Strategic report for the year ended 31 March 2014

The directors present their annual report and the audited financial statements of the company for the year ended 31 March 2014.

Principal activities and business review

The company is engaged under a 16 year contract signed on 3 July 1998 for the provision of the design, construction and management services, including related financing arrangements, for a secure training centre for juveniles, STC Rainsbrook, near Onley, Warwickshire. Its registered number is 03524819.

The directors consider the performance of the company during the year, the financial position at the end of the year and its prospects for the future to be satisfactory. The company's principal contracts expire in July 2014, by which point the company expects the contract debtor to have been fully repaid. An agreement to extend and amend the contract from 20 May 2014 to 30 November 2015 was signed on 3 April 2014.

The profit for the year under review as set out in the profit and loss account on page 8 relates to activities undertaken in respect of the project.

Principal risks and uncertainties

The company's principal activity as detailed above is risk averse as its trading relationships with its customer, funders and sub-contractors are determined by the terms of their respective detailed PFI contracts. In extreme circumstances, the company could be exposed to subcontractor failure to perform their obligations. The financial risks and the measures taken to mitigate them are as detailed in the Directors' report.

Key performance indicators ('KPIs')

The company's operations are managed under the supervision of its shareholders and funders and are largely determined by the detailed terms of the PFI contract which stipulates key performance criteria on operational activities including performance and availability. The board monitor these on a regular basis. For this reason, the company's directors believe that further key performance indicators for the company are not necessary or appropriate for an understanding of the performance or position of the business.

Directors' report for the year ended 31 March 2014

The directors present their annual report and the audited financial statements of the company for the year ended 31 March 2014.

Future developments

No significant changes are expected to the company's activities in the foreseeable future other than those set out in the Strategic report.

Results and dividends

The profit for the financial year amounted to £463,478 (2013:£ 517,642).

Dividends and transfers to reserves

Dividends of £1,488,882, £744,441 per share (2013: £536,000, £268,000 per share) have been paid during the year. No final dividends are proposed at the year end (2013: £nil).

Financial risk management

The company has exposures to a variety of financial risks which are managed with the purpose of minimising any potential adverse effect on the company's performance, these are summarised below. The company also reviews the performance of the subcontractor on a monthly basis and takes action if the performance levels fall below the required standard. The board has policies for managing each of these risks and they are summarised below:

Interest rate risk

The company has historically hedged its interest rate risk by using derivative financial instruments but these have now fully expired as the debt has been repaid.

Inflation risk

The company's project revenue and most of its costs were linked to inflation at the inception of the project, resulting in the project being largely insensitive to inflation.

Liquidity risk

The company adopts a prudent approach to liquidity management by endeavouring to maintain sufficient cash and liquid resources to meet its obligations as they fall due.

Credit risk

The company receives the bulk of its revenue from the Youth Justice Board and therefore is not exposed to significant credit risk. Cash investments are with institutions of a suitable credit quality and are regularly reviewed by the directors.

Major maintenance risk

The company is ultimately responsible for the on-going major maintenance and replacement expenditure, but the risks associated with this activity, including management of the work, are largely passed to the subcontractor.

Statement of directors' responsibilities

The directors are responsible for preparing the Annual report and financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' report for the year ended 31 March 2014 (continued)

Statement of disclosure of information to auditors

In so far as the directors are aware:

- there is no relevant audit information of which the company's auditors are unaware; and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Independent auditors

The auditors, PricewaterhouseCoopers LLP, Chartered Accountants and Statutory Auditors, have signified their willingness to continue in office.

By order of the board,

Independent auditors' report to the members of ECD (Onley) Limited

Report on the financial statements

Our opinion

In our opinion the financial statements, defined below:

- give a true and fair view of the state of the company's affairs as at 31 March 2014 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

This opinion is to be read in the context of what we say in the remainder of this report.

What we have audited

The financial statements, which are prepared by ECD (Onley) Limited, comprise:

- the balance sheet as at 31 March 2014;
- the profit and loss account for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

What an audit of financial statements involves

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Annual Report and financial statements (the "Annual Report") to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Independent auditors' report to the members of ECD (Onley) Limited (continued)

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and ISAs (UK & Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Notes to the financial statements for the year ended 31 March 2014

1. Accounting policies

Basis of preparation of financial statements

The financial statements are prepared on the going concern basis, under the historical cost convention and in accordance with the Companies Act 2006 and applicable accounting and financial reporting standards in the United Kingdom.

A summary of the company's principal accounting policies, which have been consistently applied, is set out below

Cash flow statement

As at 31 March 2014, 100% of the voting rights of the company were controlled by Semperian PPP Investment Partners Holdings Limited. As permitted by Financial Reporting Standard 1 (Revised 1996) 'Cash flow statements', no cash flow statement is included in these financial statements.

Turnover

Turnover represents the value of work done and services rendered, excluding sales related taxes. All turnover originates in the United Kingdom.

The company recognises income when it has fully fulfilled its contractual obligations. In accordance with Financial Reporting Standard 5 – Reporting the substance of transactions - Application Note G, the company includes sales and purchase transactions related to variations under the original contract where the benefits and risks are retained by the company, within the financial statements as turnover and operating costs.

Transactions to which the company does not have access to all the significant benefits and risks are excluded from the financial statements.

Accrued income relates to services in the year for which no sales invoice was raised until after year end.

