NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2010

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated)

1.3 Turnover

Turnover represents amounts receivable directly and indirectly from race meetings plus other miscellaneous income from the use of the racecourse facilities

Income is recognised at the time of the event, unless it is more appropriate to take it over the period of the agreement, such as rental and deferred income. Income receivable from the sale of media rights to Attheraces is taken to income when quantifiable.

1 4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows

Land and buildings Leasehold

over 50 years

Fixtures, fittings & equipment

over 5 - 10 years

15 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

16 Stock

Stock is valued at the lower of cost and net realisable value

1.7 Pensions

The company operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

18 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted

19 Capital credits

The Horserace Betting Levy Board (HBLB) provides revenue grants to racecourses to support the holding of a race meeting

A racecourse can elect in advance to convert the revenue to capital credits which can be drawn down to meet approved project expenditure or to meet repayment of HBLB loans. Revenue grants are taken to the profit and loss account as turnover to match related costs of holding the race meeting. Capital credits are recognised as income when the related race meeting is held and when recoverable against the repayment of HBLB loan or expenditure on approved capital projects.
