Report of the Trustees for the year ended 31 December 2018

The Trustees, who are also Directors of the Company for the purposes of the Companies Act 2006, submit their Annual Report and the Financial Statement for the year ended 31 December 2018. The Trustees confirm that the Annual Report and Financial Statements of the Company comply with the current statutory requirements, the requirements of the Company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective 1 January 2015).

Constitution

The Charity is a charitable company limited by guarantee and was incorporated on 16 July 1997. The principal objectives of the Company are:

1. to ensure that the artefacts that were previously held by the Museum at Bromley-by-Bow in London (now closed) and those currently held by the John Doran Gas Museum in Leicester are preserved for future generations.
2. to establish a 'living collection' by providing a mechanism that would ensure gas artefacts from the present and future are collected, maintained and displayed.

Method of appointment or election of Trustees

The management of the Company is the responsibility of the Trustees who are appointed indefinitely based on the skills, knowledge of the industry and competences they bring to the organisation.

The list of Trustees (page 1) shows the names of current Trustees, all of whom served throughout the year.

Review of activities

The statement of financial activities for the year is set out on page 4 of the Financial Statements.

The Company continues to operate the Museum in Leicester, with a part-time Curator funded by British Gas and a network of volunteers.

Investment policy

The Company has adopted a policy of investing any surplus cash on a risk-free basis in bank deposits.

Reserves

This year has been the eighteenth year of activity of the Company. The Trustees will continue to seek donations to cover the current commitments of the Company and ensure that it has sufficient resources to provide uninterrupted services for the future.

Future liabilities

The Company has no known liabilities other than the costs of operating the Museum (c£5,000 per annum).

Trustees' responsibilities statement

The Trustees (who are also Directors of the Company for the purposes of company law) are responsible for preparing the Trustees' Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practices).

NATIONAL GAS MUSEUM TRUST

Report of the Trustees for the year ended 31 December 2018 - continued

Company law requires the Trustees to prepare Financial Statements for each financial year. Under company law the Trustees must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing those Financial Statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis, unless it is inappropriate to presume that the Company will continue in business.

The Trustees confirm that they have complied with the above requirements in preparing the Financial Statements.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

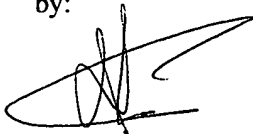

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in the United Kingdom governing the preparation and dissemination of Financial Statements may differ from legislation in other jurisdictions.

Auditors

The Company has taken advantage not to appoint auditors under section 477 of the Companies Act 2006 relating to small companies.

In preparing this report, the Trustees have taken advantage of the small companies exemption provided by 415A of the Companies Act 2006.

This report was approved by the Trustees on the 25 February 2019 and was signed on their behalf by:
