over their useful expected lives, and incorporating any residual value, as follows:

Stadium	- the assets that comprise the Stadium have been categorised into operating classes and depreciated according to the useful economic life of that class. Useful economic lives range from 5 to 50 years
Freehold land	- no depreciation is charged in respect of land
Long leasehold property	- over the life of the lease when remaining term is less than 50 years, otherwise not depreciated
Furniture and fittings	- 10 years
Computer equipment	- 3 years
Plant and machinery	- 3 to 10 years

Wembley National Stadium Limited

Notes to the financial statements (continued) Year ended 31 July 2017

1. Accounting policies (continued)

d) Intangible fixed asset

WNSL holds an intangible asset which represents the cost attributed to intellectual property on the acquisition of Wembley Stadium. The intellectual property rights are being amortised using the straight line method over a useful economic life in line with the stadium fixed assets. An impairment review is performed annually.

e) Grants and deferred income

Grants in respect of capital expenditure are credited to a deferred capital grant account and are released to the profit and loss account over the expected useful lives of the relevant assets by matching with the relevant depreciation expense. Where a grant relates to an asset which is not depreciated, the grant remains in deferred income until the end of the asset's life.

Revenue grants are credited to income so as to match them with the expenditure to which they relate.

f) Leasing commitments

Rentals paid or received under operating leases are charged or credited to the profit and loss account on a straight-line basis over the term of the lease, unless another systematic basis is more representative of the time pattern in which the benefit from the leased asset is receivable.

Assets held under finance leases, which confer rights and obligations similar to those attached to owned assets, are capitalised as tangible fixed assets and are depreciated over the shorter of the lease terms and their useful lives. The capital elements of future lease obligations are recorded as liabilities, while the interest elements are charged to the profit and loss account over the period of the lease to produce a constant rate of charge on the balance of capital repayments outstanding.

g) Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the Statement of financial position date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the Statement of financial position date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the Statement of financial position date. Timing differences are differences between the Company's taxable profit and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profit from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured at the average rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantially enacted by the Statement of financial position date. Deferred tax is measured on a non-discounted basis.

h) Pensions

The Company operates a defined contribution pension scheme. The amount charged to the profit and loss account in respect of pension costs is the contributions payable in the period. Differences between contributions payable in the period and contributions actually paid are shown as either accruals or prepayments in the Statement of financial position.

i) Borrowing costs

The arrangement fees for the committed funding have been offset against the loan and are being amortised over the period of the loan. Finance costs, including amortisation of arrangement fees, directly attributable to construction of the stadium were capitalised and are being depreciated on a straight-line basis over the life of the stadium. Borrowing costs incurred from the date of operational completion are charged to the profit and loss account as incurred.

Wembley National Stadium Limited

Notes to the financial statements (continued) Year ended 31 July 2017

1. Accounting policies (continued)

j) Turnover

Club Wembley licence fees - The revenue is recognised when the licence agreement has been signed and the exercise period commences. Total revenue from licence fees is spread evenly across the term of the licence agreement being ten years. The majority of these licences finished in the 2016/17 season with the remainder finishing in 2017/18.

Club Wembley season fees - When a customer first joins Club Wembley, revenue is recognised from when the licence agreement has been signed and the licence period has commenced. The season fee is spread evenly across the period to which it relates (1 August to 31 July if a full season).

Revenue from events is derived predominantly from the sale of tickets and packages to Club Wembley customers, WNSL's share of gate receipts under various staging agreements and one-off stadium hire fees. Other sources of event related income are programme income, other merchandise income, commission on resale and commission on catering. This income is all recognised when the event occurs.

Sponsorship and related revenues – These are recognised in line with the rights provided, under each contract.

Other revenue is recognised as it is earned. Sources of other revenue include: shop income; tour income; parking income; steward training income; postage and packaging charged to customers; credit card fees charged to customers; licensing for merchandising; photography and publications; commission on catering and fees for catering rights within the stadium.

k) Barter transactions

Turnover and costs in respect of barter transactions for goods and services are recognised only where there is persuasive evidence of the value at which, if they had not been exchanged, the goods and services would have been sold for cash in a similar transaction.

l) Derivative financial instruments

The Company uses derivative financial instruments to reduce exposure to interest rate movements. The Company does not hold or issue derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date a derivative contract is entered into and are subsequently remeasured to their fair value at each reporting date. The Company determines the fair value of its derivative financial instruments using quoted market prices adjusted for credit risk based on an implied probability of default, calculated using accepted valuation techniques. The resulting gain or loss is recognised in profit or loss immediately. No hedge accounting is applied.

m) Stock

Stock is stated at the lower of cost and net realisable value. Net realisable value is based on estimated selling price, less further costs expected to be incurred to completion and disposal. Provision is made for obsolete, slow moving or defective items where appropriate.

2. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Critical accounting judgements

No critical accounting judgements have been made during the current season.

Key sources of estimation uncertainty in applying the Company's accounting policies

The following are the critical judgements and estimations that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Impairment review of tangible assets

There are a number of assumptions management have considered in performing the impairment review of the Company's tangible assets, the most significant of which is the stadium (see note 10 for details of the carrying value). The determination of whether the assets are impaired requires an estimation of the value in use of the assets, based upon an estimate of the future cash flows expected to arise from the assets and a suitable discount rate in order to calculate present value.

When testing the Stadium assets for impairment a number of assumptions have been used in estimating future cash flows. Wembley Stadium generates cash in a number of ways such as sponsorship, non-FA events, FA Cup matches, England games and Club Wembley. It also absorbs cash notably capital expenditure of which £16 million is budgeted for 2018. The Group Strategic Report makes reference to the challenges posed by the renewal of Club Wembley renewals and also the need to invest in the Stadium. The impairment assessment is sensitive to key assumptions, in particular, the level of Club Wembley cash flows.

