**DEPTFORD CHALLENGE TRUST LIMITED  
MANAGEMENT BOARD REPORT  
FOR THE YEAR ENDED 31 MARCH 2019**

The Management Board (who are also the Directors and Trustees) present their report and the independently examined financial statements of the charitable company for the year ended 31 March 2019. The financial statement has been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)) as amended by Update Bulletin 1 issued in February 2016 and the Charities Act 2011. The statutory information is shown on Pages 1 and 2.

**STATUS AND GOVERNING DOCUMENT**

Deptford Challenge Trust Limited (the Trust) is a charitable company limited by guarantee, incorporated on 23 June 1997 and registered as a charity on 9 July 1998. The company was established under a Memorandum of Association, which established the objects and powers of the charitable company and is governed by its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1 towards its liabilities, if anything at all.

**ORGANISATION**

The Trust is managed by its Management Board whose members are also the Trustees of the Charity. The London Community Foundation (LCF), formerly known as Capital Community Foundation (CCF), continues to act as administrator and assessor of the applications and makes recommendations to the Trustees who remain entirely responsible for the allocation of the funds. To ensure accountability, LCF monitors the use of funding in order to ensure adherence to grant conditions and accountability for the use of funds, and reports to the Trustees.

**RECRUITMENT AND APPOINTMENT OF TRUSTEES**

The Management Board consists at any time of up to 14 members. The following organisations are each entitled to appoint one Board Member: Goldsmiths College, Lewisham Southwark College, formerly Lewisham College, South East London Chamber of Commerce and the London Borough of Lewisham. Deptford Community Forum was entitled to appoint two Board Members but has now been disbanded. Up to two Members may be appointed from local tenants and residents' associations but no appointments have been made. The Management Board may invite a business or service in the local area to nominate one person to be a Board Member and may appoint up to four additional Directors.

**TRUSTEE INDUCTION AND TRAINING**

New Trustees are briefed on the source of income and the grant-making policies of the Trust and on the content and purposes of the Memorandum and Articles of Association of the Company. They are supplied with the Charity Commission's publication on the duties of Charity Trustees and are made aware of their responsibilities as Company Directors.

**OBJECTIVES AND ACTIVITIES**

The Trust's objects and its principal activities are to promote the benefit of the inhabitants of the Deptford City Challenge area in a common effort to advance education training and social welfare with the object of improving the conditions of life of the said inhabitants. The Trustees carry out these objects by providing grants to organisations undertaking projects that meet the criteria set out within its grant schemes. The Trustees have taken account of the guidance contained in the Charity Commission's general guidance on public benefit in carrying out these objectives and in planning future grant funding rounds.

The Trust's source of funding arises from the income stream from the Dean House building constructed as student accommodation and leased to Goldsmiths College. The building is the result of an investment by Deptford City Challenge Limited, which, in May 1999, transferred its interest to the London Borough of Lewisham by an agreement which recognised the use, for charitable purposes in Deptford, of future funds arising from rentals. On the same date, the Trust entered into an agreement with the London Borough of Lewisham relating to the use of the funds.

Each year, the Trustees organise an event at which a prominent Guest of Honour announces the awards of grants for the year in question. It is attended by representatives of many third sector organisations and provides both a platform for such organisations and an opportunity for the exchange of ideas and experience.

The Trustees have a duty to make the best use of the funds at the Charity's disposal by ensuring that the work of the organisations which submit applications is of value and public benefit to the people of Deptford and that such organisations are able to make good use of the funding.

The Trustees review the grant schemes each year to ensure they best meet the needs of the inhabitants of the area of benefit in accordance with the objects of the Charity, although the schemes had not changed since the Charity was incorporated. In 2016 the Trustees commissioned independent research from a third sector consultant into the funding of the community and voluntary sector within the area of benefit. The London Community Foundation used the findings from the report to inform a proposal to change the grant programmes. The Trustees discussed the proposal in detail and agreed to replace the Strategic Grant and Small Grant programmes with one Open Programme to cover all grants from £1,000 to £30,000 and this was rolled out during 2017. The criteria, and priority themes of education and skills; community cohesion and social inclusion; health and wellbeing; strengthening the DCT area were set as guidelines. In addition, they introduced a new Core Grant programme of up to £20,000 per year, for a maximum of three years, for up to two organisations. Funds would be unrestricted for the use of core activities, rather than for specific projects or roles so that the organisations would be able to concentrate on developing its charitable aims.

**DEPTFORD CHALLENGE TRUST LIMITED  
MANAGEMENT BOARD REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2019**

The overall quality of the applications remains high both from applicants already known to the Trust and from well-qualified new applicants. The Trust receives more applications than it is able to fund, and employs The London Community Foundation (LCF) to independently assess each application and make written recommendations to the Board. The Trustees then consider each application with reference to LCF's recommendations, the Trust's funding policy and their own local knowledge. The Trustees make it known that any organisation which is unsuccessful on one occasion should not feel discouraged from applying in a later round. LCF also monitors the projects, provides feedback to the Trustees, and works with the organisations to address any issues during the project that may cause them not to meet their project outcomes.

During the year the Charity continued the 'World of Possibilities' project, led by Kathryn Riley, Professor of Urban Education at UCL. She ran a second conference and series of workshops to continue to build new partnerships and develop creative solutions to common challenges within the voluntary and charity sectors in the Deptford community. The conference and workshops worked towards empowering individuals to become leaders and encourage new collaboration between organisations. A standing committee was formed from leaders that evolved during the project who will continue the work of the project into the future and who will also apply for further funding. During the year a website was launched to further connect the Deptford voluntary and charity sectors. The project was funded from the Richard MacVicar legacy, bequeathed to the Trust in 2017. DCT will continue to fund the project until the next year, after which it will become self-sustaining.

