**DIRECTORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 2 January 2022**

Statement of directors' responsibilities in respect of the financial statements

The director is responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the director has prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law). Under company law the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the financial statements comply with the Companies Act 2006.

The director is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditors

As permitted by s480 of the Companies Act 2006, the company is exempt from preparing audited accounts as it has remained dormant since the end of the previous financial year.

Small companies note

In preparing this report, the director has taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the board and signed on its behalf.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 2 January 2022**

1. General information

Finsbury (Development) Limited ("the company") is a private company limited by shares and is incorporated and domiciled in the United Kingdom. Its registered address is St Anthonys Road, Beeston, Leeds, West Yorkshire, LS11 8DT, United Kingdom. The company is dormant and has not traded during the year.

Finsbury Orthopaedics Limited is the company's immediate parent company.

Johnson & Johnson, incorporated in the United States of America, is the company's ultimate parent company.

Johnson & Johnson prepares group financial statements and is both the smallest and largest group for which group financial statements are drawn up and of which Finsbury Medical Limited is a member. Copies of the consolidated financial statements may be obtained from Johnson & Johnson, One Johnson & Johnson Plaza, New Brunswick, New Jersey 08933, USA.

As the company is a wholly owned subsidiary of Johnson & Johnson, the group financial statements of which are publicly available, advantage is taken of the exemption from disclosing transactions with group companies and from presenting a cash flow statement.

These financial statements are the company's separate financial statements for the financial year beginning 4 January 2021 and ending 2 January 2022.

The company's reporting period ends on the Sunday closest to 31 December, being 2 January 2022 for the current year (52 weeks) and 29 December 2019 for the prior year (53 weeks).

2. Accounting policies

2.1 Basis of preparation

The financial statements have been prepared on the going concern basis in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS 101). The financial statements have been prepared on the historical cost convention and in accordance with the Companies Act 2006. The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

As permitted by the Companies Act 2006, the directors have adapted the prescribed format of the profit and loss account in a manner appropriate to the nature of the company's business.

The preparation of financial statements in conformity with FRS 101 requires the use of certain accounting estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. It also requires management to exercise its judgement in the process of applying the company's accounting policies. Although these estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 2 January 2022**

2.1 Basis of preparation (continued)

FRS 101 sets out a reduced disclosure framework for a 'qualifying entity' as defined in FRS 101 which addresses the financial reporting requirements and disclosure exemptions in the financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of EU-adopted IFRS.

The company is a qualifying entity for the purposes of FRS 101. Details of the company's parent and from where its consolidated financial statements prepared in accordance with a Generally Accepted Accounting Practice considered to be an equivalent to IFRS may be obtained are set out in note 1 to the financial statements.

2.2 New standards, amendments and IFRIC interpretations

There are no new standards or amendments to accounting standards, or IFRIC interpretations that are effective for the year ended 2 January 2022 that have had a material impact on the company.

2.3 Foreign currency translation

(a) Functional and presentation currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the company operates ('the functional currency'). The financial statements are presented in Pounds Sterling (£), which is also the company's functional currency.

(b) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuation where items are re-measured. Foreign exchange gains and losses from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the income statement.

2.4 Financial Instruments

The company recognises financial instruments when it becomes a party to the contractual arrangements of the instrument. Financial instruments are de-recognised when they are discharged or when the contractual items expire. The company's accounting policy in respect of financial instruments transactions are explained below.

(a) Financial assets at amortised cost

Financial assets at amortised cost are held for collection of contractual cash flows and their cash flows represent solely payments of principal and interest (SPPI). They are included in current assets, except for maturities greater than twelve months after the balance sheet date. These are classified as non-current assets. The Company's financial assets measured at amortised cost (AC) comprise trade and other receivables in the statement of financial position.

2.5 Ordinary shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from the proceeds.