The discount rate used within the calculation is the 20 year AA UK corporate bond rate.

When testing the hotel assets for impairment a number of assumptions have been used in estimating future cash flows including the forecast occupancy rates of the hotel.

The discount rate used within the calculation is the interest rate attached to the hotels finance lease.

3. Turnover

Turnover, which is stated net of value added tax, represents amounts receivable from operating, sporting and other entertainment events and arises solely in the UK.

The amount of barter transactions recognised in turnover is £0.4m (2016: £0.4m).

Deferred capital grants (note 13 (c))	107,516	108,552
	<u>356,916</u>	<u>368,595</u>

Amounts owed to Parent represent an interest bearing loan payable to The FA. A variable rate of interest of 12 month Libor + a margin of 1.15% is charged on £82.4m of this loan balance and a fixed rate of interest of 3.4% is charged on £160.0m of this loan balance.

(b) At 31 July 2017 the Company had annual commitments under non-cancellable finance leases as set out below:

	2017 £'000	2016 £'000
Less than one year	45	45
Between one and two years	-	45
	<u>45</u>	<u>90</u>

(c) Deferred capital grants comprise the following amounts:

WNSL received the following capital grants from the above public sector funders to assist with the construction of Wembley Stadium.

	Initial grant received £'000	Balance as at 2017 £'000	2016 £'000
Sport England	78,500	75,905	76,128
Department of Culture, Media and Sport	20,000	15,375	15,768
London Development Agency	21,000	16,236	16,656
	<u>119,500</u>	<u>107,516</u>	<u>108,552</u>

The Sport England grant of £78.5m was made under the terms of agreements dated 11 November 1997 and 15 May 1998. £11.2m of this grant funding related to Stadium assets and will be amortised over the life of the building. This leaves a balance of £67.3m which mainly represents grants in respect of land of £64.5m (not amortised).

The Department of Culture, Media and Sport grant relates to the S106 payments to improve infrastructure of the surrounding area. The London Development Agency grant relates to infrastructure work, which includes certain elements of costs relating to concrete, steel framework, and concourses. Both grants are amortised over the life of the stadium.

The amount amortised to the profit and loss account in relation to these during the period was £1.0m (2016: £1.0m).

14. Provisions for liabilities

	Deferred tax £'000
At 31 July 2016	14,636
Released (charged) to the profit and loss account in the period	(2,807)
At 31 July 2017	<u>11,829</u>

The amounts of deferred taxation provided in these accounts are as follows:

	2017 £'000	2016 £'000
Accelerated capital allowances	2,048	4,389
Tax losses available	-	(775)
Interest rate swap	(4,204)	(4,161)
Capitalised finance costs	13,987	15,185
Other short term timing differences	(2)	(2)
	<u>11,829</u>	<u>14,636</u>

Deferred tax assets and liabilities are offset only where the Company has a legally enforceable right to do so and where the assets and liabilities relate to income taxes levied by the same taxation authority on the same taxable entity or another entity within the same group.

The Company has an unrecognised gross deferred tax asset on capital losses of £3.2m (2016: £3.2m).

Derivative liabilities are measured at initial recognition at fair value and are subsequently remeasured to their fair value at each balance date with the resulting gains and losses recognised in profit or loss.

15. Called up share capital and reserves

	2017 £	2016 £
Allotted, called up and fully paid		
1 'A' share - non-equity	1	1
101 ordinary shares of £1 each	101	101
	<u>102</u>	<u>102</u>

The 'A' share is held by Sport England and entitles the shareholder to appoint directors as set out in the Articles of Association. The holder is not entitled to vote at General Meetings or receive dividends, and on winding up the holder is only entitled to the capital paid on the share.

Ordinary shares have the right to participate in any dividend or other distribution to be made out of accumulated realised profit of the Company in proportion to the number of ordinary shares of which they are the registered holder. On a return of assets on liquidation, reduction of capital or otherwise the holder of ordinary shares will be entitled to participate in proportion to the number of ordinary shares in which they are the registered holder. Every holder of ordinary shares shall have one vote on a show of hands and shall have one vote for every ordinary share of which it is the holder on a poll.

The Company's other reserves are as follows:

The share premium reserve contains the premium arising on issue of equity shares, net of issue expenses. On 20 December 2007, one ordinary share was subscribed for the sum of £170.0 million, which was applied towards a reduction in the debt currently outstanding to The FA. On 28 July 2015, one ordinary share was subscribed for the sum of £60 million, which was applied towards a reduction on the debt currently outstanding to The FA.

The Company must ensure that up to £100.0m of any investment from The FA (including loans or equity investments) will be retained for a minimum period of 50 years from the date of practical completion of the stadium, unless specific permission from the Secretary of State is given otherwise.

The profit and loss account represents cumulative profits or losses, net of dividends paid and other adjustments.

16. Financial commitments

Operating leases

Total future minimum lease payments under operating leases are as follows:

	2017 £'000	2016 £'000
Operating leases which expire:		
Within one year	-	478
Within two to five years	-	879
	<u>-</u>	<u>1,357</u>

Operating leases outstanding at 31 July 2016 related to land leased adjacent to the stadium. During the 2016/17 season the lessor executed a break clause cancelling the lease.

17. Related party transactions

No related party transactions requiring disclosure have been identified.

18. Controlling party

The ultimate and immediate parent Company and controlling party is Football Association Limited ("The FA"), a Company incorporated in the United Kingdom and registered in England and Wales. The results of the Company are consolidated in the accounts of The FA. Copies of The FA's accounts are available from Football Association Limited, Wembley Stadium, PO Box 1966, London, SW1P 9EQ.
