STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its Memorandum and Articles of Association and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006. The liability of each member is limited to £10.

Charity Structure

The charity has 6 serving trustees at the close of the financial period.

It holds 4 general meetings per year, one of which is the AGM. Any other business is conducted via supplementary, special or extra-ordinary general meetings as required.

Note on Business arrangements during 20/21 under covid restrictions. Due to the Coronavirus pandemic and its attendant lockdown restrictions, face to face meetings have not been possible. In 2 cases shielding has prevented Trustees visiting the café for most of the year. One full Trustee meeting took place under social distancing arrangements in October 2020, when 2 substantial decisions were made. Throughout the remainder of the year, decisions were taken by group email seeking individual responses to the secretary.

The day to day management of the business was undertaken by 2 directors. A Featherstone (voluntary) and S Badham (salaried) who report to the full board.

The charity recruits its trustees mainly from approaches to stakeholders from the community who possess skills pertinent to the management and furtherance of the charity's objectives. Any interested parties are interviewed by the existing trustees and their appointment ratified at the next formal general meeting. They are given induction training by the Secretary to the Trustees.

OBJECTIVES AND ACTIVITIES

Objectives and Purpose

- To promote the relief and education of persons who are disabled by the provision, equipping, operation and maintenance of a catering workshop and ancillary facilities for the employment or vocational training of such persons.
- The relief of the disabled by the provision of specialised information, counselling and or advice to disabled persons seeking employment and or vocational training.

Activities When not under lockdown or social distancing restrictions

- The operation of a full café service Monday to Friday from 9.00am to 4.30pm.
- The provision of a skills and vocational training service for adults with learning disabilities (When the café reopens, it will have capacity to offer 15 sessions initially, rising to 25 or more when restrictions are fully lifted).
- The employment of part time staff and volunteers to assist with the running of the business and to support the service users.
- Partnering with other local charities and local suppliers to provide a programme to regular activities to enhance the experiences for the both the trainees and the general public.
- Pursuing external funding to help with the expansion of the service offer, the ongoing refurbishment of the facility and to enable replacement of capital equipment.

ACHIEVEMENTS AND PERFORMANCE

Main Achievements

- This financial year, the café was unable to trade at all due to a combination of the Government's restrictions upon the hospitality industry and the need to undertake a comprehensive refurbishment to ensure it could comply with the new safety restrictions required to make the premises 'covid secure'.
- In October 2020, the charity was successful in securing £49,202 from the National Lottery Communities Fund to enable it to undertake all of the necessary refurbishment works, not only to make it become 'covid secure' but also to future proof the business until the end its current lease in 2026.
- In addition, the charity attracted a further £65,650 from other grants and donations to enable the café to continue trading post lockdown, and to support its extensive refurbishment programme.
- The securing of additional space for enhanced trading capacity in November 2020 through a deed of variation to the original lease agreement. The agreement provides for an additional 100 square metres of flexible activity space.
- The establishment of the café as a 'Talk Community Hub' in partnership with Herefordshire Council. The initiative, aimed at an expansion of the café's inclusion offering is due to go live in the early Summer of 2021.
- The development of an approved Reserves Policy for 21/22 and the allocation of an allocated reserve in accordance with its proposals. This will hedge against the risk of a potentially slow take up of trade following the easing of lockdown, and any other events adversely impacting on trade next year.
- The retention of 5 service users going forward into the next year. Attempts were made to keep all existing engaged with the refurbishment by inviting them to make socially distanced visits during the Autumn of 2020 when there was a slight temporary relaxation of the restrictions. Unfortunately, this had to be withdrawn on the second lockdown. Those able to, could continue to follow on Facebook.
- An application to the Department of Work and Pensions to offer 2 x unemployed young people, 16-24 years a 6 month training programme under the Government's Kick Start scheme.
- Finally, the development of a preferred contractor and supplier base to enable the café to provide enhanced business continuity in the event of stock shortages of unexpected system failures. In addition to this new resilience measure, over the Autumn and Winter periods, the café benefitted from the gifting of over 2,000 hours of volunteer time which enabled the refurbishment works to be completed both to time and to budget. Many of these volunteers were professionally qualified practitioners and/or tradesmen.

FINANCIAL REVIEW

Review of the charity's financial position at the end of the year

- During the year, there was limited trading in the café due to coronavirus restrictions/
- Grant funding did help to pay salaries and to allow for refurbishment and capital equipment purchases.
- There are no debts owed by the charity at the year end and the charity is in a position to meet it's outstanding liabilities.

The Life and Soul Kitchen Ltd
For the Year Ended 31st March 2021

Reserves Policy

The Trustees aim to maintain free reserves in unrestricted funds at a level that equates to approximately three months of unrestricted expenditure. This level is not a fixed amount, and it must reflect the changing business environment and the circumstances to which the business may be required to respond, especially at very short notice.

The Trustees review the reserves level on a regular basis and have concluded that given inflationary pressures on utilities, services and stock purchases and the additional risk of further closures for the 2021/22 financial year an unrestricted reserve figure of £14,000 should be set for the year.

On the 31st March 2021, the charity had unrestricted reserves of £31,363.

The Trustees have considered the financial position of the charity and consider that the charity has been able to and remains able to fulfil its obligations for the foreseeable future.

DECLARATIONS

The company has taken advantage of the small companies' exemption in preparing the report above.

The trustees declare that they have approved the trustee's report (including director's report) above.

Independent Examiner's Report to the trustees of the Life and Soul Kitchen Ltd

I report on the accounts for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Summary Income and Expenditure Account, the Balance Sheet and the related notes.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under the requirements of the Companies Act 2006 and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 145 of the Charities Act 2011
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 386 of the Companies Act 2006 or section 130 of the Charities Act 2011; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a "true and fair" view which is not a matter considered as part of an independent examination;
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
