Directors' report Year ended 31 December 2008

The directors present their annual report and the audited financial statements of the company for the year ended 31 December 2008.

Business review and principal activities

The principal activity of the company is that of organiser of the BRIT Awards.

The results for the company show a profit for the year of £36,011 (2007 - £40,363) on turnover of £7,746,347 (2007 - £8,232,556).

The directors do not recommend a dividend for the year (2007 - £nil). The accumulated profit and loss reserves at the balance sheet date was £139,300 (2007 - £103,289).

Business environment

The UK recorded music market continues to produce and develop exceptionally talented artists and the BRIT Awards celebrate this fact and recognise their achievements and success every twelve months.

Research and analysis

We continue to discuss with our business partners and stakeholders to enable additional investment in and development of exciting new aspects for the future of the BRIT Awards.

Principal risks and uncertainties

The company's principal activity is organising the BRIT Awards which are a celebration of recorded music. The key risk associated with this is that the shows are reflective of the quality of British recorded music. Fortunately the UK music industry is extremely good at developing talented artists.

Future outlook

The quality of British recorded music continues to go from strength to strength and this makes the future outlook of the business very positive.

The board and management team are committed to the future of the business.

Key performance indicators and charitable donations

Given the straightforward nature of the business, the directors are of the opinion that analysis using KPIs is not necessary for an understanding of the development, performance or position of the business, however the BRIT Awards main show achieved 6.1m UK TV viewers (2007 - 5.3m) on its initial broadcast.

The company made a charitable donation during the year, to the BRIT Trust, of £660,000 (2007 - £1,685,000).

Statement of directors' responsibilities in respect of the Annual Report and the financial statements

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business, in which case there should be supporting assumptions or qualifications as necessary.

The directors confirm that they have complied with these requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' report (continued) Year ended 31 December 2008

Statement as to disclosure of information to auditors

So far as each of the directors is aware, there is no relevant audit information (as defined by Section 234ZA of the Companies Act 1985) of which the Company's auditors are unaware, and each director has taken all steps that he ought to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Auditors

Nexia Smith & Williamson LLP have been acting as auditors since 9th December 2008. A resolution to appoint them will be proposed at the annual general meeting.

Approved by the board of directors and signed on behalf of the board.

Nicholas Glynn

Company Secretary

22 April 2009

Independent auditors' report to the member of BRIT Awards Limited

We have audited the financial statements of BRIT Awards Limited for the year ended 31 December 2008 which comprise the profit and loss account, the balance sheet, the cash flow statement, and the related notes. These financial statements have been prepared under the accounting policies set out therein.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). This report, including the opinion, has been prepared for and only for the company's members as a body in accordance with section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the directors' report is consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion:

- the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the company's affairs as at 31 December 2008 and of its profit and cash flows for the year then ended;
- the financial statements have been properly prepared in accordance with the Companies Act 1985; and
- the information given in the Directors' Report is consistent with the financial statements.

1. Accounting policies

The financial statements are prepared in accordance with the Companies Act 1985 and applicable Accounting Standards. The principal accounting policies adopted, which have been applied consistently with the prior year, are described below.

Accounting convention

The financial statements are prepared under the historical cost convention.

Turnover

Turnover represents receipts from the annual BRIT Awards ceremony and related licensing as well as receipts from the Classical BRITS award ceremony and from sales of other licensed products. Amounts invoiced prior to the ceremony are recognised as deferred income. Revenue is released to the profit and loss account at the time the ceremony is held. All turnover originates in the United Kingdom.

Work in progress

Work in progress is valued at the lower of cost and net realisable value, and represents costs incurred in respect of award ceremonies occurring after the year end. These costs are recognised in the profit and loss account at the time the ceremony is held.

Deferred Tax

Provision is made for deferred taxation using the incremental liability approach and is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which the timing differences reverse, based on tax rates and laws substantively enacted at the balance sheet date.

Deferred tax is recognised in respect of timing differences that have originated but not reversed by the balance sheet date subject to the following:

- (i) Deferred tax assets are recognised to the extent that they are regarded as recoverable. Assets are regarded as recoverable when it is regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing difference can be deducted.
- (ii) Deferred tax is not recognised on permanent differences.

Pension Schemes

The company makes contractually agreed contributions towards approved defined contribution pension schemes for certain employees. The company's contributions are charged to the profit and loss account on an accruals basis.

The schemes are completely independent from the assets of the company.

2. Operating (loss) / profit is stated after charging:

	2008 £	2007 £
Auditors' remuneration – fees payable for the audit	5,750	5,750
- tax compliance	2,500	2,500
3. Staff costs		
	2008	2007
	£	£
Employee costs during the financial year:		
Wages and salaries	275,387	260,278
Social security costs	30,766	30,134
Other pension costs	11,513	12,274
•	317,666	302,686

The company employed 5 members of staff during the year (2007: 5).

4. Directors' emoluments

The directors received no remuneration for their services to the company in the current year or in the previous year.

5. Interest receivable and similar income

	2008	2007
	£	£
Bank interest receivable	54,468	42,018

6. Taxation

	2008	2007
	£ .	£
Current tax:		
UK corporation tax on profits of the year	9,272	11,202
Adjustment in respect of previous years	1,764	
Total current tax	11,036	11,202
Deferred tax:		
Origination and reversal of timing differences	(192)	(700)
Effect of tax rate change on opening balances	(65)	
Total deferred tax	(257)	(700)
Tax on profit on ordinary activities	10,779	10,502

The tax assessed for the year is different to that resulting from applying the average small companies' rate of corporation tax in the UK in the year of 20.75% (2007: 19.75%). The differences are explained below:

	2008	2007
	£	£
Profit on ordinary activities before tax	46,790	50,865
Tax at 20.75% (2007 – 19.75%)	9,709	10,046
Expenses not deductible for tax purposes	1,227	493
Depreciation in excess of capital allowances	122	-
Other short-term timing differences	(1,786)	663
Change in tax rate – impact on current tax	•	-
Adjustment in respect of previous years	1,764	
Current tax charge for the year	11,036	11,202

Factors affecting future tax charges:

The proposed increase from 21% to 22% in small companies corporation tax rate planned from 1 April 2009 has been deferred to 1 April 2010.
