#### **BUSINESS REVIEW**

The Montessori Kindergarten Continues to deliver an excellent start to school life with a considerable increas in the number of pupils enrolling - 77 to date this year.

There has been a marked increase in the number of pupils transferring from the Kindergarten to our Reception class. Specialist teaching of Music, French, ICT and games is continuing to be offered throughout the Pre-Prep Department.

Specialist teaching is provided in all subjects throughout the Junior School and our Kent Test results this year were particularly pleasing with 100 per cent success rate - 14 candidates achieved Grammar School entry.

At GCSE 79 per cent of all students achieved five or more A\* to C grades.

The Boarding numbers continue to rise steadily, and a significant number of newly recruited staff have contributed to the excellent standard provided throughout the School.

This year has also seen the successful ISI (Independent Schools Inspectorate) Inspection, giving accreditation to ISA (Independent Schools Association) together with a successful Nursery and Social Services Inspections.

Recent expenditure on capital improvements and maintenance of the buildings has been funded by loans from the NATWEST bank and the De Haan Charitable Trust.

A major capital and refurbishment programme saw the addition of a 15 station IT room, together with a newly installed telephone exchange.

#### **FUTURE REVIEW**

With the recent successful Independent Schools Inspection (ISI) and the improvements to the facilities and fabric of the school, ST MARY'S WESTBROOK is poised to raise the numbers of pupils with a concentrated marketing strategy. There is capacity within the school to increase to 24 students per year group without a substantial increase in expenditure.

Report of the Auditors to the Members of St Mary's Westbrook Limited

We have audited the financial statements on pages 6 to 11 which have been prepared under the historical cost convention and the accounting policies set out on page 8.

## Respective Responsibilities of Directors and Auditors

As described on page 4 directors who also act as Trustees for the charitable activities of St Marys Westbrook are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

## **Basis Of Opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the governors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material mis-statement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

## **Opinion**

In our opinion the financial statements give a true and fair view of the charitable company's state of affairs as at 31 August 2001 and of its incoming resources and application of resources, including its income and expenditure, in the period then ended and have been properly prepared in accordance with the Companies Act 1985.
