OTHER INFORMATION

On 7 July 2015 we reported as auditors to the members of the company on the financial statements prepared under section 396 of the Companies Act 2006 and our report included the following paragraph:

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosures made in note 1.2 to the financial statements concerning the company's ability to continue as a going concern. As at 31 March 2015, the company's liabilities exceeded its total assets by £23,653. As disclosed in note 1.2, the company is supported by other group companies. We would therefore draw your attention to the disclosures made in note 1.2, but our opinion is not qualified in this respect.

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2015

1. ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 GOING CONCERN

As at 31 March 2015 the company had net liabilities of £23,653. The directors believe that the cash currently held by the company, together with anticipated receipts and support from other group companies will enable the company to continue in operational existence for at least twelve months from the date of signing of the financial statements and have therefore concluded that it is appropriate to prepare these financial statements on a going concern basis.

1.3 TURNOVER

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax.

1.4 TANGIBLE FIXED ASSETS AND DEPRECIATION

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Property improvements	- 10% / 25% straight line
Plant and machinery	- 25% reducing balance

1.5 DEFERRED TAXATION

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.
