Directors' report

The directors present their report and the financial statements for the 9 month period ended 31 December 2013. The previous financial statements were for the 12 month period ended 31 March 2013.

Principal activities

The principal activity of the Company is that of an investment holding company.

Business review

The Company has adequate financial resources, and as an investment holding company no significant changes are expected in relation to its income streams or cost base that could jeopardise this. As a consequence, the directors believe that the Company is well placed to manage its business risks successfully despite the current uncertain economic outlook.

The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Results and dividends

The profit for the period, after taxation, amounted to £492,000 (Year ended 31 March 2013 - £16,490,000).

The directors do not recommend the payment of a dividend (Year ended 31 March 2013 - £nil).

Directors

The directors who served during the period were:

R P Blok (appointed 21 June 2013)
N A R Fox (appointed 21 June 2013)
C R Stent (resigned 21 June 2013)
I P Woods

- so far as that director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the Company's auditor in connection with preparing its report and to establish that the Company's auditor is aware of that information.

Auditor

Pursuant to Section 487 of the Companies Act 2006 the auditors will be deemed to be reappointed and KPMG LLP will therefore continue in office.

This report was approved by the board on 19 August 2014 and signed on its behalf.

Directors' responsibilities statement
for the period ended 31 December 2013

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.