During 2018 DCT commissioned a researcher to produce a report, the Deptford Emergency Relief Fund, to assist another local charity, Deptford First. The report set out how their Trustees could work effectively with local third sector organisations to support residents who have no current recourse to public funds, are in immediate crisis and/or are at high risk of entering a downward spiral of destitution and dependency

## **RISK MANAGEMENT**

The Trustees have considered the risks faced by the Charity. They consider the main risks to be:

(a) misuse of funds under the Charity's immediate control: the risk of such misuse is reduced by the requirement that all proposed payments and transfers of funds, being the property of the Charity, must be supported by transfer instructions implementing approvals by the Board or by invoices from providers of goods and services. In either case, instructions for transfers and payments must be signed by two authorised signatories; and

(b) loss of funds due to failure or liquidation of any agency holding funds which are the property of the Charity; This is of particular moment to DCT, being a distributing charity, which relies on an agent to distribute funds of which the release has been authorised by the Board. Here, the particular risk of loss is alleviated by a provision in the agreement with the agent having the responsibility for distribution of funds, having the effect that the funds remain the property of DCT until such time as they are passed to recipients in accordance with instructions of its Trustees.

MANAGEMENT BOARD REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2019**

**FINANCIAL REVIEW**

During the year ended 31 March 2019, £213,304 was distributed. Of this £173,188 was distributed through the Open programme to ten applicants and £40,000 through the Core Grants programme to two applicants. Core grants are distributed annually for up to 3 years subject to certain criteria being met at each anniversary. This compares with 2017 when £40,928 in total was distributed, all through the former Small Grants programme; the reduced overall level being due to the extended time required to process the new Open programme. The names of the grant recipients and the amount allocated to them are listed in Note 4 to the accounts. These organisations are commendable examples from the voluntary sector bodies operating for the good of a range of Deptford people.

During the year the Trustees continued discussions with London Borough of Lewisham over the level of income the Trust was due. We are pleased to report that during the period we have been able to conclude these discussions with the balance due received in August 2018.

The Trust spent £8,972 (2018 -£6,976) on the 'World of Possibilities' project and this was funded from the Richard MacVicar legacy.

**RESERVES POLICY**

Trustees review DCT's reserves policy and reserves levels annually as part of the planning process.

The Trust's historic reserves would have enabled it to continue its programme for one year following the unlikely event of the cessation of its income.

In 2018 the London Borough of Lewisham started paying the rental income from Dean House, which is DCT's main source of income, in one payment, rather than two. The full payment is now received before the grants are decided upon, so the Trustees agreed to reduce the target level of reserves to £25,000, to cover a year's running costs and some contingency. It was agreed to allocate a further £150,000 of unrestricted funds reserves to the Investment Reserve.

Following the conclusion of the discussions with London Borough of Lewisham over the level of income the Trust was due and receipt of the agreed difference the Trustees again reviewed the level of reserves. Noting the target level of £25,000 it was agreed to allocate a further £54,153 of unrestricted funds reserves to the Investment Reserve.

**INVESTMENT POLICY**

It is the policy of the Trust to hold its cash reserves in interest-bearing accounts with a financial institution or institutions of established reputation. This arrangement will be reviewed at an appropriate time.

During the period the Trustees reviewed DCT's Investment policy and amended it to the following:

It is the policy of the Trust to hold its:

**DEPTFORD CHALLENGE TRUST LIMITED  
MANAGEMENT BOARD REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2019**

- Unrestricted Funds reserves in interest-bearing accounts with a financial institution or institutions of established reputation.
- Investment Reserve in a balanced investment portfolio with a 5 year + time horizon and managed by financial institution or institutions of established reputation.

The Trustees review DCT's investment policy annually. Currently DCT's investment managers are Smith & Williamson Investment Management LLP. Given DCT's resources it has not created its own investment policy and has opted to use one based upon the Church of England Ethical Investing Policies to ensure its investments do not harm the communities it is trying to help. Over time DCT's policy may diverge from the Church of England Ethical Investing Policies should the Trustees' identify areas where these conflict with the Trust's open and inclusive values. This policy is reviewed annually and is consistent with Trustees responsibilities under the Charities Act.

### **FUTURE DEVELOPMENTS**

Trustees will continue to review the grant schemes rolled out in the prior year against the monitoring reports from The London Community Foundation, to ensure that they are best meeting the objects of the Charity. They were, however, concerned that the number of applications for the last grant round had fallen significantly. Trustees therefore agreed to commission independent research into the reasons for this fall and whether any changes are recommended to the current grant schemes, which they will review in October 2019.

Following a review the Trustees will consider the further development of the 'World of Possibilities' project which would focus on the development of leaders and leadership within local organisations and the community.

### **MANAGEMENT BOARD RESPONSIBILITIES**

Company and charity law requires the Management Board, as Trustees and Directors, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the surplus or deficit of the charitable company for that period. In preparing those financial statements, the Management Board are required to:-

- 1) select suitable accounting policies and then apply them consistently.
- 2) make judgements and estimates that are reasonable and prudent.
- 3) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Management Board are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006 and the Charities Act 2011. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT  
TO THE MEMBERS OF DEPTFORD CHALLENGE TRUST LIMITED  
FOR THE YEAR ENDED 31 MARCH 2019**

I report on the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2019.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ACCA, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