Dividend policy

Dividend recognition is in line with Financial Reporting Standard 21 – Events after the Balance Sheet date, such that dividends are recognised when paid.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

Deferred tax assets are only recognised when it is considered more likely than not that there will be suitable taxable profits from which the future reversal of underlying timing differences can be deducted.

Notes to the financial statements for the year ended 31 March 2014 (continued)

1. Accounting policies (continued)

Leased assets

Payments under operating leases are charged to the profit and loss account on a straight-line basis over the lease term.

Financial asset - contract debtor

In accordance with Financial Reporting Standard 5 - Application Note F, the costs incurred in building the asset have been treated as a contract debtor. This treatment arose from applying the guidance within the Application Note which indicated that the project's principal agreements transfer substantially all the risks and rewards relating to the property to the customer.

The amounts receivable (which represents the cost of construction of related assets) are treated as a long-term contract debtor from the commencement of the operating contract, with a constant amount of the planned net revenue arising from the project being allocated to remunerate the contract debtor. Imputed interest receivable is allocated to the contract debtor using a property specific rate to generate a constant rate of return over the life of the contract. Over the course of the contract term the contract debtor is expected to be fully repaid.

Debt issue costs

Debt issue costs incurred have been offset against the related debt and will be charged to the profit and loss account at a constant rate on the carrying value of the debt.

Financial instruments

The company uses derivative financial instruments to hedge its exposure to fluctuations in interest rates. Financial instruments used to hedge interest rates are valued at cost. Receipts and payments on interest rate instruments are recognised in the profit and loss account on an accruals basis over the economic life of the instrument or underlying position being hedged, within net interest.

Major maintenance replacement

The company is responsible for managing the ongoing major maintenance and replacement expenditure on the buildings, but the risks associated with this activity are largely borne by the subcontractor. Costs are recorded, in the profit and loss account, in the period in which the costs of major maintenance replacement are incurred.

Notes to the financial statements for the year ended 31 March 2014 (continued)

2. Operating profit

The company had no employees during the year (year ended 31 March 2013: none). The remuneration of the directors is paid by the controlling parties. The directors services to the company and to members of fellow group companies are primarily of a non-executive nature and their emoluments are deemed to be wholly attributable to the controlling parties. The controlling parties charged £nil (year ended 31 March 2013: £nil) to the company in respect of these services.

The audit fee in respect of the company was £8,700 (year ended 31 March 2013: £8,700) for the year. In addition, the company bore £1,500 (year ended 31 March 2013: £1,500) in respect of the audit fee for its immediate parent company during the year which was not recharged.

Operating lease expenditure incurred in respect of other leases during the year was £1,000 (year ended 31 March 2013: £1,000).

5. Tax on profit on ordinary activities

(A) Analysis of charge in the year

	2014 £	2013 £
Current tax:	-	
UK corporation tax based on the results for the year at 23% (2013: 24%) Adjustments in respect of previous periods	333,285	343,141 (1,360)
Total current tax	333,285	341,781
Deferred tax:		
Origination and reversal of timing differences Impact of rate change	(128,042) 11,524	(117,144) (1,726)
Total deferred tax (note 9)	(116,518)	(118,870)
Tax on profit on ordinary activities	216,767	222,911

(B) Factors affecting current tax charge

The tax assessed on the profit on ordinary activities for the year is higher (2013: higher) than the standard rate of corporation tax in the UK of 23% (2013: 24%).

Profit on ordinary activities before taxation	2014 £ 680,245	2013 £ 740,553
Profit on ordinary activities multiplied by UK standard rate of tax (23%)	156,456	177,733

Total current tax (note 5(a))	333,285	341,781

Notes to the financial statements for the year ended 31 March 2014 (continued)

5. Tax on profit on ordinary activities (Continued)

(C) Factors that may affect future tax charges

The current tax charge will continue to be affected by timing differences, although these timing differences will have an opposite impact on the deferred tax charge so there should be no overall impact on the tax charge.

During the year, as a result of the changes to the UK corporation tax rate to 21% from 1 April 2014 and to 20% from 1 April 2015, which were substantially enacted on 2 July 2013, the relevant deferred tax balances have been re-measured.

14. Commitments

Under the terms of the original contract dated 3 July 1998, as amended 10 August 2001, the company is committed to pay fixed and variable fees to G4S Integrated Services (UK) Limited (formerly GSL UK Limited) based on the number of available trainee places at STC Rainsbrook. Charges in the year ended 31 March 2014 were £13,364,305 (2013: £12,859,987).

Under the terms of the above contract the company is also committed to payments in respect of the capital replacement of life expired equipment over the contract term. Charges made in the year ended 31 March 2014 were £273,553 (2013: £95,971). These contracts both expire in July 2014.

15. Related party disclosures

As a fully controlled subsidiary of Semperian PPP Investment Partners Holdings Limited, the company has taken advantage of the exemption under Financial Reporting Standard 8 - Related party disclosures of the requirement to disclose transactions between it and other group companies.

16. Immediate and ultimate parent undertaking and controlling party

The company's immediate parent undertaking is Education Care and Discipline Three Limited, a company registered in England and Wales. The ultimate parent undertaking and controlling party is Semperian PPP Investment Partners Holdings Limited which is registered in Jersey. The smallest group and largest group to consolidate these financial statements is Semperian PPP Investment Partners Holdings Limited.

Consolidated financial statements for Semperian PPP Investment Partners Holdings Limited can be obtained from the Company Secretary at Third Floor, Broad Quay House, Prince Street, Bristol, BS1 4DJ.
