### Notes to the financial statements Year ended 30 September 2017

#### 1. General information

The company is a private company limited by guarantee, registered in England and Wales. The address of the registered office is 20, Queen Street, Exeter, Devon, EX4 3SN.

### Principal activity

The principal activity of the company during the year was property management.

#### 2. Statement of compliance

These financial statements have been prepared in compliance with the provisions of FRS 102, Section 1A, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

### 3. Accounting policies

### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

### **Transition to FRS 102**

The entity transitioned from previous UK GAAP to FRS 102 as at 1 October 2015. Details of how FRS 102 has affected the reported financial position and financial performance is given in note 7.

### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Accounting estimates and assumptions are made concerning the future and, by their nature, will rarely equal the related actual outcome.

### Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowing or current liabilities.

### Turnover

Service charges receivable represents the amounts levied as service charges on account of expenditure incurred by the company during the year. Any excess of service charges received over expenditure incurred is carried forward as residents' reserve.

### Notes to the financial statements (continued) Year ended 30 September 2017

#### **Taxation**

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in the statement of comprehensive income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. In this case, tax is recognised in other comprehensive income or directly in capital and reserves, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

#### **Financial instruments**

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

### 4. Limited by guarantee

The company is limited by guarantee having no share capital. In the event of the company being wound up the liability of each member is limited to £1.

#### 5. Debtors

	Prepayments and accrued income	2017 £ 986	2016 £ 867
6.	Creditors: amounts falling due within one year	2017	2016
	Accruals and deferred income	£ 979 ———	£ 605

# Notes to the financial statements (continued) Year ended 30 September 2017

### 7. Transition to FRS 102

These are the first financial statements that comply with FRS 102. The company transitioned to FRS 102 on 1 October 2015.

### Reconciliation of equity

No transitional adjustments were required.

### Reconciliation of profit or loss for the year

No transitional adjustments were required.
