RIBBLE LINK CONSTRUCTION AND OPERATION LTD

DIRECTORS REPORT

FOR THE YEAR ENDED 31 MARCH 2022

The directors present their report and financial statements for the year ended 31 March 2022.

Principal activities

The principal activity of the company was to provide for the operation and maintenance of the Millennium Ribble Link following the completion of its construction in October 2000.

The Millennium Ribble Link near Preston, was opened officially on Friday 20 September 2002 by the Rt. Hon. Margaret Beckett, Secretary of State for Environment, Food & Rural Affairs. The four-mile waterway connects the previously landlocked Lancaster Canal to the rest of Britain's 2,000-mile canal network, so that boats can cruise from London to Lancaster. The £6 million Millennium Ribble Link project was a partnership scheme made possible by the commitment and financial support of the Millennium Commission - which contributed £2.7 million - Lancashire County Council, the Ribble Link Trust, British Waterways and The Waterways Trust.

Construction took two years to complete and involved:

- constructing a mile of new channel;
- building nine new locks, including a 3-lock staircase flight;
- widening two miles of the Savick Brook to make it navigable;
- protecting over two and a half miles of bankside from erosion;
- providing new habitats for local and migratory wildlife;
- building two miles of footpaths and cycleways; and
- installing an Art Trail, created by Lancashire Artist Thompson Dagnell.

The result is an impressive linear water park for the people of Lancashire, sited in one of the UK's newest cities, and a protected environment for local wildlife in a densely populated area, as well as an important new link in the inland waterway network.

Since 2015, the only transactions to have flown through the accounts are lease payments in relation to the Savick Brook.

DIRECTORS REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2022

Statement of directors' responsibilities

The directors are responsible for preparing the Directors Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable laws, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs and profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

On behalf of the board

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022**

1 Company information

The company is a private company limited by guarantee and does not have any share capital.

2 Basis of preparation

The financial statements are prepared under the historical cost convention and in accordance with the provisions of FRS 102, Section 1A small entities. There were no material departures from that standard.

Going concern

The Ribble Link Dowry is now fully expended, the company's only expense is a lease in relation to Savick Brook. As it is loss-making, the company is reliant on support from its ultimate parent company, the Canal & River Trust (the Trust) to meet its debt obligations as they fall due. To date, the Trust have settled and continue to settle the costs of the lease with the lessor. The Trust have no intention to recall the amounts outstanding from the company and it is therefore considered appropriate to adopt the going concern basis in the preparation of these financial statements.

3 Principal accounting policies

3.1 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Operational canal land was fully depreciated in 2003 as it had no resale value once it was part of the new canal link.

3.2 Operating leases: the company as lessee

Rentals paid under operating leases are charged to the Profit and Loss Account on a straight-line basis over the lease term.

3.3 Debtors

Short term debtors are measured at transaction price, less any impairment.

3.4 Creditors

Short term creditors are measured at the transaction price.

4 Taxation

On the basis of these financial statements no provision has been made for corporation tax.
