NOTES TO THE ABBREVIATED ACCOUNTS
For The Year Ended 31 March 2013

1. ACCOUNTING POLICIES

Accounting convention

Investment properties are included in the balance sheet at their open market value. Depreciation is provided only on those investment properties which are leasehold and where the unexpired lease term is less than 20 years.

Although this accounting policy is in accordance with the applicable accounting standard, SSAP 19, Accounting for investment properties, it is a departure from the general requirement of the Companies Act 1985 for all tangible assets to be depreciated. In the opinion of the directors compliance with the standard is necessary for the financial statements to give a true and fair view. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount of this which might otherwise have been charged cannot be separately identified or quantified.

The company has taken advantage of the exemption in Financial Reporting Standard No. 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

Turnover

Turnover represents amounts receivable for rent and services.

Deferred tax

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.

2. CALLED UP SHARE CAPITAL
